The Board of Trustees determines that May 31, 2022 is an acceptable date for withdrawal of the District's money from the County Treasury.

NOW THEREFORE BE IT RESOLVED, that the District intends to transfer the District's money from Santa Barbara County Treasury in accordance with the District Investment Policy that conforms with Health and Safety Code section 9077, including the following:

The procedures provide that bond principal and salaries shall be paid when due. Claims and demands must be approved and signed by a board approved signer before payment if the District treasurer determines that the claims and demands conform to the District's approved budget.

The Board designates Union Bank as the depository of the district's funds. A bank or savings and loan association may act as a depository, paying agent, or fiscal agency for the holding or handling of the district's funds, notwithstanding the fact that a member of the board of trustees whose funds are on deposit in that bank or savings and loan association is an officer, employee, or stockholder of that bank or savings and loan association, or of a holding company that owns any of the stock of that bank or savings and loan association.
