Recommended Actions: That the Board of Supervisors:

- a.) Authorize the Chief Probation Officer to apply for and accept the anticipated Anti-Drug Abuse (ADA) Enforcement Team Recovery Act Program award in the amount of \$313,492 from the California Emergency Management Agency (Cal EMA) for the two year funding cycle of March 1, 2010 to February 12, 2012.

Summary Text:

During the period covered by the ADA grant, Santa Barbara County will use the funds to increase the effectiveness of the Santa Barbara Regional Narcotic Enforcement Team (SBRNET), a multi-jurisdictional narcotic task force which targets narcotic vendors operating in, or trafficking through the County. The ADA Enforcement Team Recovery Act Program funds will supplement the task force activities by ensuring the ability of the task force members to provide increased staff hours through the use of overtime.

Background:

Each year federal funding is provided to counties via the ADA Enforcement Team Program to support multi-jurisdictional task forces to combat street to mid-level drug sales, manufacturing and distribution. The task forces integrate federal, state and local law enforcement agencies and prosecutors for the purpose of enhancing interagency coordination and intelligence, and to facilitate multi-jurisdictional

investigations. The ADA Enforcement Team Recovery Act Program is intended to enhance the on-going ADA Enforcement Team program. Santa Barbara County's ADA funds have historically been utilized to support the Santa Barbara Regional Narcotic Enforcement Team (SBRNET), a local multi-jurisdictional drug task force.

SBRNET is a collaborative effort between all local law enforcement agencies to apply specific strategies designed to reduce the flow of narcotics through the County. The project uses searches, buy-bust operations and street sweeps as some of the tactics by which to accomplish the desired reduction of narcotic distribution in Santa Barbara County. The agencies involved in the project include the Santa Barbara County Probation Department, the Santa Barbara County District Attorney's Office, the Santa Barbara County Sheriff's Department, the Santa Barbara Police Department, the Lompoc Police Department, the Santa Maria Police Department, the Guadalupe Police Department, the State of California Highway Patrol and the State of California Department of Justice, Bureau of Narcotic Enforcement. Santa Barbara County Department of Social Services (DSS) has also been involved in the team's efforts through a Drug Endangered Children (DEC) Program that has been in place since 2005. A Child Welfare Services (CWS) worker from DSS has been available to the team on call, as needed.

Cal EMA requires funding decisions to be determined through the use of a steering committee with representation from each of the disciplines comprising the team as well as the Director of the County Alcohol and Drug Program and a City Attorney. The SBRNET Steering Committee has a long history of working together to develop the allocation plan for funds supporting the team. On February 17, 2010, the Steering Committee met and reviewed the grant parameters and discussed the needs of the team. The grant parameters do not allow for the funds to be used to support the base salary or benefit package for any existing team members. After considering the options, the Committee determined that the best use of the funds would be to allow the team investigation time to be increased by supporting the overtime costs of each of the agencies. Due to the dynamics of narcotic investigations, overtime costs are unavoidable and can make the difference between a successful versus an unsuccessful operation. By allocating these additional funds toward overtime, SBRNET's ability to investigate and manage large cases effectively will be increased dramatically. DSS will also be able to utilize overtime funds as necessary to ensure their ability to respond to the needs of any children that are contacted during the course of SBRNET investigations.
