**Summary Text:**

At the Planning Commission hearing of October 10, 2007, the Commission voted to take action as stated above. The Planning Commission's October 10, 2007 Action Letter is included as Attachment E of this Board Letter, and the September 19, 2007, staff report is included as Attachment G of this Board Letter.

The proposed project consists of the placement of one legal parcel into one Agricultural Preserve. The parcel qualifies for enrollment into the preserve program as a "nonprime" preserve pursuant to Uniform Rule 6, Section I.C.1.a and meets the minimum 100 acres parcel size required for a nonprime preserve. The nonprime preserve would consist of approximately 125 acres. In addition, this project includes a rezone for Assessor's Parcel number 147-100-064 from the U (Ordinance 661) to the AG-II-100 (Land Use Development Code) Zone Designation.

**Background:**

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Agricultural Preserve Program Uniform Rules. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

Government Code §658565 requires that upon receipt of an affirmative recommendation of the Planning Commission on a proposed rezoning that the legislative body shall hold a public hearing on the matter.

Pursuant to Government Code Sections 65355 and 65090, a notice shall be published in at least one newspaper of general circulation. Mailed notice required to property owners within 300 feet of the project, including the real property owners, project applicant, and agencies expected to provide essential services shall be done at least 10 days prior to the hearing (Government Code Section 65091).

**Fiscal and Facilities Impacts:**

On November 14, 2006, the Board of Supervisors approved a revised fee schedule which eliminated specific categories of agricultural preserve application fees. Fees associated with new contracts have been waived by the Board of Supervisors. This fee schedule went into effect on January 13, 2007 (60 days after approval).

Funding for the contract review and preparation of this report is estimated to be \$1500.00, and is budgeted in the Permitting & Compliance Program of the Development Review, North Division on Page D-290 of the adopted 2007 – 2008 fiscal year budget.
