Summary Text:

This report is submitted in accordance with Civil Service Rule 202 (c) and summarizes the hearings and investigations conducted by the Civil Service Commission in Fiscal Year 2014-2015.

Background:

Santa Barbara County voters established the current Civil Service System on November 3, 1970. As noted in the County Code, the basic purpose of the Civil Service System is “to establish and maintain a fair and equitable employment relationship between the County and its employees, which will promote and increase efficiency and economy in County service.”

The Civil Service Commission consists of five members, one appointed from each supervisorial district, charged with the administration of the Civil Service System within the County. The Commission holds hearings on appeals of disciplinary actions as provided by the Civil Service Rules; holds hearings on discrimination complaints; conducts investigations concerning the administration of personnel or conditions of employment; makes recommendations on Civil Service Rules and advises the Board of Supervisors; and submits an annual report to the Board of Supervisors.

Attachment 1 is the required annual report for Fiscal Year 2014-2015; the recommended action receives and files this report.

Fiscal Analysis:

The total basic operating expenses of the Civil Service Commission in Fiscal Year 2014-2015 were approximately \$46,900 as detailed in the attached report, which excludes productivity costs of some additional staff time in Human Resources and in County Counsel. In addition, individual departments incur costs related to hearings and appeals involving their employees.
