To Whom It May Concern:

My name is Franck Nshamamba and I am a resident at 125 Derrick Alley in Old Orcutt. I have resided here for a year and a half and am proud to be a part of this tight nit community.

I was recently informed of a possible new project on First Street (approximately two blocks from my home) that will provide Veterans with housing. I think this is a great idea and would support, as well as welcome these individuals in the community.

I feel confident that with this project being managed by Good Samaritan Shelter that these individuals would be able to get the support they need to regain their independence. Good Samaritan does a lot for the needy in our area and I am happy to show my support for this project.

I hope that all of the community members would feel the same way about helping veterans.

Sincerely,

Franck Nshamamba

To Whom It May Concern:

Ref: Good Samaritan Shelter (sober living home)

My name is Leticia Herrera and I am the next door neighbor of the house owned by the Good Samaritan Shelter on East Hermosa St in Santa Maria. I have had the good fortune of working in the community and also collaborating with The Good Samaritan Shelter, as a Family Service Worker with Community Action Commission. Through my professional carrier as well as my personal life I have seen first-hand how the community has benefited by the services they provide.

My family and I have been living next to their Hermosa home for three years and during this time we have had no issues with any of their tenants. The house is always well kept and the tenants have always been respectful to my family and I. The personnel that runs the house encourages us to voice our concerns or questions. I have no issues with having these homes in our community, I believe that they are good for the community and we need to be supportive, if we want to see change, there has to be more option available for these families, not turn our backs on them.

If you have any questions feel free to contact me (805)863-3550.

Thank You,

A handwritten signature in cursive script that reads "Leticia Herrera". The signature is written in black ink and is positioned above the printed name.

To Whom It May Concern:

I am writing this letter in support of Good Samaritan Shelter's endeavour to open a low income veteran housing program in Old Orcutt. I am resident of Old Orcutt and would be happy to be a neighbor to struggling fellow veteran. I am a retired Colonel of the United States Army and support any agency that is willing to assist others that fought for our country.

All of Good Samaritan's programs are well run and maintained and their track record is impressive. I am confident that this will be another such program and our community can stand up proudly that we are part of a project that is housing veterans. If you have any further questions please feel free to call me at 805-937-5041.

Sincerely,

A handwritten signature in black ink, appearing to read 'Erland Matson', with a long horizontal flourish extending to the right.
