The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall eliminate or reduce the Special Tax on the appellant's property and/or provide a refund to the appellant. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the Board by filing a written notice of appeal with the County Clerk, provided that the appellant is current in his/her payments of Special Taxes. The second appeal must specify the reasons for the appellant's disagreement with the CFD Administrator's determination. The CFD Administrator may charge the appellant a reasonable fee for processing the appeal.

Interpretations may be made by the Board by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment.
