EXHIBIT A-5 MHS
STATEMENT OF WORK: SOUTH COUNTY FULL-SERVICE PARTNERSHIP (FSP)

1. **PROGRAM SUMMARY.** The Contractor shall provide evidence-based outpatient Full-Service Partnership (FSP) psychiatric treatment, rehabilitation and support services to adult (18 years of age or older) members (defined below in Section 6 [Members] of this Exhibit (hereafter Program) with Serious Mental Illness (SMI), and in mental health crisis. The Program shall deliver services to members "in vivo" in regular community settings (e.g., home, apartment, job site). Program members have significant personal difficulties functioning in major life domains such as maintaining affordable safe and stable housing, meaningful daily pursuits such as employment and job placement as well as satisfying interpersonal relationships. The role of the FSP Team, is to address the rehabilitation needs of members in these key domain areas so as to stabilize their housing and enhance the wellbeing of the members. This Program requires a flexible approach to program delivery using a whatever-it- takes principle.

Contractor shall comply with all applicable requirements set forth in Exhibit AA General Provisions: ADP/MHS and Exhibit AA-1 General Provisions Department Of Health Care Services State Performance Requirements Behavioral Health Services Act (BHSA) and Substance Use Prevention, Treatment, And Recovery Services (SUBG) of this Agreement.

 - A. Build relationships with members based on mutual trust and respect.
 - B. Offer individualized assistance to members, emphasizing a comprehensive bio- psychosocial process of assessment, gathered and documented over time through listening to and learning about each member's subjective experiences.
 - C. Adopt a no-reject approach to members. Members are not terminated from Program services if they express anger and frustration with current or past services, or if they do not "follow the rules," if they do not "fit in." Instead, such statements or actions offer an opportunity for staff to learn more about each

member and his or her experiences with services, with the effects of mental illness and with general life circumstances.

- D.** Meet members at their stage of treatment readiness. While members are asked to commit to actively working with the team, they are not required to be abstinent from alcohol or other drugs. Housing placements are made in both alcohol and drug free community settings and in settings that do not require abstinence. In working with people who continue to use alcohol or drugs, an emphasis is placed on harm reduction and encouraging the adoption of lifestyle changes that will not jeopardize their housing.
- E.** Understand and use the strengths of the local culture in service delivery to members. The FSP Team's assessment, treatment planning and service delivery should be consistent with the resources and practices of each member's racial and ethnic community.

- G.** Use a flexible approach to member service delivery. Program staff shall spend most of their time with members in the community, offering side by side, "hands on" support to members who may need help to gain greater control and management of their lives. Adhering to the principle of "whatever-it- takes," the FSP Team helps prevent mental illness from being the driving force in members' lives. Service delivery in office or clinic settings should be minimized.
- H.** Operate as a cohesive team responsible for delivery of most services required by members with minimal referral to a variety of different programs, though County Psychiatrists will have overall accountability for the psychiatric treatment of Program members. Whenever a provider outside the Program is needed (e.g., physical health care), the Program is responsible for making certain that members receive the required services.
- I.** Consistent with each member's preferences and wishes, support family members and others with whom the member has significant relationships and assure special consideration to the needs of members who are parents and to the needs of their minor children.
- J.** Provide services as long as they are medically needed, not based on predetermined timelines.

i. Medically Necessary or Medical Necessity.

a. For individuals 21 years of age or older, Pursuant to Welfare and Institutions Code section 14184.402(a), a service is “medically necessary” or a “medical necessity” when it is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain as set forth in Welfare and Institutions Code section 14059.5.

b. For individuals under 21 years of age, a service is “medically necessary” or a “medical necessity” if the service meets the standards set forth in Section 1396d(r)(5) of Title 42 of the United States Code.

This section requires provision of all Medicaid-coverable services necessary to correct or ameliorate a mental illness or condition discovered by a screening service, whether or not such services are covered under the State Plan. Furthermore, federal guidance from the Centers for Medicare & Medicaid Services makes it clear that mental health services need not be curative or restorative to ameliorate a mental health condition. Services that sustain, support, improve, or make more tolerable a mental health condition are considered to ameliorate the mental health condition and are thus medically necessary and covered as EPSDT services. Services provided to a beneficiary must be medically necessary and clinically appropriate to address the beneficiary's presenting condition.

D. Funding Sources.

1. The Behavioral Wellness Director or designee may reallocate between funding sources with discretion, including to utilize and maximize any additional funding or FFP provided by local, State, or Federal law, regulation, policy, procedure, or program. G. Start-Up Costs. Both Contractor and County acknowledge that Contractor will be developing the Program during the start-up period, which will begin on April 1st of Fiscal Year 2025-2026 through September 30, 2026. During this period, the Contractor will be recruiting, hiring, training, credentialing staff, and performing other administrative tasks associated with launching the Program. The parties acknowledge and agree that Contractor will incur certain costs in connection with commencement of operations. These costs are estimated in Exhibit B-2 and include but are not limited to initial staffing costs, training, travel, furniture and fixtures, and information technology expenses. Contractor will track startup costs separately in their financial system. Startup costs will be reimbursed within 30 days of submission of an invoice. Invoices shall be submitted monthly along with detailed invoices and financial statements to substantiate the costs.

2. **MAXIMUM CONTRACT AMOUNT.** The contract maximum shall consist of County, State, and/or Federal funds as shown in Exhibit B-1(s) and subject to the provisions in Section 1 (Payment for Services). Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder without a properly executed amendment.

B. Mental Health Services.

- 1. Fee-For-Service Rates.** For Medi-Cal services, County agrees to reimburse Contractor at a Negotiated Fee-For-Service rate (the “Negotiated Fee”) during the term of this Agreement as specified in Exhibit B-1 and B-3 MHS. Specialty mental health services provided to Non-Medi-Cal members will be paid at the same rates. Reimbursement or payment under this provision is subject to the maximum amount specified in the Exhibit B-1 MHS for Medi-Cal and Non-Medi-Cal specialty mental health services.
 - 2.** Notwithstanding the foregoing, and at any time during the term of the Agreement, the Director of the Department of Behavioral Wellness or designee, in his or her sole discretion, may incorporate new codes, make fee-for-service rate changes to the Exhibit B-1 and B-3 MHS issued by the California Department of Health Care for County’s operational reasons. Reimbursement remains subject to the contract maximum amount specified in the Exhibit B-1 and Exhibits B-3.
 - 3.** Additionally, the Behavioral Wellness Director or designee, in his or her sole discretion, may make rate changes to or otherwise update Exhibit B-1 and B-3 MHS for multi-year contracts annually. Any changes to Exhibit B-1 and B-3 MHS shall not alter the Maximum Contract Amount and shall not require an amendment to this Agreement but shall be in writing.
- C. Operating Budget.** For Non Medi-Cal Programs, Contractor shall provide County with an Operating Budget on a format acceptable to, or provided by County, based on costs of net of revenues as described in this Exhibit B-MHS, Section 5 (Accounting for Revenues). The approved Operating Budget shall be attached to this Agreement as Exhibit B2. County may disallow any expenses in excess of the adopted operating budget. Contractor shall request, in advance, approval from County for any budgetary changes. Indirect costs are limited to 15% of direct costs for each program and must be allocated in accordance with a cost allocation plan that adheres with OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Pursuant to Behavioral Health Information Notice No: 24-047, Subrecipients of federal awards have the option to elect an indirect cost rate limited to either 15% of direct costs, federally negotiated indirect cost rate.

Contractor shall abide by requirements in Behavioral Wellness Policy and Procedure #19.007 *Flexible Spending Funds* for

member flexible support costs. Contractor shall maintain documentation to support member flexible support costs and submit financial statements to County monthly in accordance with Exhibit B MHS, Section 7.B (Monthly Financial Statements) below.

5. ACCOUNTING FOR REVENUES.

A. Accounting for Revenues. Contractor shall comply with all County, State, and Federal requirements and procedures, including, but not limited to, those described in California Welfare and Institutions Code (WIC) Sections 5709, 5710 and 14710, relating to the:

1. Determination and collection of patient/member fees for services hereunder based on Uniform Method for Determining Ability to Pay (UMDAP);
2. Eligibility of patients/members for Medi-Cal, Medicare, private insurance, or other third party revenue, and
3. Collection, reporting and deduction of all patient/member and other revenue for patients/members receiving services hereunder.
4. For Non-Medi-Cal programs, grants, and any other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor shall also be accounted for in the Operating Budget.

B. Internal Procedures.

1. Contractor shall maintain internal financial controls which adequately ensure proper billing and collection procedures. Contractor shall pursue payment from all potential sources in sequential order, with Medi-Cal as payor of last resort. All fees paid by or on behalf of patients/members receiving services under this Agreement shall be utilized by Contractor only for the delivery of service units specified in the Exhibit A(s) to this Agreement.

2. ADP. (RESERVED)

6. REALLOCATION OF PROGRAM FUNDING.

A. Funding is limited by program to the amount specified in Exhibit B-1-ADP and/or MHS. Contractor cannot move funding between programs without explicit approval by Behavioral Wellness Director or designee. Contractor shall make written application to Behavioral Wellness Director or designee, in advance and no later than April 1 of each Fiscal Year, to reallocate funds as outlined in Exhibit B-1, ADP and/or MHS between programs, for the purpose of meeting specific program needs or for providing continuity of care to its members. Contractor's application shall include a narrative specifying the purpose of the request, the

amount of said funds to be reallocated, and the sustaining impact of the reallocation as may be applicable to future years. The Behavioral Wellness Director's or designee decision of whether to allow the reallocation of funds shall be in writing to Contractor prior to implementation by Contractor. The Behavioral Wellness Director or designee also reserves the right to reallocate between programs in the year-end settlement and will notify Contractor of any reallocation during the settlement process.

7. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS.

A. Submission of Claims and Invoices.

1. Alcohol and Drug Program. (RESERVED)

2. Mental Health Programs.

i. Submission of Claims for Medi-Cal Services. Services are to be entered into SmartCare based on timeframes prescribed in the Behavioral Wellness Clinical Documentation Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Behavioral Wellness shall provide to Contractor a report that: i) summarizes the Medi-Cal services approved to be claimed for the month, multiplied by the negotiated fee in effect at the time of service, ii) states the amount owed by County, and iii) includes the Agreement number.

a. Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

b. If any services in the monthly Medi-Cal claim for the Contractor are denied by DHCS then these will be deducted from the subsequent monthly claim at the same value for which they were originally claimed. In the event that the State denies payment for services provided under this contract and such denial is later determined to be the result of inappropriate adjudication by the State, the County reserves the right to issue a credit to the Contractor for the denied services at the rates identified in Exhibit B-1 and B-2 MHS.

ii. Submission of Claims for Medicare Services.

a. **Provider Enrollment.** Contractors that provide service to members that are eligible for both Medicare and Medi-Cal (AKA Medi-Medi) shall have Medicare eligible practitioner types enrolled in the Medicare program. The following are Medicare eligible licensed practitioners

that provide service to County programs in this Agreement and must be enrolled in the Medicare program: Marriage and Family Therapist, Clinical Psychologist, Clinical Social Worker, Professional Clinical Counselor, Nurse Practitioner, Physician Assistant, and Medical Doctor. If any of the Contractor's eligible licensed practitioners have submitted a Medicare "Opt-Out" affidavit and are therefore opted-out of Medicare, these practitioners' services cannot be billed to Medicare and are not billable to Medi-Cal. *Opted-Out Medicare eligible practitioners are therefore ineligible service providers for Medi-Medi members.*

- b. Medi-Medi.** The County won't assume financial responsibility or reimburse for services provided to Medi-Medi members by ineligible service providers due to opting out of Medicare.
- c. Member Medicare Eligibility.** Contractor is responsible for identifying Medicare as a payor in the SmartCare EHR system. County only assumes financial responsibility for members that are dual eligible for Medicare and Medi-Cal. Services provided to members who have only Medicare, but not Medi-Cal are not eligible for reimbursement under this Agreement.
- d. Claims Adjudication.** For Medi-Medi member services, Contractor has the option to claim services to the Medicare fiscal intermediary directly or have the County process dual eligible claims on their behalf. If Contractor chooses to bill Medicare directly, Contractor is solely responsible to ensure proper Medicare registration and maintenance of such. Contractor shall notify Behavioral Wellness Fiscal within 30 days of the beginning of the contract term whether they want County to bill Medicare on their behalf. If the Contractor opts to bill the Medicare fiscal intermediary directly then they shall provide the County with Medicare claim(s) adjudication data which would allow the County to submit a crossover claim to the State Department of Health Care Services for the Medi-Cal adjudication and payment. If Contractor opts to bill Medicare directly then the claims adjudication data would be due monthly to Behavioral Wellness within 15 days following the close of each month.
- e. Submission of Claims for Medicare Services.** For Medi-Medi member services, services are to be entered into the SmartCare EHR system based on timeframes prescribed in the Behavioral Wellness

Clinical Documentation Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

f. Claims Processing and Payment. Services provided to members who are eligible for Medicare and Medi-Cal (Medi-Medi) will be claimed based on the guidelines outlined in the DHCS Billing Manual and Centers for Medicare & Medicaid Services (CMS) guidance. Contractor will be reimbursed for dual eligible members at the Medi-Cal fee-for-service rates in the Exhibit B-3 consistent with the payment terms for Medi-Cal approved services. The Medicare payment received by the County will be reported to DHCS within the subsequent Medi-Cal claim, thereby reducing the charge to Medi-Cal by the paid Medicare amount. County will issue a single payment for the service, at the fee-for-service rate in Exhibit B-2. Alternatively, if Contractor bills Medicare directly, then the Medicare payment received by the contractor must be offset from the fee-for-service rates paid by the County or remitted to the County. Services for members with Medicare coverage only (not Medi-Medi) shall not be entered into SmartCare EHR, nor processed or paid by County. The fee schedule in Exhibit B-3 is therefore not applicable for Medicare only members. The Contractor is therefore solely responsible to follow all CMS regulations and provisions that govern Medicare member deductibles, co-pays and payments for services.

iii. Submission of Claims for Non Medi-Cal Programs. Contractor shall submit a written invoice within 15 calendar days of the end of the month in which non-Medi-Cal services are delivered that: i) depicts the actual costs of providing the services less any applicable revenues, ii) states the amount owed by County, and iii) includes the Agreement number and signature of Contractor's authorized representative. Invoices shall be delivered to the designated representative or address described in Section 7.A.1.i (Submission of Claims for Medi-Cal Services) of this Exhibit B ADP/MHS. Actual cost is the actual amount paid or incurred, including direct labor and costs supported by financial statements, time records, invoices, and receipts.

B. Timing of Payment. The Program Contract Maximums specified in Exhibit B-1-MHS and this Exhibit B ADP/MHS are intended to cover services during the entire term of the Agreement, unless otherwise specified in the Exhibit A(s) to this Agreement (such as time-limited or services tied to the school year). Under no circumstances shall Contractor cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

1. The Behavioral Wellness Director or designee shall review the monthly claim(s) and invoices to confirm accuracy of the data submitted. County shall make payment for approved Medi-Cal claims within 30 calendar days of the generation of said claim(s) by County subject to the contractual limitations set forth in this Agreement and all exhibits hereto. Non-Medi-Cal programs will be paid within 30 days of the receipt of a complete invoice and all requested supporting documentation. Any fee-for-service Medi-Cal services that are not claimed during the fiscal year and require corrections and/or rebilling will be paid after Medi-Cal claiming for the period has concluded, which may be up to 12 months following the end of the fiscal year.

C. Monthly Financial Statements. For Non-Medi-Cal programs and costs, within 15 calendar days of the end of the month in which services are delivered, Contractor shall submit monthly financial statements reflecting the previous month's and cumulative year to date direct and indirect costs and other applicable revenues for Contractor's programs described in the Exhibit A(s).

D. Withholding of Payment for Non-submission of Service Data and Other Information. If any required service data, invoice, financial statement or report is not submitted by Contractor to County within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement, then payment shall be withheld until County is in receipt of complete and correct data and such data has been reviewed and approved by Behavioral Wellness Director or designee. Behavioral Wellness Director or designee shall review such submitted service data within 60 calendar days of receipt.

E. Withholding of Payment for Unsatisfactory Clinical Documentation. Behavioral Wellness Director or designee shall have the option to deny payment for services when documentation of clinical services does not meet minimum Federal, State and County written standards. County may also deny payment for

services that are provided without a current member service plan when applicable authorities require a plan to be in place.

F. Claims Submission Restrictions.

- 1. Alcohol and Drug Program - Billing Limit for Drug Medi-Cal Services.** (RESERVED)
- 2. Mental Health 12-Month Billing Limit.** Unless otherwise determined by State or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for eligible individual persons under this Agreement must be received by County within 12 months from the month of service to avoid denial for late billing.
- 3. No Payment for Services Provided Following Expiration/ Termination of Agreement.** Contractor shall have no claim against County for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

G. Claims Certification and Program Integrity.

- 1.** Contractor shall certify that all services entered by Contractor into County's EHR for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.

H. Overpayments. If the Contractor discovers an overpayment, Contractor must notify the County in writing of the reason for the overpayment. Any overpayments of contractual amounts must be returned via direct payment within 30 calendar days to the County after the date on which the overpayment was identified. County may withhold amounts from future payments due to Contractor under this Agreement or any subsequent agreement if Contractor fails to make direct payment within the required timeframe.

8. REPORTS.

A. Audited Financial Reports. If the Contractor is reimbursed on a cost basis or receives any funding that is subject to audit requirements, whether under federal, state, grant, or other applicable funding guidelines, the Contractor shall obtain an

annual independent financial statement audit. A copy of the audit report shall be submitted to the County within 30 calendar days of the Contractor's receipt of the final audit report.

B. If the Contractor voluntarily obtains an independent financial statement audit, even when not required by the terms of this Agreement or applicable funding guidelines, the Contractor shall also provide a copy of the final audit report to the County within 30 calendar days of receipt.

C. Single Audit Report. If Contractor is required to perform a single audit and/or program specific audit, per the requirements of OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards, Contractor shall submit a copy of such single audit to County within 30 days of receipt. Subrecipients of federal awards must also submit a copy of their Single Audit Certification indicated whether they are subject to this requirement within 60 days after the end of the fiscal year.

D. Alcohol Drug Program. (RESERVED)

9. CONTINGENCY PAYMENT PROVISIONS.

A. Contingency Invoicing Plan (CIP).

If the SmartCare EHR system causes delays or challenges to the extent that services cannot be claimed (and paid to the provider) within 45 days of the service month-end, the County will activate the Contingency Invoicing Plan (CIP) outlined below:

- 1. Notification and Submission.** Within 4 calendar days of determining that claiming will be delayed beyond the standard claiming window, the County will initiate the CIP.
- 2. Payment.** County shall issue payment based on the average value of Medi-Cal claims for the three-month period preceding initiation of the CIP. If sufficient claims data is not available, County shall instead issue payment equal to one-twelfth (1/12) of the Medi-Cal Patient Revenue contract allocation as specified in Exhibit B-1 MHS.
- 3. Resolution and Adjustment.** If the EHR delays or challenges are resolved during the invoice processing period, payment will be based on the services claimed in the system instead of the CIP protocol. Any payments made under the CIP will be reconciled back to actual claimed services once the system claiming functionality is fully validated, and claiming issues are resolved.

- 4. Monthly Determination.** The decision on whether to use CIP will be made by the Director of the Department of Behavioral Wellness or designee in his or her sole discretion on a monthly basis, considering the prevailing circumstances.

10. GENERAL FISCAL AUDIT REQUIREMENTS.

- A.** In addition to the requirements identified below, the Contractor and its subcontractors are required to meet the audit requirements as delineated in Exhibit C General Terms and Conditions and Exhibit D, Paragraph 7 of the Integrated Intergovernmental Agreement, the State Performance Agreement and Substance Use Block Grant.
- B.** All expenditures of county realignment funds, state and federal funds furnished to the Contractor and its subcontractors pursuant to this Agreement are subject to audit by DHCS. Such audits shall consider and build upon external independent audits performed pursuant to audit requirements of 45 C.F.R., Part 75, Subpart F and/or any independent Contractor audits or reviews. Objectives of such audits may include, but are not limited to, the following:
 - 1.** To determine whether units of service claimed/reported are properly documented by service records and accurately accumulated for claiming/reporting.
 - 2.** To validate data reported by the Contractor for prospective contract negotiations.
 - 3.** To provide technical assistance in addressing current year activities and providing recommendations on internal controls, accounting procedures, financial records, and compliance with laws and regulations.
 - 4.** To determine the cost of services, net of related patient and participant fees, third party payments, and other related revenues and funds.
 - 5.** To determine that expenditures are made in accordance with applicable state and federal laws and regulations and contract requirements.
 - 6.** To determine the facts in relation to analysis of data, complaints, or allegations, which may be indicative of fraud, abuse, willful misrepresentation, or failure to achieve the Agreement objectives.
- C.** Unannounced visits to the Contractor and/or its subcontractors may be made at the discretion of DHCS.
- D.** The refusal of the Contractor or its subcontractors to permit access to and inspection of electronic or print books and records, physical facilities, and/or

refusal to permit interviews with employees, as described in this part constitutes an express and immediate material breach of this Agreement and will be sufficient basis to terminate the Agreement for cause or default.

- E. Reports of audits conducted by DHCS shall reflect all findings, recommendations, adjustments and corrective actions as a result of its finding in any areas.
- F. Contractor and its subcontractors, if any, shall include in any contract with an audit firm a clause to permit access by DHCS to the working papers of the external independent auditor, and require that copies of the working papers shall be made for DHCS at its request.

11. SUBSTANCE USE BLOCK GRANT. (RESERVED)

12. AUDITS AND AUDIT APPEALS.

- A. **Audit by Responsible Auditing Party.** At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and federal law, authorized representatives from the County, State or Federal governments (Responsible Auditing Party) may conduct an audit or site review of Contractor regarding the alcohol and drug program and/or mental health services/activities provided under this Agreement.
- B. **Settlement.** Settlement of the audit findings will be conducted according to the Responsible Auditing Party's procedures in place. In the case of a State Medi-Cal audit, the State and County will perform a post-audit Drug Medi-Cal and/or Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, County Behavioral Wellness will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with County Behavioral Wellness. If an audit adjustment is appealed then the County may, at its own discretion, notify Contractor but stay collection of amounts due until resolution of the State administrative appeals process.
- C. **Invoice for Amounts Due.** County shall issue an invoice to Contractor for any amount due to the County after the Responsible Auditing Party issues an audit report. The amount on the County invoice is due by Contractor to County 30 calendar days from the date of the invoice.

- D. Appeal.** Contractor may appeal any such audit findings in accordance with the audit appeal process described in the Section 14171 of the WIC and 22 C.C.R. Section 51022.

13. LOSS OF FEDERAL AUTHORITY.

- A.** Should any part of the scope of work under this Contract relate to a state program receiving Federal Financial Participation (FFP) that is no longer authorized by law (e.g., which has been vacated by a court of law, or for which Center for Medicare & Medicaid Services (CMS) has withdrawn federal authority, or which is the subject of a legislative repeal), Contractor must do no work on that part after the effective date of the loss of such program authority. County will adjust payments that are specific to any state program or activity receiving FFP that is no longer authorized by law.
- B.** If Contractor works on a state program or activity receiving FFP that is no longer authorized by law after the date the legal authority for the work ends, Contractor will not be paid for that work.
- C.** If County has paid Contractor in advance to work on a no-longer authorized state program or activity receiving FFP and under the terms of this Contract the work was to be performed after the date the legal authority ended, the payment for that work shall be returned to the County.
- D.** If Contractor worked on a state program or activity receiving FFP prior to the date legal authority ended for that state program or activity, and County paid Contractor for that work, Contractor may keep the payment for that work even if the payment was made after the date the state program or activity receiving FFP lost legal authority.
- E.** County will attempt to provide Contractor with timely notice of the loss of program authority, however, failure by County to provide notice of the loss of program authority shall not constitute a basis for Contractor to retain payments made for work performed following the date of the loss of program authority.

STANDARD

INDEMNIFICATION

AND

INSURANCE PROVISIONS

EXHIBIT C
INDEMNIFICATION AND INSURANCE REQUIREMENTS
(For Contracts Involving the Care/Supervision of Children, Seniors or Vulnerable Persons)

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR'S indemnification obligation applies to COUNTY'S active as well as passive negligence but does not apply to COUNTY'S sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, its agents, representatives, employees or subcontractors.

1. Minimum Scope of Insurance

Coverage shall be at least as broad as:

- A. Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
- B. Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if CONTRACTOR has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than \$1,000,000 per accident for bodily injury and property damage.

- C. Workers' Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease. ***(Not required if CONTRACTOR provides written verification that it has no employees)***
- D. Professional Liability:** (Errors and Omissions) Insurance appropriate to the CONTRACTOR'S profession, with limit no less than \$2,000,000 per occurrence or claim, \$2,000,000 aggregate.
- E. Sexual Misconduct Liability:** Insurance covering actual or alleged claims for sexual misconduct and/or molestation with limits of not less than \$2,000,000 per claim and \$2,000,000 aggregate, and claims for negligent employment, investigation, supervision, training or retention of, or failure to report to proper authorities, a person(s) who committed any act of abuse, molestation, harassment, mistreatment or maltreatment of a sexual nature.

If the CONTRACTOR maintains broader coverage and/or higher limits than the minimums shown above, the COUNTY requires and shall be entitled to the broader coverage and/or the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

2. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

- A. Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR'S insurance at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used).
- B. Primary Coverage** – For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.

- C. Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
- D. Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
- E. Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
- F. Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
- G. Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR'S obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
- H. Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
- I. Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and

CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.

J. Claims Made Policies – If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
2. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.

K. Special Risks or Circumstances – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within 30 days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
