Alignment with Board Strategic Plan:

The recommendations are primarily aligned with Goal No. 2 Ensure the Public Health and Safety and Provide Essential Infrastructure.

Subject: ReHab Demolition/ADMHS Building Project
2nd Supervisorial District
Agenda Date: Oct. 8, 2002
Page 2

Executive Summary and Discussion:

In 2001, the County Board of Supervisor's adopted a county building program to be administered by the Office of the County Architect. In that program, the Board authorized the County Architect to develop a new project to replace the failing old hospital structure that has been used by the Rehabilitation Institute at 427 Camino Del Remedio, Calle Real Campus. The new building will house the administrative offices for Alcohol, Drug and Mental Health Services (ADMHS) and the Santa Barbara Children's program (MISC), administered by ADMHS (currently located on Haley Street in Santa Barbara). The gross square footage of existing structures on the project site is ~35,000. The new replacement structure is 13,000 square feet. This is an administrative government function and as such has normal operating hours between 7:30am and 5:30pm, Monday to Friday. There are no evening hours. The services offered are for public assistance in a multiple agency (team) delivery system, which include ADMHS, Social Services, Child Support Services and others. The project will require 52 parking spaces, all of which will be placed adjacent to the new building and screened with landscaping. This project is consistent with the Facility Policy Framework Ordinance (Ord. 4452) adopted Board in March of this year.

Phase I of this project is the demolition of the existing, old hospital, and is the subject of this letter. A CEQA exemption for the entire project, citing CEQA paragraph 15301(b), was filed with the County Clerk's office July 12, 2001, (see attached). A Government Code Section 65402(a) review by the Development Review Division was completed August 1, 2002, (attached) wherein it was found that the demolition work is in conformity with the Comprehensive plan for the County of Santa Barbara.

Bid opening is scheduled for October 31 and demolition is planned to begin in mid November of 2002, with completion anticipated for January of 2003. The overall budget for this work is not affected by this action.

Mandates and Service Levels:

No change in service levels.

Fiscal and Facilities Impacts:

This demolition project is estimated to cost \$187,000. It is being funded with Certificates of Participation (COPs) The COPs will be paid back over a 20-year term using ADMHS Haley Street Lease funds. Funds for the current fiscal year have been appropriated and are available in Fund 0030 Department 063, Account 8700, Program 1930, Project 8612. It is shown in the Department Summary as *Capital Improvements* on page B-44 of the Santa Barbara County Budget for FY 2002-2003.

Special Instructions:

Upon approval and execution, the Clerk should distribute as follows:

1. Original document - retain for Board's Official file
2. Dupl. orig. document & Minute Order - Attn: Grady Williams, GS/Facilities Svcs Div,
Courthouse, 2nd Floor Annex
