**EJ 1.2 Community Siting and Improvement Priorities.**

When considering new or improved public facilities within EJCs, prioritize siting, provision of County services, infrastructure, and amenities based on community feedback (e.g., community centers, schools, parks, **trails**, and open space, and emergency services, and improvements for transportation infrastructure, such as EV charging, road maintenance, bike, and pedestrian facilities, including ADA accessibility).

**EJ 3.2 Increase Access to Parks.**

Partner with schools, places of worship, state and federal lands, and businesses to expand access to green spaces, **trails**, and recreation areas, especially in EJCs with less accessibility to green spaces, **trails**, and recreation areas.
