**MEMORANDUM OF UNDERSTANDING BETWEEN
COUNTY OF SANTA BARBARA AND
SANTA BARBARA COUNTY PROBATION PEACE OFFICERS ASSOCIATION**

SECTION 1. PURPOSE

This Memorandum of Understanding is hereby entered into by and between the County of Santa Barbara, hereinafter referred to as the County, and the Santa Barbara County Probation Peace Officers Association, hereinafter referred to as the Association. It is the general purpose of this Memorandum of Understanding to promote the mutual interest of the County and its employees, provide for an equitable procedure for resolving disputes and to establish rates of pay, hours of work and certain other terms and conditions of employment.

SECTION 2. RECOGNITION

The County hereby recognizes the Association as the majority bargaining representative for the employees in the following representation units:

- Unit 18 -- Probation Peace Officers, Non-Supervisory
- Unit 19 -- Probation Peace Officers, Supervisory

The term "Employee" or "Employees" as used herein shall refer to individuals employed by the County in regular positions (excluding extra-help employees) as well as such employees in classifications that are added to the above representation units hereafter through the provisions of the County's Employer-Employee Policy or applicable State law.

SECTION 3. NON-DISCRIMINATION

- A. The provisions of this Memorandum of Understanding shall be applied equally to all employees covered thereby without discrimination because of race, color, sex, age, religion, marital status, national origin, political affiliation, non-disqualifying disability, sexual orientation, Association membership, or any characteristic protected by state or federal law.
- B. Nothing in this Memorandum of Understanding shall prohibit lawful discrimination in employment practices based on a bonafide occupational qualification, applicable security or health or safety regulations of the United States or the State of California, or any other basis now or hereafter set out in laws of the United States or the State of California and/or any regulations adopted pursuant to such laws defining lawful discrimination in employment practices.

SECTION 4. MANAGEMENT RIGHTS

Except as otherwise specified in this Agreement, the County retains, among other management rights, the exclusive right to determine the methods, means, and personnel by which County government operations are to be conducted, as well as to exercise complete control and discretion over its organization, operations, and technology of performing its work; to determine the mission, function and necessity of all or part of each of its constituent departments, boards and commissions and take all necessary actions to carry out their mission, functions and necessity, or any part thereof, as well as set standards of service to the public.

It also retains the sole right to administer the Civil Service system, to classify or reclassify positions, add or delete positions or classes to or from the Salary Ordinance; to establish standards for employment, promotion, and transfer of employees; to direct its employees, establish rules and regulations, take disciplinary action for proper cause, to establish work schedules and work assignments, contract out work, transfer work out of the unit, and to relieve its employees from duty for lack of work or other legitimate reasons. The County retains the right to be the sole judge, subject to its Civil Service Rules and Procedures, of the qualification and competence of its officers and employees.

Before implementing any decisions to contract out work, the County shall notify the Association and upon request, negotiate the impact of such decision on terms and conditions of employment. For purposes of this Agreement, "contracting out work" shall refer to situations in which the County decides to contract out work which was provided by Association-represented employees in April 1997 and which results in layoff, reduction in hours or otherwise directly impacts the wages, hours or other terms and conditions of employment.

This section is not intended to restrict consultation with employees or employee representatives about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

SECTION 5. ASSOCIATION RIGHTS

A. Dues Deductions

1. The County agrees to deduct and transmit, to the Treasurer of the Association, dues from all Association members who have signed an authorization card for such deduction in a form approved by the County. The written authorization for the Association dues deduction shall remain in full force and effect unless canceled in writing, as provided in such authorization form.

2. The Association agrees to indemnify, defend and hold the County harmless against any claims made of any nature whatsoever, and against any suit instituted against the County arising from its actions under this Section.

B. Association Notices and Meetings

1. The County shall provide designated bulletin board space on existing bulletin boards for the Association, the size and location to be determined jointly by departmental management and the Association. All materials to be posted shall be nondefamatory in nature, must be approved and signed by an Association official and shall be used for the following subjects:

- Association recreational, social and related news bulletins;
- Scheduled Association meetings;
- Information concerning Association elections or the results thereof;
- Reports of official business of the Association, including reports of committee or the Board of Directors.

Material listed above shall be posted only on those areas designated as official bulletin boards.

2. The Association may request to use County conference rooms and similar building facilities for purposes of conducting lawful Association business. Use of such rooms shall be granted under the same conditions provided to other outside (non-County) groups.

C. Association Representation

1. A written list of the officers of the Association and the representatives serving each work area or County organizational unit, broken down by location, shall be furnished to the County by the Association. The list shall be updated as changes occur.
2. Access by employee representatives shall be provided under the terms and conditions set forth in the County's Employer-Employee Relations Policy. Access to employees shall not interrupt or otherwise interfere with employees' work.

D. Association Release Time

An employee who is a member of the Association's bargaining team and who attends the regular scheduled bargaining sessions between the County and the Association shall receive release time or flex time conditioned on the following:

1. Release Time: Means the release from regularly scheduled duty to attend with pay a bargaining session between the County and the Association's bargaining team during on-duty time. Release time is time worked.
2. Flex Time: Means the release from duty before the end of a shift, or permission to report late to start a shift. Any such scheduled flex time shall be for a specific number of hours which have been approved by the employee's supervisor. Leave balances or a schedule adjustment may be used for this purpose.
3. Hours Eligible for Release Time or Flex Time: Means only those hours scheduled and actually spent in bargaining sessions between the County and the Association on days the Association member is scheduled to work. Hours spent in negotiations in excess of the number the employee was scheduled to work that day, or hours spent in negotiations on a non-duty day, shall not be counted for pay purposes or as hours worked.
4. Association bargaining team members shall notify their supervisors of the scheduled time, date and place of the bargaining session between the County and the Association at least 72 hours in advance, or as soon as a session is scheduled if less than 72 hours.

Scheduled on-duty personnel will be expected to report for duty prior to a scheduled negotiation session unless the start of the shift is the same as the scheduled start of the negotiation session, or later. On-duty personnel shall report for duty after the end of a bargaining session unless the bargaining session exceeds the scheduled duty day. The bargaining session shall be deemed ended when either the County or Association indicates the meeting is over.

A team member or alternate who is scheduled to work graveyard shall be given the opportunity to leave the shift early before the scheduled meeting or check in late for the shift following the bargaining session provided the flex hours are scheduled in advance. If flex time is denied, alternate scheduling may be granted with the approval of the division manager.

- E. The County shall provide an aggregate of up to ten days off without pay for Association officers to attend seminars or conduct Association business. Such leave without pay must be scheduled and approved in advance by the department head or his/her designated representative. The department retains the right to deny a leave or cancel a leave when such leave will result in an uncovered work assignment or cause overtime.
- F. The Association shall be provided use of 700 hours of paid Association release time per payroll year to attend labor-related educational events and to conduct Association business, provided however, the Association shall reimburse the County for 50% of the cost of each hour taken as provided below.

The purpose of these release time provisions is to enable Association designated employees to engage in qualifying activities during normal working hours without loss of compensation. Employees will be paid under provisions of this MOU section only for time they were regularly scheduled to work but instead used to engage in qualifying activities. In no event will employees be paid under provisions of this MOU section for any time they were not regularly scheduled to work. Hours paid under this MOU section will not be considered hours worked for purposes of determining an employee's eligibility for overtime in accordance with MOU Section 20.

Hours left unused in any given payroll year will not carry forward from one year to the next and will have no cash value at the start of a new payroll year. The County shall provide the Association with a full accounting of hours used along with an invoice for its share of costs on a quarterly basis. Payment to the County shall be made within 45 days of receipt of an invoice.

Employees granted release time under this MOU section will be given time off without loss of compensation or other benefits that would normally have been paid to the employees released had they worked their regularly scheduled shift(s), and the Association shall fully reimburse the County for its share of the costs of their compensation, including wages and employer contributions to SBCERS for Retirement, Retirement COLA, and Retiree Medical benefits, and including payments to the Federal Government for Medicare taxes, and (if applicable) for Social Security taxes. The County portion of fixed costs not directly associated with rates of pay or hours worked during a pay period (e.g. uniform allowance, health insurance premiums, education allowance) will continue to be 100% paid by the County, subject to provisions for part-time employees.

In cases where overtime is needed for backfill at a cost of time plus one-half (i.e. 1.5 times the regular rate of pay for each hour worked), the County and the Association shall share equally the half-time portion of the overtime rate (i.e., the County will pay 100% of the straight time portion and the Association and County will split the ½ time portion).

Association designated representatives may use a nominal amount of time to help address a member's issues or answer questions and not use release time for that purpose; however, time totaling one (1) hour or more shall be submitted for approval and applied to the 700 hour annual maximum under the terms of this section.

For purposes of this section, "qualifying activities" shall mean: training conferences, conventions, seminars/webinars, workshops, or other events that are related to employer-employee relations and involve matters pertaining to the bargaining units covered by this Memorandum of Understanding, including reasonable and necessary travel time, if travel time occurs during regularly scheduled duty hours.

Other "qualifying activities" for use of this release time will include related matters that do not have separate provisions for release time, examples of which are enumerated below:

- a. Representation of members at interviews required for Professional Standards Investigations,
- b. Attendance at Board of Supervisors' meetings,
- c. Scheduled meetings on duty time with the Chief or members of the Executive staff,
- d. Meetings of the Association Board or Association General Membership, or affiliated organizations if the meetings occur during a member's regular duty time,
- e. Response to emergent incidents, such as in-custody deaths, where a member requests Association representation.

The following are not qualifying activities authorized for paid release time:

- f. Time off for negotiations and grievance processing, which have separate provisions for paid time off under law or other MOU sections,
- g. Individual meetings between a designated Association representative and an Association member while the designated Association representative is off duty,
- h. Any political activity per County of Santa Barbara Civil Service Rule 1801.

An Association member wishing to use "Release Time" hours shall first obtain approval from the Association President. Once the Association President approves, the member must submit a written request form designed and approved by the County and the Association. The signed form shall be presented to his/her immediate supervisor.

Requests for release time shall be made at least 14 days in advance of known events such as conferences, and shall otherwise follow the timeline for vacation requests in the unit where the requestor works, except for emergent circumstances.

Requests may be denied if the requesting employee's absence would have a negative impact on the operational needs of the agency that cannot otherwise be accommodated. The requirement to expend overtime or to hire an employee on backfill shall not be considered a reasonable basis to deny such leave request.

No more than two employees from any one unit, nor more than one employee from the same shift and rank within the same unit shall simultaneously use release time hours, unless the Association member requesting the leave over the limits above secures a replacement (through overtime or shift trade).

Association members who are on release time are presumed to be conducting Association business and are in an off-duty status, during which the County is not responsible for their actions, and during which any injuries sustained will not be

covered by Workers' Compensation. County equipment or vehicles shall not be used by Association members during any hours they are on release time.

SECTION 6. AGENCY SHOP

- A. Agency Shop provisions were declared unconstitutional by the Supreme Court of the United States in the Janus vs. AFSCME decision on June 27, 2018.

SECTION 7. SALARIES

- A. Effective as soon as practicable upon Association ratification and approval by the Board of Supervisors, salaries for all classifications represented by the Association shall be increased by 3.0%.
- B. Effective as soon as practicable upon Association ratification and approval by the Board of Supervisors, the Juvenile Institutions Officer Senior classification shall be provided with an additional 2.0% salary adjustment.
- C. Effective Pay Period 2023-15 (estimated date of 6/26/23), salaries for all classifications represented by the Association shall be increased by 2.5%.
- D. Effective Pay Period 2024-15 (estimated date of 6/24/24), salaries for all classifications represented by the Association shall be increased by 2.5%.
- E. Effective Pay Period 2025-15 (estimated date of 6/23/25), salaries for all classifications represented by the Association shall be increased 2.5%.

SECTION 8. MEDICAL AND DENTAL COVERAGE

- A. For new employees, medical and dental coverage benefits under this Section shall be effective at the beginning of the month that immediately follows the employee's first pay period of employment in a regular position. Part-time employees must be employed a minimum of fifty percent (50%) of full-time in order to be eligible for insurance benefits.
- B. The County and the Association agree that Preferred Provider Organization_(PPO), Exclusive Provider Organization (EPO), Health Maintenance Organization (HMO) and medical plans, and County Self-funded and HMO dental plans shall be available to employees.
- C. During the term of this agreement, the County will baseline its minimum contribution to employee medical premiums and shall pay 100% (pro-rated for part-time employees) of the least expensive EPO employee-only premiums. The County shall contribute up to \$13.03 twice monthly toward the cost of the biweekly premium for employee-only dental plan coverage. These contributions are based on full-time employment; part-time employees shall receive a prorated contribution

based on their percentage of full-time employment. Insurance plan premiums that exceed the County's twice monthly contribution shall be paid by the employee through payroll deductions.

In plan year 2023 the County will provide a twice monthly additional flat dollar amount of \$25 for employees enrolled in a medical plan at the EE+1 level, and \$155 for employees enrolled at the EE+2 level.

In plan year 2024 the County will increase these twice monthly flat dollar amounts to \$50 for employees enrolled at the EE+1 level, and \$310 for employees enrolled at the EE+2 level.

In plan year 2025 the County will increase these twice monthly flat dollar amounts to \$125 for employees enrolled at the EE+1 level, and \$440 for employees enrolled at the EE+2 level.

These additional flat amounts, as reflected below, will be prorated for part-time.

	Plan Year 2022	Plan Year 2023	Plan Year 2024	Plan Year 2025
EE Only	Up to 100% baseline	Up to 100% baseline	Up to 100% baseline	Up to 100% baseline
EE+1	Up to 100% baseline	Up to 100% baseline + \$25/PP	Up to 100% baseline + \$50/PP	Up to 100% baseline + \$125/PP
EE+2	Up to 100% baseline	Up to 100% baseline + \$155/PP	Up to 100% baseline + \$310/PP	Up to 100% baseline + \$440/PP

Employees may select coverage from the following options:

Medical*

- EPO Medical Plan(s)
- PPO Medical Plan(s)
- HMO Medical Plan(s)
-

* All medical plans include employee assistance program coverage.

Dental

- County Self-funded Dental Plan
- DMO Dental Plan

- D. Employees may insure their eligible dependents (including registered domestic partners as defined below) under the medical and dental plans listed above, in

accordance with the rules and regulations applicable to obtaining said dependent coverage.

- E. The County shall meet and confer with the Association prior to reducing the level of benefits provided by the County Self-funded Dental Plan.
- F. The County's Health Oversight Committee will include two employee representatives. Such representatives shall be selected from the County's recognized employee organizations. Employee representatives shall serve a two-year term.

Except as indicated above, the administration of the committee shall be governed by preexisting Board resolution(s) and the committee members themselves. The Human Resources Director shall act as the coordinator for the committee.

- G. If two regular County employees are either a) married to each other or b) registered as domestic partners as specified below, and are both eligible for a contribution from the County toward employee-only medical and dental coverage, they may consolidate the County contributions toward the premium cost for "employee plus dependent(s)" coverage held by one of the employees. In this situation, one employee (referred to below as the "spouse" or "partner") becomes a dependent on the other employee's (referred to below as the "primary employee") medical and dental coverage.

In order to be eligible under this provision, all of the following conditions must be met:

- Both employees are covered by the same medical and dental plan;
- The spouse or partner is insured as a dependent on the primary employee's medical and dental plan insurance;
- The spouse or partner has waived employee-only coverage;
- Both employees have authorized the consolidation of contributions on a form prescribed by the Human Resources Director.
- In the case of domestic partnerships, the employees must be so registered with a domestic partner registry maintained by a California city, county, the State of California, or a public jurisdiction in another state provided the affected employee(s) sign the County's Declaration of Domestic Partnership form. Employees registering as domestic partners shall be responsible for all tax consequences of this benefit.

The amount of the consolidated contributions shall be that amount which would otherwise be contributed by the County toward the employee's and the spouse's or partner's employee-only premiums for the respective medical and dental plans less the cost for participation by the spouse or partner in the Employee Assistance Program and the County's healthcare advocacy program. The appropriate

contributions shall be made by the respective departments employing each employee.

SECTION 9. HEALTH INSURANCE BENEFITS DURING MEDICAL LEAVE OF ABSENCE

Employees who are placed on a leave of absence resulting from a medical condition including injury, illness, pregnancy and childbirth shall receive the County contribution toward health plan coverage for a leave period up to eighteen (18) months. Premium amounts exceeding the County contribution and for dependents shall be the responsibility of the employee during the leave period. If an employee has paid leave accruals in excess of eighteen (18) months at the start of the leave, the County will continue to make its contribution toward health coverage while paid leave is being used and until such time as the paid leave is exhausted.

SECTION 10. FLEXIBLE SPENDING ACCOUNT PLAN

- A. Employees shall be eligible to participate in the County sponsored Flexible Spending Account Plan.

The Flexible Spending Account Plan will include the following salary reduction options:

1. Pre-Tax Health Insurance Premium Option - for employees and their dependents;
2. Pre-Tax Health Care Spending Account Option;
3. Pre-Tax Dependent Care Spending Account Option;
4. Pre-Tax Life Insurance Premium Option;
5. Pre-Tax Personal Accident Insurance Program.

The options are described in detail in the Flexible Spending Plan Legal Document which is available to all employee organizations. All salary reduction amounts are included in base salaries and are subject to appropriate Internal Revenue Service regulations.

The County shall meet and confer with the Association prior to revising the benefit options. The County agrees not to implement plan options unless a majority of recognized employee organizations agree to the proposed changes.

- B. Benefits selected under this plan cannot be changed during the plan year except for a change in family status consistent with the benefit change. Enrollment in the plan shall be offered on an annual basis at the beginning of the plan year. New employees may enroll within the first thirty (30) days of employment. Continued operation of the program shall be subject to County administrative procedures.

SECTION 11. BENEFIT ALLOWANCE

Effective April 23, 2018, a Benefit Allowance of \$236.51 was incorporated into base pay and eliminated as a separate allowance.

SECTION 12. STATE DISABILITY INSURANCE (SDI)

- A. All employees eligible for SDI benefits shall use their available sick leave credits to supplement their SDI benefits so that the sum of the SDI benefits and sick leave credits used equals 80% of their gross salary.
- B. All employees eligible for SDI benefits may apply with the State of California for approval as soon as possible following the date of their eligibility for SDI benefits. Current eligibility begins on the eighth consecutive calendar day of an extended illness or injury. An employee must apply for SDI when illness or injury causes him/her to miss work for more than twelve consecutive calendar days.
- C. When an employee has used all available sick leave credits, he/she may use any available overtime and/or holiday credits first and vacation second to supplement their SDI benefits up to 80% of their gross salary.
- D. Employees eligible for Paid Family Leave (PFL) benefits may apply with the State of California. Employees receiving PFL benefits may integrate available sick leave credits to the extent provided in Section 15(E) of this agreement; available overtime and/or holiday credits; and vacation to supplement their PFL benefits up to 100% of gross salary. Available overtime and/or holiday credits shall be used prior to integrating with vacation.

Employees participating in this program are solely responsible for understanding the tax consequences of receiving PFL benefits.

SECTION 13. LONG TERM DISABILITY INSURANCE

The County shall provide a Long Term Disability Insurance Plan for employees represented by the Association. Part-time employees must be employed a minimum of fifty percent (50%) of full-time in order to be eligible for insurance benefits.

The waiting period for benefit eligibility will be 60 days. The benefit will equal sixty percent of pre-disability earnings up to a maximum monthly benefit in accordance with specific plan provisions and exclusions.

SECTION 14. TERM LIFE INSURANCE

Employees represented by the Association shall be provided with basic Group Term Life Insurance in the amount of \$20,000 paid for by the County. Part-time employees must be

employed a minimum of fifty percent (50%) of full-time in order to be eligible for insurance benefits.

SECTION 15. SICK LEAVE

- A. Each regular full-time or regular part-time employee shall accrue sick leave at the rate of .0463 hours for each hour in a regular pay status excluding overtime, callback and standby duty.
- B. Unused sick leave shall be cumulative from year to year, with no accrual limit.
- C. Sick leave usage may not exceed the employee's accrued sick leave balance reported on the Leave Report at the end of the pay period immediately preceding the pay period in which the leave is taken.
- D. A department head may require evidence in the form of a physician's certificate, or otherwise, of the adequacy of the reason for any employee's absence during the time for which sick leave was requested. Under no circumstances is sick leave to be used in lieu of, in addition to, or as vacation. The Auditor may require a physician's certificate from the department in order to determine correctness of payroll records.
- E. When a member of his/her immediate family is seriously ill or injured and requires his/her presence and attendance, an employee may be allowed by the appointing authority to use up to six days (48 hours) of his/her accumulated sick leave to attend such family member; provided, that not more than six days per year may be allowed for the illness or injury of any one member of the employee's immediate family. Subject to department head approval, an employee may exceed the six-day limit to care for an immediate family member who has a catastrophic or life-threatening illness as verified by a physician's statement.
- F. Up to a maximum of five days (40 hours) of an employee's accumulated sick leave may be allowed by the appointing authority to the employee for absence from duty because of any and each death in his/her immediate family.
- G. For the purposes of Section E and F above, "immediate family" is defined as husband, wife, domestic partner, parent, step parent, brother, sister, child, step child, grandparent, grandchild, and mother-in-law or father-in-law of the employee.
- H. An employee may, when necessary and at the discretion of his/her department head, be granted up to two hours leave with pay to make voluntary non-remunerated blood donations to non-profit blood banks in the County. Time off in excess of two hours and up to an additional two hours may be used for this purpose, but such additional time off shall be charged to accumulated sick leave. Leave for the purpose of donating blood shall not exceed five times in any one calendar year.

- I. Each regular full-time or regular part-time employee with Accumulated Unused Sick Leave balances in excess of 240 hours as of September 17, 1978, will be eligible for sick leave pay off. Upon termination of employment from County services, 50% of the value of the eligible Accumulated Unused Sick Leave hours will be paid at the employee's hourly rate in effect as of September 17, 1978. Eligible Accumulated Sick Leave hours are defined as the Accumulated Unused Sick Leave hours between 240 hours and 960 hours reported as of September 17, 1978, or if less, then hours reported at the time of termination.
- J. Any payment made under Section I above will be made only once to an employee in his/her work history with the County upon termination of employment. If an employee is subsequently rehired in the service of the County, incentive payment for Unused Sick Leave will not be applicable, and previous balances paid off upon termination will not be restored.
- K. Except upon Layoff in accordance with Civil Service Rule XI, termination of County employment shall abrogate all sick leave accrued to the time of such termination, regardless of whether such person subsequently re-enters County employment or service. Except as provided in Section I, no payment shall be made to any employee for unused sick leave accumulated to his/her credit at the time of termination from County service.

SECTION 16. VACATION

- A. For each hour in a regular pay status, excluding overtime, call-back, and stand-by, each regular full-time or regular part-time employee shall accrue vacation based on continuous County service as provided in the following chart.

Continuous County Service	Hourly/Annual Accrual	Maximum Allowable Accrual
0-2 yrs. (0-24 mo.)	.0463 hrs./96 hrs.	288 hours
3-4 yrs. (25-48 mo.)	.0616 hrs./128 hrs.	288 hours
5-10 yrs. (49-120 mo.)	.0731 hrs./152 hrs.	360 hours
11-14 yrs. (121-168 mo.)	.0847 hrs./176 hrs.	390 hours
14+ yrs. (169+ mo.)	.0962 hrs./200 hrs.	420 hours

- B. Annual vacation accrual may accumulate up to the Maximum Allowable Accrual provided for in the chart in A above. Effective as soon as practicable upon ratification of this MOU by the Association membership and approval by the Board of Supervisors, and for the term of this agreement, maximum vacation accruals at all levels will temporarily increase by 40 hours.
- C. Notwithstanding the provisions of Sections A and B above, an employee absent due to a work-related injury, receiving Workers Compensation Temporary Disability and unable to take vacation may accrue vacation above the Maximum Allowable Accrual. Following his/her return to work, the employee shall make every

reasonable effort to promptly take vacation in excess of the Maximum Allowable accrual.

- D. No payment in lieu of vacation shall be made to any employee except upon termination of employment. Terminating employees shall be paid for accumulated vacation as of the date of termination.
- E. An employee is not entitled to vacation credits or accrual unless or until they have been a regular employee for six (6) continuous months. Consequently, a person failing to complete such service receives no payment for vacation credits upon termination.
- F. Vacation shall not include any regular holidays taken during a vacation period.
- G. Employees may be required to take vacation with reasonable notice. In addition, employees may request vacation use.
- H. Vacation usage may not exceed the accrued vacation balance reported at the end of the prior pay period.
- I. At the time of appointment in units represented by the Association, employees appointed from outside Santa Barbara County government service from either a city, county, state agency, federal agency or special district, shall receive credit for their prior years' of public agency service as a regular (i.e. not temporary or hourly) employee toward their annual vacation accrual rate if that regular public agency service ended within six months of the date of County employment.
- J. In addition to any credit provided for in Paragraph I, above, permanent employees who separate from County service and then return may recoup their past service credit for purposes of vacation accrual under the following conditions:
 - a. Employees may be absent from County service no more than three consecutive years; and
 - b. Employees must have left County service in good standing and their last two performance evaluation ratings prior to leaving County service must have been satisfactory or above.

Former service credit, in such cases, shall be combined with the new and current employment, in addition to any received in accordance with Paragraph I, above, in determining the employee's vacation accrual rates.

- K. Employees are encouraged to use their vacation accrual amount each year in order to receive the benefit of vacation time off from work. Toward that goal, and subject to maintaining base operational staffing needs, employees shall be granted a minimum amount of two weeks consecutive vacation time off once per year if requested. This request must be submitted no less than 45 days out from the start

of the vacation request. Additionally, the employee must have the balance of hours required for the requested time off at the time of the request. Furthermore, this request cannot be submitted for the week of, prior to or immediately after a designated holiday period. Any request made during these periods will be subject to normal vacation approval policies. The department maintains the ability to deny such request if there is an emergency, staffing shortage, or other business reason that isn't arbitrary or capricious.

SECTION 17. HOLIDAYS

- A. Holidays regularly observed by the County for employees represented by this agreement are:
- New Year's Day, January 1
 Martin Luther King Jr's Birthday, 3rd Monday in January
 Washington's Birthday, 3rd Monday in February
 Memorial Day, last Monday in May
 Juneteenth, June 19

 Floating Holiday (See Paragraph C below)
- B. All regular employees in a pay status (including paid leave) for any portion of pay period one each year shall be credited with eight (8) hours holiday leave. Regular part-time employees shall receive a prorated equivalent. This holiday leave must be used during the payroll year and may not be accumulated from year to year. The floating holiday credit may be used in the same pay period in which it is accrued, subject to Paragraph D below
- C. Holiday leave shall be subject to the approval and/or taken at the direction of the appointing authority or designee. An employee's request to use accrued holiday leave shall not be unreasonably denied.
- D. If a paid assigned holiday falls on Saturday, the preceding Friday shall be the holiday in lieu of the day observed. If a paid assigned holiday falls on a Sunday, the following Monday shall be the holiday in lieu of the day observed. For those employees who actually work Saturday and/or Sunday, the paid assigned holiday shall be the day on which the holiday actually occurs.
- E. Regular employees leaving County service shall be paid all compensatory holiday time which has accrued but has not been otherwise compensated.

- F. In the following sections reference to eight (8) hours shall apply to regular full-time employees and in the case of regular part-time employees the eight (8) hours shall be a pro-rated equivalent.
- G. When a holiday falls on an employee's regularly scheduled work day, the employee shall be paid eight (8) hours cash payment for the holiday. When a holiday falls on an employee's regularly scheduled day off, the employee shall accrue eight (8) hours of compensatory holiday time.
- H. When an employee who is overtime exempt is required to work on a holiday which falls on the employee's regularly scheduled work day, the employee shall, in addition to eight (8) hours regular cash payment for the holiday, accrue compensatory holiday time on an hour for hour basis for all hours worked up to eight (8) hours.
- I. When an employee who is eligible for overtime is required to work on a holiday the employee shall, in addition to eight (8) hours regular cash payment for the holiday, accrue compensatory holiday time at straight time and cash payment at one half time for all hours worked up to eight (8) hours.
- J. Employees who accrue holiday time are encouraged to take the compensatory time during the payroll year in which the holiday is accrued. Employees whose department is unable to approve time off that would eliminate accruals prior to the end of a payroll year may carry over up to 24 hours of accrued holiday into the following payroll year. In no event will hours carried over remain available to employees beyond the end of pay period 3 each pay roll year.
- K. In order to receive holiday compensation, an employee must be in paid status on the scheduled workday immediately prior to and/or after the holiday. Notwithstanding the above, neither the first day of employment nor the last day of employment may be a holiday.
- L. Notwithstanding Paragraphs F through I above, employees in Juvenile Institutions Officer, Juvenile Institutions Officer Senior, Deputy Probation Officer Senior, and Supervising Deputy Probation Officer classifications that are assigned to juvenile institutions, shall, in each pay period during which a holiday occurs, receive additional compensation at the rate of one-tenth of the employee's basic biweekly salary for each holiday included in that pay period, irrespective of whether or not the employee actually works on any such holiday, unless the employee is excused from working a regularly scheduled shift on such holiday. Time off on a holiday must be in a whole day increment and shall be full compensation for that holiday.

SECTION 18. LEAVE DONATION

Employees shall be eligible to participate as donors and recipients in the leave donation program, which provides a mechanism for assisting employees who have exhausted paid

leave due to a serious or catastrophic illness or injury. This program allows a regular County employee to donate the monetary value of accrued vacation, holiday or overtime hours to a specific, eligible employee who has exhausted his/her own available leave balances. Serious or catastrophic illness or injury is defined as the employee's own adverse medical condition which requires the employee to be absent from work for more than twenty (20) consecutive work days, or a similarly debilitating illness or injury of the employee's immediate family member (as defined in Section 15, Paragraph G) requiring the employee's attendance.

- A. To receive leave donations, an employee:
- must have been employed in a regular position for a minimum of six months;
 - must be absent from work due to his/her own catastrophic illness or injury for more than twenty consecutive work days (as verified by a physician's statement); or be absent from work in order to attend his/her immediate family member who has a catastrophic illness or injury (as verified by a physician's statement); and
 - must have exhausted all earned leave balances (including sick leave [if related to the employee's own illness], vacation, overtime and holiday credits); except however, the appointing authority may approve the solicitation/acceptance of leave donations prior to all balances being exhausted, when the physician's statement and leave balances indicate the probable exhaustion of balances within two pay periods.
- B. Donated leave shall be changed to its cash value at the donor's base rate of pay and then credited to the recipient in equivalent hours of vacation at the recipient's base rate of pay.
- C. Donations:
- are voluntary;
 - are made from accrued vacation, holiday or overtime balances; donation of sick leave is not permitted;
 - must be for a minimum of eight (8) hours, in whole hour increments;
 - are irrevocable, and if any donated hours remain at the end of the recipient's catastrophic leave, they shall remain available for the sole use of the recipient; and
 - are taxable on the part of the recipient, in accordance with IRS regulations, and are subject to withholding as required by law.
- D. An employee may not donate more than eighty (80) hours to any other individual employee.

- E. The total donations received into his/her vacation balance by an employee shall normally not exceed 1040 hours; however, donations in excess of 1040 hours may be considered and approved by the recipient's appointing authority.
- F. Upon approval of a request for donations, the appointing authority (or his/her designee) shall, at the employee's request, post a notice of the eligible employee's need for donations on departmental bulletin boards accessible to employees; confidential medical information shall not be included in the notice. If the eligible employee is in his/her original probationary period, the notice will include a statement of that fact.
- G. Donations shall be administered according to procedures established by the Auditor-Controller, and requested on a form prescribed by the Auditor-Controller. Signed approvals of the receiving and donating employees must be properly provided before a donation is processed.

Donors and hours donated shall be maintained as confidential payroll information.
- H. Nothing in this section shall be construed to modify the employment relationship between the County and the receiving employee, or to restrict the County's management rights. Neither shall this section modify existing County rules, policies or agreements regarding unpaid leave of absence or family leave.

SECTION 19. RETIREMENT

- A. The County offers the following retirement plans:
 - 1. Safety Member Employees hired prior to January 1, 2013:

Safety Plan 4-C: 3% @ 55, half-rates, FAS-3
 - 2. General Member Employees ("grandfathered" employees not electing safety membership)
General Plan 5A or Tier II

New Members as defined in Government Code Section 7522.04 (f) hired on or after January 1, 2013;:
Safety Plan 8: 2.7% at age 57, full rates, FAS – 3 as set forth in Government Code Section 7522.25 (d)
Employees hired on or after May 11, 2015 are not eligible for retiree medical subsidies.
- B. Effective August 13, 2018 (or after the programming and payroll testing has been completed, if later), "Classic/Legacy" employees will contribute 2.0% of their pensionable income as a partial replacement of the mandatory employer contribution.

Effective in Pay Period 15-2019 (July 1, 2019), "Classic/Legacy" employees will contribute an additional 2.0% (for a total of 4.0%) of their pensionable income as a partial replacement of the mandatory employer contribution.

Effective in Pay Period 15-2020 (June 29, 2020), "Classic/Legacy" employees will contribute an additional 2.0% (for a total of 6.0%) of their pensionable income as a partial replacement of the mandatory employer contribution.

Once the required payments begin, they will be credited to the employee's account and designated "employee contributions" for purposes of Government Code section 31631(b). To enable employees to make these contributions with "pre-tax dollars," the County deems the contributions "picked up" pursuant to Internal Revenue Code section 414(h), Government Code section 31581.2, and Santa Barbara County Resolution 02-281.

The above retirement pick-ups to be paid by non-PEPRA represented employees shall be in lieu of any increased member contributions that could be negotiated or otherwise implemented pursuant to California Government Code Section 31631.5.

- C. The County may adjust the employee contribution rates to the Retirement System when such adjustments are based on an Actuary Report, recommended by the Retirement Board and approved by the Board of Supervisors. The effective date of rate adjustments shall be in accordance with the applicable provisions of the County Employees Retirement Law of 1937.

SECTION 20. OVERTIME

- A. The County shall determine those classifications eligible for overtime compensation. Employees in those classifications may be required to work overtime. When properly authorized in advance by the Department Head or his/her designated representative, employees required to work overtime shall receive overtime compensation in accordance with the following provisions.
- B. For employees in classifications represented by the Association, overtime shall be that time worked in excess of eighty (80) hours in any fourteen (14) consecutive day work period, exclusive of standby and call-back time. For the purposes of computing overtime, all regular, scheduled work hours including paid leave except for sick leave shall be considered time worked.
- C. Overtime work is compensable at the rate of time and one-half the regular rate as computed in accordance with FLSA. Overtime shall accrue in increments of tenths (1/10) of an hour (6 minutes), subject to a minimum of two-tenths (2/10) of an hour (12 minutes).
- D. Overtime shall be placed in a Compensatory Overtime account or paid in the pay period in which earned at the choice of the employee. The maximum allowable balance in the Compensatory Overtime account shall be 240 hours. A direction to

take off compensatory overtime by the department head or his designated representative shall be given to the employee at least forty-eight (48) hours before the time off is to be taken.

- E. Requests by employees to take compensatory time off shall not be denied unless the time off would unduly disrupt the operations of the department. Compensatory Overtime shall be used before any leave-without-pay is granted pursuant to Rule XIV of the Santa Barbara County Civil Service Rules.
- F. Except upon termination of employment, hours in the Compensatory Overtime account as of the last pay period ending prior to June 30 and December 31 shall be paid off in cash based on the employee's regular hourly rate of pay in effect at the time of payment. Payments for compensatory overtime hours are taxable as lump sum payments in accordance with IRS and State Franchise Tax board regulations and are subject to withholding as required by law. Overtime earned in the pay period in which a cash payoff is made shall not be included in the automatic payoff of the account balance.
- G. The County shall determine and identify those classifications, which are exempt from overtime compensation. The determination shall be in accordance with the requirements of the Fair Labor Standards Act. Classifications which have been designated as exempt shall not receive overtime compensation, except in an emergency as provided below.
- H. Whenever it becomes necessary to temporarily flex an employee's workdays and/or work hours, the department will give as much notice as reasonably practicable. Decision to flex an employee's work day and/or hours shall be reasonable and operationally focused, and should consider employee work load and work-life balance. Decision to flex an employee's work day and/or hours shall not be arbitrary or capricious. Employee's may request to flex their work schedule for personal reasons during a particular pay period, subject to supervisor approval.
- I. Employees in classifications exempt from overtime compensation and therefore not otherwise eligible for overtime pursuant to this Memorandum of Understanding shall be paid for overtime worked during an emergency as follows:
 - 1. No overtime compensation shall be paid for overtime work during an emergency for the first twelve (12) hours of such emergency overtime work;
 - 2. Overtime compensation shall be paid at straight time for the second twelve (12) hours of emergency overtime work; and
 - 3. Overtime compensation shall be paid at the rate of time and one-half for all hours of overtime worked in excess of twenty-four (24) hours during any such emergency.
- J. "Emergency" for the purposes of Paragraph I of this Section shall mean an emergency in the County of Santa Barbara, duly declared in writing by the Board

of Supervisors, the County Administrator, or Deputy County Administrator, and shall also include emergencies in other jurisdictions in the State of California, approved in writing as an emergency by the County Administrator or Deputy County Administrator of the County of Santa Barbara.

K. Overtime eligible part-time employees who work beyond their regularly scheduled work hours but less than the maximum allowable in their work period, shall be paid at straight time.

L. Employees in classifications exempt from overtime compensation are eligible for administrative leave in accordance with the following provisions:

Salaried employees are compensated for meeting the requirements and performing the duties of their job regardless of the number or scheduling of hours worked. Such employees may be required periodically or routinely to work long or irregular hours, and to attend various meetings and functions outside of normal "business hours" to fulfill their responsibilities.

Due to standards of public accountability and the resulting need for all employees to account for all time for which they are compensated, the County has created a vehicle to record paid time off not charged to accrued leave balances when a salaried employee occasionally works less than his/her regular schedule. This paid time off is called administrative leave. The purpose of administrative leave is to provide a process for authorized leave time to record amounts to be paid to salaried employees when their pay period total regular hours plus any use of vacation, holiday or sick leave is less than their normal schedule (e.g., 80 hours for full-time employees).

M. Approval Required. Salaried employees do not have a right to administrative leave. This leave is not an entitlement, is not related to hours worked (i.e., leave is not granted on an hour-for-hour worked basis), nor is it subject to accrual or payment for unused leave. Use is completely discretionary, upon approval of the department head. Department heads may approve administrative leave in recognition of extraordinary work assignments, excessive work time beyond normal work schedules or to reward outstanding individual performance.

N. Procedure. Salaried employees, after having recorded any regular, sick leave, holiday and/or vacation taken as appropriate in a pay period, may use administrative leave with the approval of their department head. The department head may grant a salaried employee up to 80 hours of administrative leave per payroll year. The County Administrator may approve additional administrative leave upon the written request of the department head.

SECTION 21. SHIFT DIFFERENTIAL PAY

- A. Employees shall receive additional compensation at the rate of \$.75 per hour for all hours worked on an assigned shift when at least half of the hours worked are between 5:30 p.m. and 7:30 a.m.
- B. In lieu of compensation set forth in paragraph A above, employees shall receive additional compensation at the rate of \$3.00 per hour for all hours worked on a regularly assigned shift when the majority of the hours worked are between 12:00 a.m. and 6:30 a.m.

SECTION 22. STANDBY PAY

- A. Payment for standby duty will be made for all hours an employee is assigned to standby duty. The County shall determine the employees assigned to standby duty and the period of time assigned.
- B. Stand-by duty requires that employees so assigned:
 - 1. be ready and take steps immediately to respond within a reasonable time to calls for their service;
 - 2. be readily reachable by telephone or paging device;
 - 3. remain within a specified distance or time from their work stations;
 - 4. refrain from activities which might impair their ability to perform their assigned duties.
- C. The standby pay will be at the rate of \$4.00 per hour for each hour on such standby duty.
- D. No employee shall be paid for stand-by duty time and other compensable duty time simultaneously.
- E. Employees shall not be considered assigned to standby duty unless they are receiving standby pay. There is no such concept as “informal” standby duty where an employee is expected to be on standby without receiving standby pay.

SECTION 23. CALLBACK

- A. Overtime eligible employees shall be compensated for a minimum of two (2) hours when the employee is required to attend a staff meeting during the employee's regular day off.
- B. Employees other than those exempted from overtime compensation who are called back to work shall be compensated at the appropriate overtime rate. Work time shall begin at the time of notification to promptly report to work or, if not promptly, at the time the employee is required to depart to report to work, and continue until

the employee completes work and returns to home (or the location called out from), the nearest regular worksite or the county line, whichever is the shorter distance. A minimum of two (2) hours at the appropriate rate shall be paid in those cases when an employee is required to report to a job site or emergency response location, but the minimum shall not apply if the employee is not required to report to another location.

- C. This provision shall not apply to schedule changes, including but not limited to, "double backs."
- D. Exempt employees assigned to standby duty will receive a payment of \$250 per assigned rotation worked (up to a 24-hour period) in recognition of all work that may be performed during such assignment, whether they are required to report to a separate job site or not. This payment shall not be considered "compensable duty time" for the purposes of Section 22, Part D.

SECTION 24. BILINGUAL ALLOWANCE

An employee, whose duty assignments require regular and frequent use of bilingual language skills in English and either Spanish or Hmong or any other language including but not limited to American Sign Language shall be designated by the department head to receive a bilingual allowance. The department head shall designate the employee in writing to the Human Resources Director prior to being effective. The employee shall retain such bilingual designation only until a change in assignments is reported in writing by the department head to the Human Resources Director. Additional compensation for bilingual duties is payable as an allowance and not as part of basic salary, but shall be payable at the same time as a regular compensation. When a full-time employee is assigned by a department head to duties requiring regular and frequent use of bilingual language skills he/she shall receive an allowance of \$57.69 per pay period. When a part-time employee is assigned to bilingual duties, the bilingual allowance shall be prorated and paid on the same basis that the part-time position is filled and compensated.

- A. Effective as soon as practicable upon ratification of this MOU by the Association membership and approval by the Board of Supervisors, the bilingual allowance will increase to \$65 per pay period.
- B. Effective in Pay Period 15-2023 (estimated date of 6/26/23) the bilingual allowance will increase to \$76.35.
- C. Effective in Pay Period 15-2024 (estimated date of 6/24/24) the bilingual allowance will increase to \$95.00.
- D. Employees in classifications in which the primary responsibility is to interpret/translate between English and any other language shall not be eligible for this allowance.

- E. As used in this section, the phrase "regular and frequent" means at least once each working day, or at least five times each work week. Payment for the bilingual language skill is restricted to the actual needs of the position. An employee's ability to read, write, or speak a foreign language, occasional or incidental use of foreign language skills or the use of bilingual language skills other than for the purpose of meeting the requirements of the job shall not warrant a bilingual allowance.
- F. The parties agree that a new standardized testing process will be in place no later than July 2023. The new standardized testing requirement to qualify for bilingual pay would be prospective; upon implementation, it would not apply to an employee currently receiving bilingual pay unless:
- i. There is a valid business reason regarding that particular employee's ability to perform bilingual duties, validated by documentation, or
 - ii. An employee applies for or is given a new or different assignment, excluding lateral transfers within the same department.

The new testing requirement does not change other current MOU terms related to bilingual assignments.

SECTION 25. CANINE HANDLER DUTY

Employees assigned Canine Handler Duty shall receive an allowance of \$86.07 biweekly. This allowance recognizes that time spent by a canine handler at home in the care, grooming and feeding of his/her assigned canine shall be considered hours worked payable at a rate of \$6.75 per hour, and it is understood that canine handlers normally spend 8.5 hours per pay period performing such work. Written authorization from the Chief Probation Officer or his/her designee must be obtained to perform such work more than 8.5 hours per pay period. Such hours worked shall not be interpreted to be (1) shift extension, (2) callback to work, or (3) scheduled work performed in excess of the regular shift for overtime purposes.

SECTION 26. UNIFORM AND ALLOWANCE

- A. All sworn SPO, DPO Sr, DPO, JIO Sr, and JIO staff will receive a uniform allowance of \$10.00 per pay period. As soon as practicable upon Association ratification and approval by the Board of Supervisors, this allowance will be increased to \$25.00 per pay period.
- B. The Department uniform consists of the Probation uniform polo shirt tucked into black pants (slacks or BDU's with belt loops), a black belt, black socks, and rubber soled shoes or boots that are solid black in color. Only Probation Department jackets, wind breakers or sweat shirts can be worn as outerwear. An approved field vest may also be worn as part of the field uniform.

1. A solid black collarless shirt may be worn underneath the Probation uniform polo, or under a field vest in lieu of the Probation uniform polo. If the field vest is removed when wearing a black shirt in lieu of the Probation uniform polo, the field vest must be immediately replaced by the Probation uniform polo.
 2. Only Department issued caps can be worn and should only be worn when outdoors. When the Department issued cap is worn it must be worn as designed, facing forward.
 3. During cold weather months, with the prior approval of the facility Supervising Probation Officer (SPO) or Manager, Institutions staff may wear a Department issued beanie as head covering. As outlined in section 2 above involving caps, beanies may only be worn outdoors.
 4. Khaki pants (slacks or BDUs with belt loops) may be worn in the office and to meetings as an alternative to the black uniform pants. Khaki is not to be worn when in the field or in an institution setting.
 5. During very warm weather months, with the prior approval of the facility Supervising Probation Officer or Manager, Institutions staff may wear black shorts in lieu of the black uniform pants.
 6. Court Hearing Officers appearing in sentencing court will wear court attire. Appearances in Collaborative Courts or for Review calendars can be conducted in the uniform or court attire.
 7. There may be occasions when officers are performing non-law enforcement duties or surveillance and a field uniform may not be recommended. These situations must be pre-screened with a Supervising Probation Officer (SPO) or Manager for approval to wear court attire or special duty attire.
 8. All clothing must be clean, wrinkle-free, in good condition, free from holes and not faded.
- C. Newly hired officers covered by Article A of this Section will be provided \$400 in credit for a single purchase of uniform clothing available through the Department.
1. If the single purchase is greater than \$400 the officer is responsible for reimbursing the excess at the time of the order. If the single purchase is less than \$400 any unspent credit expires.
- D. Officers covered by Article A of this Section who are promoted after having received an initial allotment of clothing will receive five (5) shirts with their new classification at no cost.

- E. In the event of a conflict between existing Department policy and the MOU, the MOU will override the policy.
- F. Changes to this items covered in this Section of the MOU may be made during the term of the contract by mutual agreement of the parties.

SECTION 27. SAFETY EQUIPMENT

Both parties agree that an initial list of base safety equipment issued to staff upon hire and/or change of assignment will be established through joint Labor - Management Committee meetings. Both parties also agree that revision and/or updates to this initial list that may be needed during the term of this agreement will be handled through the joint Labor Management Committee.

SECTION 28. MILEAGE REIMBURSEMENT AND TRAVEL TIME

- A. Employees who, when authorized by their department, use their personal vehicle for County business shall be reimbursed for each mile driven on County business. Said reimbursement shall be at the amount per mile exempted by the Internal Revenue Service for reporting of income. If there are any changes I.R.S. exemptions, the County shall notify the Association.
- B. If a non-exempt employee is required to travel to a work location other than the regularly assigned work location, the employee shall be compensated for the normal travel time required from the regularly assigned location to the alternate work location, or the travel time from the employee's home to the alternate work location, whichever is less.
- C. Employees required to report to work at Los Prietos Boys Camp shall receive a travel reimbursement of \$6.00 per round trip.

SECTION 29. TUITION AND TEXTBOOK REIMBURSEMENT

- A. To the extent funding is available, the County shall, for those employees represented by the Association, provide for tuition and textbook reimbursement for regular full-time employees up to a maximum of \$500 per fiscal year and in accordance with administrative regulations governing this program as determined by the County. Only costs for textbooks required for approved courses shall be deemed reimbursable through this program. Effective in pay period 2023-15, the maximum shall be increased by \$500 to \$1,000, and effective in pay period 2024-15, the maximum shall be increased by \$500 to \$1,500 total.
- B. Prior to the pay period 2023-15 increase, the County will revise the administrative regulations governing this provision. The County shall notify the Association of the changes, and upon request, negotiate the changes to the extent those changes are within the scope of representation.

Tuition reimbursement for regular part-time employees shall be prorated based on their part-time percentage.

- C. Notwithstanding the above, the parties shall refer issues relating to program design, procedures and funding to the Labor Management Committee for its consideration and recommendations to the Board of Supervisors.

SECTION 30. ARMED OFFICER TRAINING

Separate from range qualification and to the extent a range and Rangemaster are available, armed officers will be provided the opportunity to participate in firearms training no less than quarterly.

SECTION 31. TRANSPORTATION DEMAND MANAGEMENT (TDM)

Employees shall be eligible to participate in the County's TDM program and receive related benefits including the Alternative Commute Incentive.

SECTION 32. WORK SCHEDULES

Based on operational needs, the Department may utilize the following work schedules:

- 5/8, meaning a regular work schedule in one week of five consecutive eight-hour days.
- 9/80, meaning a regular work schedule in two weeks of eight, nine-hour days and one eight-hour day.
- Modified 9/80, meaning a regular work schedule in two weeks of 8, nine-hour days and two, four-hour days.
- 4/10, meaning a regular work schedule in one week of four consecutive ten-hour days.
- 12, meaning, a regular work schedule in two weeks of six, twelve-hour days and one, eight-hour day.

The County recognizes the value that many employees place on a regular work schedule. The County, however, retains the right to adjust employee work schedules for operational reasons. Employee schedules shall not be altered for arbitrary or capricious reasons.

Employees will be given as much notice as possible of a change in their regular work schedule and in no case less than one week. This in no way restricts the Department's right to temporarily cover minimal operational staffing under emergency situations.

SECTION 33. WORK LOCATION

Except in cases of emergencies, employees will not be reassigned from their designated normal work location without prior notice. If the reassignment is intended as a permanent change, management shall give the employee at least one-week advance notice. The designated normal work location is the place at which the employee spends the largest part of their regular workdays or working time or the place to which they return upon

completion of special assignments. Said notice provision may be waived by written agreement of the employee. This in no way restricts the Department's right to temporarily cover minimal operational staffing under emergency situations.

SECTION 34. EMPLOYEE PERSONNEL FILES

- A. All personnel files on an employee maintained by the County and the department will be open for inspection by that individual or his/her authorized representative at the employee's request during business hours by appointment. He/she will be shown all contents of the file except those materials designated confidential by law. Copies will be provided to the individual upon his/her request.
- B. No material relating to performance appraisal, disciplinary action, or any derogatory comment, shall be placed in an employee's personnel file without the employee first being given an opportunity to read such material and attach a reply if the employee desires, which shall remain with said material.

SECTION 35. REDUCTION IN WORK FORCE

- A. In the event of significant layoffs or reductions in employees represented by the Association, the County agrees to provide notice and confer with the Association regarding the situation.
- B. It is recognized that any reduction in force shall be accomplished in accordance with the County's layoff procedures which are set forth in the rules of the Civil Service Commission.
- C. In the event of proposed rule changes in the area of layoff, the County agrees to notify the Association in writing prior to the time any action to change said rules is taken. The County shall meet with the Association regarding the proposed changes upon request of the Association.

SECTION 36. SAFETY

- A. The County recognizes its obligation to provide and maintain a safe and healthy working environment for its employees.
- B. The Association and County agree that it is in the best interest of all to provide a safe and healthy working environment and that this requires a cooperative effort by all concerned.
- C. An employee who observes an unsafe condition shall report the matter to his/her supervisor or other designee.
- D. The Probation Department shall maintain a safety committee composed of management and employee representatives. Employee representatives shall be

representative of the geographic locations and functional duties of the department and be selected by the employees themselves from a list of volunteers/nominees. The purpose of the committee is to evaluate safety concerns and to make recommendations to the department head. Committee meetings would be held quarterly or as otherwise agreed by the committee members.

- E. Allegations regarding violations of this Section shall be processed in accordance with the County's Safety Policy.

SECTION 37. AUTOMATIC PAYROLL DEPOSIT

All employees covered by this agreement shall participate in the County's automatic payroll deposit program. Participation shall mean the employee's execution of a payroll authorization form and submission of a voided check or savings deposit slip to the Auditor's office. It shall be the employee's choice as to which bank he/she designates as the institution receiving the payroll funds.

When the authorization is properly executed and filed with the Auditor, the County shall automatically deposit in the employee's designated bank account the net amount of pay each designated biweekly payday.

SECTION 38. DAMAGED OR LOST PROPERTY

The County's policy regarding repair or replacement of personal property damaged or lost in the course of employment is contained in the Administrative Policies and Procedures Manual.

SECTION 39. GRIEVANCE PROCEDURE

A. Purpose

1. To promote improved employer-employee relations by establishing a grievance procedure to afford employees, individually or through qualified representation, a systematic means of obtaining consideration of complaints, questions, and disputes which constitutes grievances as hereinafter defined.
2. To enable grievances to be settled as promptly and as closely as possible to the point of origin.

B. Definition

A grievance shall be defined as a claim by an employee or group of employees adversely affected by an alleged violation, misinterpretation or misapplication of this Memorandum of Understanding or other written County policy or rule

applicable to the employee, except the following issues that provide their own means of administrative review:

1. Any matter that can be appealed to the Santa Barbara County Civil Service Commission.
2. Complaints relating to discrimination, occupational health and safety, Worker's Compensation and Retirement Board matters shall be processed pursuant to established County complaint procedure in these areas.

C. Basic Rules

1. Nondiscrimination - Any employee (meaning a grievant), as that term is defined above, may file grievance or may authorize by signature the filing of a grievance on his/her behalf without fear of restraint, interference, coercion, discrimination or reprisal.
2. Grievance forms
 - a. Formal grievance forms shall be made available to the employee through the Human Resources Department, the Probation Department and/or the Association, and all formal grievances shall be submitted on these forms.
 - b. Grievance forms must be complete upon filing and must clearly and concisely state the nature of the complaint including explicitly specifying the particular section of the agreement or rule, the violation of which is being alleged as the basis for the grievance. The remedy requested must also be specified.
3. No modifications in the basic violation being alleged pursuant to section (2) (b) shall be made subsequent to filing unless mutually agreed to by both the County and the grievant or his/her representative.
4. Notice of Meetings - Both the County and the grievant or his/her representative shall be responsible for giving notice of meetings and conferences to their representative parties at least twenty-four (24) hours prior to any meeting regarding a grievance whenever possible.
5. Right of Representation
 - a. The employee has the right to the assistance of one employee representative in addition to a staff representative of the Association in the preparation and/or presentation of his/her grievance, provided, however, that supervisory employees shall not represent non-

supervisory employees where such activity would result in a conflict of interest.

- b. An employee is also entitled to represent him/herself individually at any step of the Grievance Procedure.
