

**California Women for Agriculture
Santa Maria Chapter
P.O. Box 695
Guadalupe, CA 93434**

February 5, 2013

Clerk of the Board; Santa Barbara County

California Women for Agriculture greatly appreciates having a position with the Santa Barbara County Agricultural Advisory Committee. Our current representative is Kari Bohard-Campbell and she will stay on as our primary representative. The alternate was Lisa Bodrogi but she is stepping down as a representative of CWA in order to fill the position on the AAC for the Central Coast Wine Growers Association.

CWA has nominated Alexandra (Chrissy) Allen to become the alternate for the AAC. Chrissy currently serves as vice president for CWA. She works in her family business which produces and ships row crops. Her hands-on experience with the challenges that growers face in addition to her expertise as an attorney would be great assets to the AAC. Chrissy exemplifies the professionalism and leadership that a position on the AAC requires.

Thank you for your consideration of our nomination of Chrissy Allen as the alternate representative from CWA.

Kind regards,

Laura Gregory
President
Santa Maria California Women for Agriculture
