Board of Supervisors,

I am an immigrant, single mother of 3, who needs to work everyday to support my children. If I was getting paid to show up at the meetings like Supervisor Hart, I would be definitely be there every time. Since I find that you are not protecting our freedoms and our rights and seems to me that your goal is to control us and force us into compliance I will be determined to show up at this meeting with more frequency, even when I have to take a day off from my job and not get paid. There is many of us who do not agree with your policies, some don't show up because they have to work, and some because they feel that they are talking to a wall!

I feel that actually I will enjoy watching Supervisor Das Williams tantrums in real time.

We have many of people that are not happy with the work you are doing!

Thank you for your attention!
