---

**County Counsel Concurrence**

As to form: Yes

**Auditor-Controller Concurrence**

As to form: N/A

**Recommended Actions:**

That the Board of Supervisors:

- a) Adopt the attached Resolution to rescind existing angle parking and re-establish it with new angle parking on Alamo Pintado Avenue in the Los Olivos area of the Third Supervisorial District; and
- b) Find that the proposed actions are for the operation and maintenance of an existing public facility, involving negligible, or no expansion of use beyond that which presently exists, that the proposed action is therefore exempt from California Environmental Quality Act pursuant to 14 CCR 15301(c), and approve and direct staff to file the attached Notice of Exemption on that basis.

**Summary Text:**

This item is on the agenda to extend the existing angle parking on Alamo Pintado Avenue in the Third Supervisorial District by rescinding the existing angle parking and establishing new angle parking to include both the existing and new angle parking in one resolution.

**Proposed Angle Parking Zone**

Pursuant to County Code 23-11 permitted by California Vehicle Code Section 22503 the Board of Supervisors, by Resolution may designate portions of any highway under its jurisdiction as "angle parking zones" except on State highways.

- **Alamo Pintado Avenue – Third Supervisorial District**

Public Works recommends that your Board approve by resolution an angle parking zone on the north side of Alamo Pintado Avenue in the Los Olivos area by rescinding the existing angle parking zone established on January 29, 2019 in Resolution No. 19-22 and adopting the new angle parking zone (Vicinity Map #1). A recent Public Works project undergrounded the drainage channel that was parallel to Alamo Pintado Avenue. This has provided a new level surface adjacent to the roadway suitable for parking. Public Works will pave the area and stripe angle parking with the approval of the resolution. This will increase overall parking in Los Olivos. This new angle parking will add 19 regular and 1 van accessible parking stall to the existing 11 angled parking stalls.

The Public Works Department prepared the attached Resolution to rescind and adopt the angle parking zone at the following location:

**THIRD DISTRICT – Los Olivos**

**RESCIND**

**Angle Parking Zone:**

- On the north side of Alamo Pintado Avenue between a point 56 feet west of the centerline of Grand Avenue and a point 227 feet west of the centerline of Grand Avenue.

**ADOPT**

**Angle Parking Zone:**

- On the north side of Alamo Pintado Avenue from the centerline of Grand Avenue to the centerline of Nojoqui Avenue.

**Background:**

Intersection controls and parking restrictions are established based on safety, necessity, and community benefit. Public Works weighs all of these factors and presents any recommended changes to your Board for approval. These parking restrictions may include, but are not limited to “No Stopping, Standing, or Parking”, “Time Limited” parking, “Loading” zones, “Vehicle Height Restricted” parking, “Angle” parking, “Handicapped” parking, or any combination of restrictions.

Public Works has surveyed the proposed traffic control locations described in this Board Letter, and found it to be in the best interest of the communities and the traveling public to install the proposed traffic controls. Public Works recommends your Board’s approval of the attached Resolutions to implement these traffic controls. The proposed actions are for the operation and maintenance of an existing public facility, involving negligible, or no expansion of use beyond that which presently exists, and are therefore exempt from California Environmental Quality Act pursuant to 14 CCR 15301.

**Fiscal and Facilities Impacts:**

Budgeted: Yes

**Fiscal Analysis:**

<b><u>Funding Sources</u></b>	<b><u>Current FY Cost:</u></b>	<b><u>Total One-Time Project Cost</u></b>
