## **EXHIBIT "D"**

### **Special Terms and Conditions**

#### **EVACUATION ORDER**

The 37<sup>th</sup> District Agricultural Association, along with all other large venue public gathering places and events around the country have been advised by Federal, State and Local Authorities that an emergency evacuation of the premises may be ordered by any of these authorities at any time. This decision would be driven by information available to those authorities that:

- (1) May not be available to the 37<sup>th</sup> District Agricultural Association, or may be classified by those authorities, and therefore the 37<sup>th</sup> District Agricultural Association would not be able to share it with our exhibitors, contractors, participants, guests, or renters;
- (2) Could arise out of an actual or threatened act of terrorism;
- (3) Could arise from any number of natural disasters, or other public safety concerns the authorities have for the safety of the general public at our Fair or at our facility, property, grounds, or parking areas.

If an evacuation order occurs, you will be asked to leave the premises immediately. The law does not only require your cooperation, but for your own safety and the safety of others, common sense demands your full cooperation. The Police Department and/or 37<sup>th</sup> DAA staff/security personnel will direct the evacuation. We are further advised that any evacuation order given will be for personnel only! No other property, animals, trailers, merchandise, equipment, etc. will be allowed off the premises. This is to allow the most efficient and speedy evacuation of the public from the threatened area. If an evacuation order is given, do not attempt to remove anything other than yourselves and, if applicable, your immediate means of transportation.

The evacuation plan calls for designated law enforcement personnel, Fair management, staff, or volunteers to remain on the grounds to secure the facility and premises.

In the unlikely case an evacuation occurs, the 37<sup>th</sup> District Agricultural Association will exercise every reasonable effort to care for property, animals, commercial exhibits, merchandise, etc. until the authorities remove the evacuation order and the public is allowed back into the facility. No one will be allowed back on the grounds until the authorities have given the approval to return. The 37<sup>th</sup> District Agricultural Association staff/security personnel along with the Police Department will enforce the order in strict accordance with instructions from the authorities.

The State of California, 37<sup>th</sup> District Agricultural Association, Santa Barbara County Fair, its directors, officers, agents, servants, nor employees cannot, and will not, be held liable or responsible for any loss or damage to any Contractor's, exhibitor's, or patron's personal property, equipment, merchandise, animals, exhibits, etc. during or after any such event.

By entering into this agreement Contractor hereby agrees to indemnify, defend and save harmless the State of California, 37<sup>th</sup> District Agricultural Association, Santa Barbara County Fair, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, participant, exhibitor, and any other person, firm or corporation attending, or participating in, any activity or event covered under this agreement and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged in the performance of this Agreement.

#### **RIGHT TO TERMINATE**

The State reserves the right to terminate this agreement subject to 30 days written notice to the Contractor. Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the agreement can be immediately terminated for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the contract. In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

#### **FORCE MAJEURE**

Neither party shall be liable to the other for any delay in or failure of performance, nor shall any such delay in or failure of performance constitute default, if such delay or failure is caused by "Force Majeure." As used in this section, "Force Majeure" is defined as follows: Acts of war and acts of god such as earthquakes, floods, and other natural disasters such that performance is impossible.
