EXHIBIT A

STATEMENT OF WORK

1. CONTRACTOR is to supply all labor and equipment necessary to receive, process, and market all commingled recyclable materials resulting from this contract. For purposes of this contract "recyclable materials" is defined as all types of materials delivered to CONTRACTOR'S facility collected pursuant to the South Coast recycling program. CONTRACTOR shall divert all recyclable materials in a manner that is acceptable for diversion credit under AB 939. Under no circumstances may CONTRACTOR landfill, burn, or convert for burning the recyclable materials diverted.
2. CONTRACTOR shall receive and process recyclable materials without limitation as to amount, weight or periodic variances in quantity generated.
3. All recyclable materials diverted shall meet or exceed secondary material market specifications for each class of recovered product.
4. The CONTRACTOR shall possess and maintain throughout the term of this contract all federal, state, and local permits needed to operate the facility that will accept and process the recyclable materials.
5. CONTRACTOR'S facility shall receive recyclable materials Monday through Saturday between 6:00 a.m. and 5:00 p.m. The schedule for the delivery of the materials to the CONTRACTOR'S facility will be at the discretion of the COUNTY.
6. COUNTY trucks delivering recyclable materials to the facility shall be able to enter CONTRACTOR'S facility, obtain the necessary weight ticket and unload all commodities in a maximum of 30 minutes provided that COUNTY drivers perform in a diligent and efficient manner. However, if more than two (2) COUNTY trucks arrive within a one-hour period, the maximum time will be increased to 60 minutes. In addition, if a COUNTY truck is back-hauling residual, it will have an additional 15 minutes added to the maximum time limits described above. If COUNTY trucks delivering recyclable materials exceed maximum time in waiting, then the CONTRACTOR will be charged an hourly fee equal to three times the cost of overtime for that driver multiplied by the time it takes to leave the South Coast Recycling and Transfer Station, deliver the material to the CONTRACTOR'S facility and return to South Coast Recycling and Transfer Station, rounded up to the nearest hour. The time of arrival will be noted on all weight tickets. If the time of COUNTY driver at the CONTRACTOR'S facility exceeds the limits listed above, then the reason for the delay will be noted on the weight ticket which will be signed by both the COUNTY driver and CONTRACTOR representative.
7. The COUNTY will only deliver to the CONTRACTOR commingled recyclable materials from both residential and commercial sources.
8. CONTRACTOR shall provide personnel to ensure the safe maneuvering of COUNTY vehicles by COUNTY employees and proper placement of loads when unloading.

9. If the CONTRACTOR is unable to accept recyclable materials for any reason, the CONTRACTOR will be responsible for ensuring that such recyclable materials are delivered to and processed by an alternate facility. CONTRACTOR shall be responsible for the difference between the fee charged at the CONTRACTOR'S facility under the provisions of this contract and the fee charged at the alternate facility arranged by the CONTRACTOR as well as the fees covering transportation to the alternate facility.
10. CONTRACTOR will assume liability for the recyclable materials, but not inadvertent hazardous waste contamination. COUNTY will assume the cost of clean-up and proper disposal of said hazardous materials. The COUNTY's responsibility shall not apply to 1) hazardous contamination of recyclable materials that have been commingled with materials from other sources or; 2) universal waste as defined by the State of California (household batteries, fluorescent light bulbs, electronic devices, mercury containing devices, etc.). CONTRACTOR will provide the proper handling and disposal of any inadvertent hazardous waste contamination or universal waste discovered in the loads of recyclable materials and documentation regarding actual costs of handling and proper disposal.
11. CONTRACTOR will be required to have a certified truck scale on-site to weigh all incoming loads of recyclable materials. Each loaded vehicle shall be weighed upon entering the CONTRACTOR'S processing facility and weighed after tipping the recyclable material. A copy of the weight slip shall be presented to the truck driver delivering said load at the time of departure. CONTRACTOR will be required to maintain a daily log of the time, sequential ticket number, vehicle number, gross vehicle weight, and tare vehicle weight. This information will be available to the COUNTY when requested.
12. On a monthly basis, CONTRACTOR will submit an invoice, including a compilation of the weight logs as well as the contamination and process loss logs, to the COUNTY representative designated in the contract by the end of the month following the service period.
13. On a monthly basis, actual tonnages for each material marketed and prices received must be included with the monthly reimbursement including the revenues from the California Redemption Value program, scrap value and costs associated with processing fees. Differentiation between the revenues should also be described in monthly reports including but not limited to the scrap value and the California Redemption Value. If no price is available for a given commodity, a minimum price comparable to industry averages for the Los Angeles Area will be used.
14. CONTRACTOR will be required to complete and submit appropriate reports to the Department of Conservation (DOC), indicating the total tons of material attributed to each South County Curbside Identification Number assigned by the DOC.
15. All residual tonnage or the equivalent thereof from the processing of the COUNTY's recyclables will be returned to the COUNTY for proper disposal. CONTRACTOR will be required to notify the COUNTY representative designated in this Agreement or his/her designee, when there is residual tonnage requiring pickup. The CONTRACTOR will arrange a time when COUNTY trucks can retrieve the residual for backhauling to COUNTY facilities. Backhauling by the COUNTY must take place in a timely manner. If more than one month's worth of residual is accumulated by the CONTRACTOR due to a lack of responsiveness from the COUNTY, then the CONTRACTOR may charge the COUNTY a storage fee of \$5,000 per month rounded up to the nearest month.
16. CONTRACTOR shall maintain records required to conduct its operations, to support requests it

may make to COUNTY, and to respond to requests from COUNTY in the conduct of COUNTY business. Adequate record security shall be maintained to preserve records from events that can be reasonably anticipated such as a fire, theft and earthquake. Electronically maintained data/records shall be protected and backed up. All records shall be maintained for five (5) years after the expiration of this Agreement.

17. CONTRACTOR agrees that all required records relating to operations addressed in this contract shall be provided or made available to COUNTY and its official representatives during normal business hours. COUNTY may have access to, review, copy, or otherwise utilize any of the records described in this section for auditing purposes.
18. CONTRACTOR shall maintain financial records relating to its operations pursuant to this contract separate and segregated from such records relating to its other operations. CONTRACTOR shall also maintain complete descriptions of related party transactions (such as material sales to related companies), and all records necessary to support monthly reports submitted to COUNTY.
19. The CONTRACTOR will be the sole recipient of residential commingled recyclables from the South Coast Recycling and Transfer Station. In the event that the COUNTY intends to change the status of the CONTRACTOR as the sole recipient of commingled recyclables from the South Coast Recycling and Transfer Station, the COUNTY will give CONTRACTOR sixty (60) days notice with an explanation of the reason for the change and an opportunity for CONTRACTOR to correct any service deficiencies related to the change.
20. If the CONTRACTOR determines a significant change in the characterization of COUNTY material, defined as a 2% change in value excluding market change, then the CONTRACTOR will notify the COUNTY for the purpose of renegotiating the terms of this agreement. This change will be determined by an internal characterization conducted by the CONTRACTOR comparing the average characterization of materials delivered by the COUNTY per quarter against the previous quarter. The methodology for the characterization has to be mutually agreed upon by both the CONTRACTOR and the COUNTY. If no new agreement to terms is accepted, then this agreement may be terminated with a 60 day notice.
21. The percentages of types of material per ton will be determined by a facility-wide audit performed by Gold Coast on an annual basis which is approved by the COUNTY.

Indemnification and Insurance Requirements (For Service Contracts Not Requiring Professional Liability Insurance)

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR's indemnification obligation applies to COUNTY's active as well as passive negligence but does not apply to COUNTY's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, his agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if CONTRACTOR has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

If the CONTRACTOR maintains higher limits than the minimums shown above, the COUNTY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects the COUNTY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, agents or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR's obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
