Recommended Actions:

That the Board of Supervisors consider the following recommendations:

- a) Approve, ratify, and authorize the Public Health Department Director to accept and receive donations from Direct Relief International, a 501(c)(3) organization, of pharmaceutical inventory replenishment and other safety net support in the amount of \$976,415.70 provided to the Public Health Department during the 2022 calendar year; and
- b) Approve Budget Revision BJE 0008794 recognizing the value of the donations in the amount of \$976,500, as revenue and expense to the Public Health Department, and;
- c) Determine that the proposed actions do not constitute a "Project" under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15378(b)(5) because the actions are organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment.

Summary Text:

This item is on the agenda for your Board to approve, ratify, and authorize the Public Health Director to accept donated items from Direct Relief International (DRI), a 501(c)(3) organization. DRI has made significant donations in the form of pharmaceutical replenishments and other safety net support to the

Public Health Department valued at \$976,415.70. Similarly, DRI also donated pharmaceutical replenishments and other safety net support to the County Department of Behavioral Wellness, valued at \$3,012.00. Per County policy, Behavioral Wellness has already accepted \$3,012.00 of the total amount. The combined total amount donated by DRI during the 2022 Calendar year was \$979,427.70. A detailed listing of the departments and the types of support is included as Attachment A.

In accordance with County Policy D4.1, a donation of over \$10,000 requires acceptance by the Board of Supervisors.

Background:

The Public Health Department (PHD), along with the other County Departments of Behavioral Wellness, Sheriff’s Office, Fire, and the Office of Emergency Management, have long enjoyed a strong relationship with DRI for support during emergencies and disasters. During Calendar year 2022, DRI provided \$979,427.70 in donated safety net support to County Departments.

The overwhelming majority of this support was to the Public Health Department (PHD) and it took the form of both:

- Replenishments of inventory as part of a Pharmaceutical Assistance Program in which eligible low-income PHD Health Center patients are provided access to free pharmaceuticals. Prescriptions for eligible patients are filled from drug inventory at the PHD pharmacies, which is then replenished by DRI.
- Safety Net support of hygiene products, personal protection equipment, and other wellness supports to the PHD Healthcare for the Homeless program and the various Health Care Centers.
- Safety Net support of a Pharmacy refrigerator asset to provide storage for pharmaceuticals.

The table below details the amounts per department by area of support:

Direct Relief Support 2022	
Carpinteria Health Care Center	\$2,181.95
County of Santa Barbara Public Health	\$18,486.76
County of Santa Barbara Public Health Pharmacy	\$887,819.46
Health Care for the Homeless ADMIN	\$2,672.18
Health Care for the Homeless- Franklin	\$2,097.95
HealthCare for the Homeless Lompoc	\$959.77
Healthcare for the Homeless Shelter Clinic - Santa Maria	\$7,885.36
Public Health Pharmacy	\$22,269.47
Public Health Pharmacy Lompoc	\$29,972.57
Santa Maria Healthcare Clinic	\$1,972.00
Women, Infants and Children (WIC) Program	\$98.23
Total PHD	\$976,415.70
Santa Barbara County Department of Behavioral Wellness	\$3,012.00
Total SB Co	\$979,427.70

While on a calendar, not Fiscal, year basis, through a review of pharmaceutical and other records, it has been deemed that this is a representative twelve months for a budget revision to amend the current FY 2022-23 PHD Adopted Budget. Since based on County policy, the reportable amounts are all within the

Public Health Department, and the Budget Revision will only amend the PHD Adopted Budget in the amount of \$976,500 to record and reflect the donations to the PHD.

Fiscal and Facilities Impacts:

Budgeted: No

Fiscal Analysis:

<u>Funding Sources</u>	<u>Current FY2022-</u>		<u>Total One-Time</u>
	<u>23 Cost:</u>	<u>Ongoing Cost:</u>	<u>Project Cost</u>
General Fund			
State			
Federal			
Fees			
Other:	\$ 976,500.00	\$ -	\$ 976,500.00
Total	\$ 976,500.00	\$ -	\$ 976,500.00

The total financial impact of this donation includes \$976,415.70 in value for the PHD for pharmaceutical replenishments and safety net supports. An additional \$3,012.00 was donated to the County Department of Behavioral Wellness. That donation was under the threshold for County Board acceptance and while mentioned here, is not part of the Budget Journal Entry to amend the Adopted Budget and record the donation. Budget Journal Entry BJE-0008794, Attachment 2, recognizes the value of the donations as revenue to the PHD with a commensurate entry recorded as use of funds.
