Reasons to support exemption findings: As set forth in the California Environmental Quality Act (CEQA) Guidelines, Section 15301 of the California Code of Regulations provides an exemption for the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The proposed action will allow the County's Public Health WIC Program to continue to lease office space at the building located at 5201 Eight Street, in Carpinteria, which does not involve any physical changes or expansion of use, and therefore, has no potential effect on the environment.
