Recommended Actions:

That the Board of Supervisors:

- A. Approve and direct execution and recordation by the Clerk of the Board of a new prime Agricultural Preserve contract 09AGP-00000-00028 involving Assessor's Parcel Number 129-170-025, located at 4261 Dominion Road, approximately 3 miles from the intersection of Highway 101 and Clark Road, in the Santa Maria area, Fourth Supervisorial District.

Summary Text:

The subject property is a 75.15 acre legal parcel, fully planted with irrigated blueberries. On April 2, 2010, the Agricultural Preserve Advisory Committee reviewed the project and found it to be consistent with the Uniform Rules for Agricultural Preserves and Farmland Security Zones.

Background:

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Uniform Rules for Agricultural Preserves and Farmland Security Zones. Both the County's Uniform Rules and

the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

There are no fees associated with agricultural preserve contracts. The cost for the contract review and preparation of this report is estimated to be \$1,823.00, and is budgeted in the Agricultural Planning program on Page D-323 of the adopted 2009–2010 fiscal year budget.
