BALLOT MEASURE FULL TEXT OF MEASURE

This proposition may be known and referred to as the Santa Ynez Valley Union High School District General Obligation Bond of 2012, or Measure _____

BOND AUTHORIZATION

By approval of this proposition by at least 55 percent of the registered voters voting on the proposition, the Santa Ynez Valley Union High School District (the "District") shall be authorized to issue and sell bonds of up to \$19,840,000 in aggregate principal at interest rates below the legal limit, to provide financing for the specific school facilities projects listed in the Bond Project List attached hereto as Exhibit A-1, subject to all the accountability requirements specified below.

BOND PROJECT LIST

The Bond Project List attached to this resolution as Exhibit A-1 shall be considered a part of the ballot proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition.

Approval of this Bond Measure (the "Measure") does not guarantee that the proposed project or projects in the District that are the subject of bonds under the Measure will be funded beyond the local revenues generated by the Measure. If state matching funds become available, they will be used for and applied to the Bond Project List as per Exhibit A-1.

The school district's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers in the District may be assured that their money will be spent wisely to address specific facilities needs of the District all in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Evaluation of Needs. The Board has prepared an updated facilities plan in order to evaluate and address all of the facilities needs of the District. The Board hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List contained in Exhibit A-1.

Independent Citizens' Oversight Committee. The Board shall establish an Independent Citizens' Oversight Committee pursuant to Education Code Section 15278 and following to

ensure bond proceeds are expended only on the school facilities projects listed in Exhibit A-1. The committee shall be established within 60 days of the date when the results of the election appear in the minutes of the Board.

Performance Audits. The Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed in Exhibit A-1.

Financial Audits. The Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed in Exhibit A-1.

Special Bond Proceeds Account: Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent of the District shall cause a report to be filed with the Board annually stating (1) the amount of bond proceeds received and expended in that year, and (2) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the Superintendent shall determine and may be incorporated in the annual budget, audit, or another appropriate routine report to the Board.

FURTHER SPECIFICATIONS

No Administrator Salaries. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction and/or rehabilitation of school facilities including the furnishing and equipping of school facilities or acquisition or lease of real property for school facilities and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

The proceeds of the bonds will be deposited into a Building Fund to be held by the Santa Barbara County Treasurer, as required by the California Education Code.
