SUBJECT: Resolution Authorizing Grant Application for Federal Early Learning Opportunities Act Discretionary Funds

Recommendation(s):

That the Board of Supervisors:

Adopt the attached resolution designating the Santa Barbara County Child Care Planning Council as the eligible entity to apply for an Early Learning Opportunities Act Discretionary Grant, HHS-ACF-CCB-ELOA-04-01, and authorize the Council to submit a grant in an amount not to exceed \$1 million, and administer the grant, if funded.

Alignment with Board Strategic Plan:

The recommendation is primarily aligned with Goal No. 1: An efficient government able to respond effectively to the needs of the community; Goal No. 2: A safe and healthy community in which to live, work, and visit; Goal No. 5: A high quality of life for all residents; Goal No. 7: A community that fosters the Safety and well-being of families and children; and our organizational values regarding leadership, initiative, innovation, collaboration and partnering.

Executive Summary and Discussion:

The Federal Department of Health and Human Services Administration for Children and Families is currently accepting applications for the Early Learning Opportunities Act Discretionary Grant Funds. The grant requires the local government to designate a local council, appointed by the local government, as the entity eligible to apply for these funds and administer them if funded.

The Santa Barbara County Child Care Planning Council is proposing to be the designated council (lead agency) to submit an application not to exceed \$1,000,000 for countywide Early Learning Opportunities activities. The application will be developed in collaboration with the California Institute on Human Services at Sonoma State University and the Santa Barbara County Office of Early Care and Education. If awarded, grant funds will be used to implement StoryQUEST, a program training teams of early care and education providers, parents and community leaders to implement research-based methods and approaches to enhance early language and literacy experiences for infants and toddlers. The California Institute on Human Services, which developed StoryQUEST, will manage the program and will work in collaboration with the Child Care Planning Council, the Office of Early Care and Education, First 5 and other local agencies. A 15% match of the total approved project cost will be provided as required as part of the grant application process. The match requirement may be fulfilled by in-kind contributions. California Institute on Human Services staff time and equipment, Child Care Planning Council member and staff time, and StoryQUEST materials will be used to satisfy the match requirement.

An outline of the grant guidelines is attached. The grant document is available at the Santa Barbara County Child Care Planning Council office.

Mandates and Service Levels:

No mandates or impacts to service levels with this action.

Fiscal and Facilities Impacts:

No fiscal or facilities impacts with this action. The Santa Barbara County Office of Education will be the fiscal agent as well as the administrative agency for this grant. California Institute on Human Services staff time and equipment, Child Care Planning Council member and staff time, and StoryQUEST materials will be used to satisfy the matching funds requirement.

Special Instructions:

Clerk of the Board to provide one certified copy of the resolution to the Santa Barbara County Child Care Planning Council Coordinator, Valerie Kolstad and Santa Barbara County, Department of Social Services, Diana Klopp.

Early Learning Opportunities Act

Agency: Administration on Children, Youth and Families

Deadline: July 27, 2004

Purpose: The Early Learning Opportunities Act was passed by congress to award grants to States to enable them to increase, support, expand and better coordinate early learning opportunities for children and their families through local community organizations (included all federal CCDBG funds). The purposes of the Act are to:

- Increase the availability of voluntary programs, services and activities that support early childhood development, increase parent effectiveness, and promote the learning readiness of young children so that they enter school ready to learn
- Support parents, child care providers, and caregivers who want to incorporate early learning activities into the daily lives of young children
- Remove barriers to the provision of an accessible system of early childhood learning programs in communities throughout the US
- Increase the availability and affordability of professional development activities and compensation for caregivers and child care providers;
- Facilitate the development of community-based systems of collaborative service delivery models characterized by resource sharing, linkages between appropriate supports, and local planning for services.

If the amount appropriated for this program is less than \$150 mil, grants are awarded to Local Councils that can best assess their community needs and create a plan to facilitate the development of community-based systems and collaborative service delivery models.

Eligibility: Local Councils that have been so designated by a local government entity, Indian Tribe, Regional Corporation, or Native Hawaiian entity. Must submit the results of a current needs and resources assessment, documenting the needs of the young children and families in their locality, as well as a local plan that addresses the most significant needs. The plan must include activities for "Enhancing Early Childhood Literacy". Encouraged to incorporate strategies to promote the involvement of faith-based providers.

Allowable Activities (must address #1 plus two of the others):

1. Enhancing Early Childhood Literacy
2. Helping parents, caregivers, child care providers and educators increase their capacity to facilitate children's development
3. Promoting effective parenting
4. Developing linkages among programs, and between programs and health services
5. Access to early learning opportunities young children with special needs by facilitating coordination of services
6. Access to existing early learning program by expanding days or times served, number served, or affordability
7. Improving quality through professional development
8. Removing ancillary barriers, including transportation and nontraditional hours
