TO: Board of Supervisors
FROM: Department Jose Chang, Agricultural Commissioner/Director
Director 805-934-6200
Contact Info: Stephanie Stark, Deputy Commissioner or Kendra Stites, Admin.
806-681-5600
SUBJECT: Sudden Oak Death (SOD) Program Agreement Number 23-0413-025-SF with the
California Department Food and Agriculture (CDFA)

County Counsel Concurrence

As to form: Yes

Other Concurrence: Risk Management

As to form: Yes

Auditor-Controller Concurrence

As to form: Yes

Recommended Actions:

That the Board of Supervisors:

- A. Approve, ratify and authorize the Chair of the Board of Supervisors to execute an agreement with the California Department of Food and Agriculture for services related to the Sudden Oak Death Program in the County of Santa Barbara for the period of July 1, 2023 through June 30, 2024 in the amount of \$3,917.34
- B. Determine that the above action involves government funding mechanisms and/or fiscal activities and is not a project under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section CCR 15378(b)(4).

Summary Text:

This item is on the agenda for the Board of Supervisors to approve, ratify, and authorize an agreement with the CDFA to receive reimbursement for the SOD Program. This ongoing program ensures that Santa Barbara County is free from *Phytophthora ramorum*, the causal agent of the plant disease SOD. Reimbursable activities in the form of response to detections and reporting are required to enable commercial nurseries that ship hosts of the disease out of state to meet the requirements of the Federal quarantine.

Background:

The ongoing funding is made available through the United States Department of Agriculture (USDA) and is distributed through the CDFA to the County Agricultural Commissioner’s Office. SOD is a plant disease that has not been found in Santa Barbara County, but has become established in coastal California from Humboldt County south to Monterey County. The disease is fatal to a specific group of plants, including oaks, redwoods, and bay trees, and has caused significant damage to the forests in northern and central California. The USDA has implemented a Federal Domestic Quarantine to prevent the spread of *Phytophthora ramorum*.

Performance Measure:

N/A

Contract Renewals and Performance Outcomes:

N/A

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

<u>Funding Sources</u>	<u>Current FY Cost:</u>	<u>Annualized On-going Cost:</u>	<u>Total One-Time Project Cost</u>
General Fund			
State	\$ 3,917.34		
Federal			
Fees			
Other:			
Total	\$ 3,917.34	\$ -	\$ -

Narrative: The revenue from agreement is included in the FY 23/24 budget for the Agricultural Commissioner’s Office.

Key Contract Risks:

If funding for any fiscal year is reduced or deleted for purposes of this program, the CDFA will have the option to either terminate this Agreement with no liability occurring to the CDFA, or offer to amend the Agreement to reflect the reduced amount.

Staffing Impacts: None

Legal Positions:

FTEs:

Special Instructions:

Please return a fully executed signature page for Standard Agreement No. 23-0413-025-SF and a minute order to the Agricultural Commissioner’s Office.
