Determine that the acceptance of the Resolution regarding the JJCC Membership is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15061(b)(3), finding that the activities are covered by the general rule that CEQA applies only to projects which have the potential for causing significant effect on the environment, and where it can be seen with certainty that there is no possibility that the activities in question may have a significant effect on the environment, the activities are not subject to CEQA.

Summary Text:

In an effort to have a balanced membership the JJCC voted on April 7, 2017, to add a researcher to the two-year term membership.

Background:

The Board of Supervisors adopted a resolution on November 19, 1996, outlining the Juvenile Justice Coordinating Council (JJCC) membership. The JJCC assists the Chief Probation Officer in developing a Comprehensive Multi-agency Juvenile Justice Plans (CMJJP) including a continuum of responses for the crime prevention and intervention services and for the supervision, treatment, and incarceration of juvenile offenders, in accordance with Welfare and Institutions Code Section 749.22 and Government Code Section 30061. The Chief Probation Officers is the Chair of the JJCC and there are 12 permanent

voting members and at least one identified delegate from the District Attorney’s Office, Sheriff-Coroner’s Office, Public Defender’s Office, Board of Supervisors (2 members as designated by the Board), Department of Social Services, Presiding Judge of the Juvenile Court, Juvenile Justice Delinquency Prevention Commission (JJDC) Chair, County Education Office, Department of Behavioral Wellness, and County Executive Office. In addition to the permanent voting members, voting members are selected from two separate community-based drug and alcohol programs, a maximum of three from the city police departments, a maximum of three from local school districts, and a maximum of two from non-profit community-based agencies serving juveniles who are selected for two-year terms. At the April 7, 2017, meeting of the JJCC, permanent members voted to add a researcher to the two-year term membership. In making these appointments the JJCC shall strive to ensure both geographical representation and a diversity of perspectives to fulfill the purpose of the JJCC.
