E. Team Organization and Communications.

1. The Program organizational structure emphasizes a team approach to ensure the integration of clinical, rehabilitative, and support services. A key to this integrative process is the “team-within-a-team” (hereafter “Individual Treatment Team”) concept. Through an Individual Treatment Team, each client has the opportunity to work with a small core of staff whose overall abilities, specialty skills, and personality match the client’s interests and goals. This Individual Treatment Team interfaces with the larger ACT/AOT team and has responsibility for soliciting and blending in the perspective and analysis of all ACT/AOT Team members. The overall ACT/AOT Team’s organization and communication shall be structured as follows:
 - a. The ACT/AOT Team shall conduct Daily Organizational Staff Meetings at a regularly scheduled time that accommodates overlapping shifts, Monday through Friday. The ACT/AOT Team will review pertinent cases and daily scheduling, and at least once per week, the ACT/AOT Team will review all client cases. At the Daily Organizational Staff Meeting, Program staff shall plan for emergency and crisis situations, and shall add service contacts to the daily staff assignment schedule.

9. **ACT PROGRAM SERVICES.** The ACT Program shall provide an appropriate combination of services individualized to meet each client’s needs and to assist each client to achieve and sustain recovery, as described herein. Services offered to ACT Program

clients shall be consistent with those described in the “National Program Standards for ACT Teams.” The ACT Program provides a multidisciplinary team approach that includes a Psychiatrist, a mental health professional who serves as the Team Leader/Program Administrator, and other staff trained in the areas of social work, nursing, co-occurring substance abuse treatment, rehabilitation and peer support listed above in Sections 7.B.1(a)-(j) (“ACT Team”). Contractor’s staff shall be responsible for providing virtually all needed community services to ACT Program clients. This excludes: acute/sub-acute/residential or any other treatment not considered as “outpatient” services.

The ACT Program staff shall be available 24 hours per day, 7 days per week. Contractor shall follow evidence-based practices for ACT model programs, as mutually agreed by Behavioral Wellness and ACT providers. Services shall include:

- A. **Care Management.** Care Management is a core function provided by the ACT Program. The primary care manager coordinates and monitors the activities of the ACT Team staff who have shared ongoing responsibility to assess, plan, and deliver treatment, rehabilitation, and support services to each client.
- B. **Crisis Assessment and Intervention.** The ACT Program shall ensure availability of telephone and face-to-face contact with clients 24 hours per day, seven days per week. Services may be provided in collaboration with Mobile Crisis, as appropriate. However, Mobile Crisis shall augment, not substitute for, ACT Team on-call telephone and face-to-face responsibility.

These activities, which may be carried out by the ACT Team Psychiatrist, Registered Nurses, or other staff, may include:

These may include specific cognitive behavioral strategies directed at fostering feelings of self-control;

Grants, and any other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor shall also be accounted for in the Operating Budget. Contributions designated in Exhibit B-1-MHS shall be offset from invoices and the annual cost report, unless otherwise negotiated with the County and approved in writing.
- B. Internal Procedures.** Contractor shall maintain internal financial controls which adequately ensure proper billing and collection procedures. Contractor shall pursue payment from all potential sources in sequential order, with Medi-Cal as payor of last resort. All fees paid by or on behalf of patients/clients receiving services under this Agreement shall be utilized by Contractor only for the delivery of service units specified in the Exhibit A(s) to this Agreement.

V. REALLOCATION OF PROGRAM FUNDING.

Funding is limited by program to the amount specified in Exhibit B-1-MHS. Contractor cannot move funding between programs without explicit approval by Behavioral Wellness Director or designee. Contractor shall make written application to Behavioral Wellness Director or designee, in advance and no later than April 1 of each Fiscal Year, to reallocate funds as outlined in Exhibit B-1-MHS between programs, for the purpose of meeting specific program needs or for providing continuity of care to its clients. Contractor's application shall include a narrative specifying the purpose of the request, the amount of said funds to be

reallocated, and the sustaining impact of the reallocation as may be applicable to future years. The Behavioral Wellness Director's or designee decision of whether to allow the reallocation of funds shall be in writing to Contractor prior to implementation by Contractor. The Behavioral Wellness Director or designee also reserves the right to reallocate between programs in the year end cost settlement and will notify Contractor of any reallocation during the cost settlement process.

VI. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS.

A. Submission of Claims and Invoices.

1. Submission of Claims and Invoices for Medi-Cal Services. Services are to be entered into the Clinician's Gateway System based on timeframes prescribed in the Behavioral Wellness Clinical Documentation Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Behavioral Wellness shall provide to Contractor a report that: i) summarizes the Medi-Cal UOS approved to be claimed for the month, multiplied by the provisional rate in effect at the time of service, ii) states the amount owed by County, and iii) includes the Agreement number. Contractor shall review the report and indicate concurrence that the report will be the basis for Contractor's provisional payment for the month. Contractor shall indicate concurrence within two (2) business days electronically to the County designated representative or to:

financecbo@co.santa-barbara.ca.us

Santa Barbara County Department of Behavioral Wellness
ATTN: Accounts Payable
429 North San Antonio Road
Santa Barbara, CA 93110-1316

Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

2. Submission of Claims and Invoices for Non Medi-Cal Services. Contractor shall submit a written invoice within 15 calendar days of the end of the month in which non-Medi-Cal services are delivered that: i) depicts the actual costs of providing the services less any applicable revenues, including the provisional Medi-Cal payment as described in VI.A.1 (Submission of Claims and Invoices for Medi-Cal Services) of this Exhibit B MHS, as appropriate, ii) states the amount owed by County, and iii) includes the Agreement number and signature of Contractor's authorized representative. Invoices shall be delivered to the designated representative or address described in Section VI.A.1 (Submission of Claims and Invoices for Medi-Cal Services) of this Exhibit B MHS. Actual cost is the actual amount paid or incurred, including direct labor and costs supported by financial statements, time records, invoices, and receipts.
3. The Program Contract Maximums specified in Exhibit B-1-MHS and this Exhibit B MHS are intended to cover services during the entire term of the Agreement, unless otherwise specified in the Exhibit A(s) to this Agreement (such as time-limited or services tied to the school year). Under no circumstances shall Contractor

cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

The Behavioral Wellness Director or designee shall review the monthly claim(s) and invoices to confirm accuracy of the data submitted. County shall make provisional payment for approved claims within thirty (30) calendar days of the generation of said claim(s) and invoice by County subject to the contractual limitations set forth in this Agreement and all exhibits hereto.

- B. Subsidy Payments.** This section applies to providers with programs that have subsidy funding allocations. For each program with subsidy funding comprising 5% or less of the total program funding allocation set forth in Exhibit B-1-MHS, payment of subsidy will occur at cost settlement after the year end cost report has been submitted and costs are determined to be in compliance with contract terms and State and Federal regulations. For providers with more than 5% total subsidy funding in any program, the final subsidy payment, or up to a maximum of 20% of total subsidy funding allocated for the given program in Exhibit B-1-MHS, will be withheld until the year end cost report has been submitted and costs are determined to be in compliance with contract terms and State and Federal regulations.
- C. Monthly Financial Statements.** Within 15 calendar days of the end of the month in which services are delivered, Contractor shall submit monthly financial statements reflecting the previous month's and cumulative year to date direct and indirect costs and other applicable revenues for Contractor's programs described in the Exhibit A(s). If a program has both Medi-Cal billable costs and Non-Medi-Cal billable costs, Contractor shall separately identify Non-Medi-Cal billable costs on their financial statements.
- D. Withholding of Payment for Non-submission of Service Data and Other Information.** If any required service data, invoice, financial statement or report is not submitted by Contractor to County within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement, then payment shall be withheld until County is in receipt of complete and correct data and such data has been reviewed and approved by Behavioral Wellness Director or designee. Behavioral Wellness Director or designee shall review such submitted service data within sixty (60) calendar days of receipt.
- E. Withholding of Payment for Unsatisfactory Clinical Documentation.** Behavioral Wellness Director or designee shall have the option to deny payment for services when documentation of clinical services does not meet minimum Federal, State and County written standards. County may also deny payment for services that are provided without a current client service plan.
- F. Claims Submission Restrictions.**

 - 1. 12-Month Billing Limit. Unless otherwise determined by State or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for eligible individual persons under this Agreement must be received by County within 12 months from the month of service to avoid denial for late billing.

2. **No Payment for Services Provided Following Expiration/ Termination of Agreement.** Contractor shall have no claim against County for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

G. Claims Certification and Program Integrity. Contractor shall certify that all UOS entered by Contractor into MIS for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.

H. Overpayments. If the Contractor discovers an overpayment, Contractor must notify the County in writing of the reason for the overpayment. Any overpayments of contractual amounts must be returned via direct payment within 30 days to the County. County may withhold amounts from future payments due to Contractor under this Agreement or any subsequent agreement if Contractor fails to make direct payment within the required timeframe.

VII. COST REPORT

- A. Submission of Cost Report.** Within three weeks of the release of the cost report template by the Department of Health Care Services (DHCS) but no sooner than 30 days after the end of the fiscal year, Contractor shall provide County with an accurate and complete Annual Cost Report (original cost report) with a statement of expenses and revenue and other supporting schedules for the applicable prior fiscal year. The Annual Cost Report shall be prepared by Contractor in accordance with all applicable Federal, State and County requirements and generally accepted accounting principles. Contractor shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice. All revenues received by Contractor shall be reported in its annual Cost Report, and shall be used to offset gross cost. Contractor shall maintain source documentation to support the claimed costs, revenues and allocations which shall be available at any time to Behavioral Wellness Director or designee upon reasonable notice. A final (reconciled) cost report is also due approximately 1 to 2 years after submission of the original cost report. The specific deadline for the final cost report is determined by the State. Contractor shall submit a final (reconciled) cost report within three weeks of the County's formal request.
- B. Cost Report to be Used for Settlement.** The Cost Report shall be the financial and statistical report submitted by Contractor to County, and shall serve as the basis for settlement with Contractor as set forth in Section VIII (Pre-audit Cost Report Settlements) below. Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services to be provided hereunder.
- C. Penalties.** Failure of Contractor to submit accurate and complete Annual Cost Report(s) within 45 days after the due date set in Section VII.A (Submission of Cost Report) above

or the expiration or termination date of this Agreement shall result in:

1. A Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the accurate and complete Annual Cost Report(s) are not submitted. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the forty-sixth (46th) day after the deadline or the expiration or termination date of this Agreement. The late fee will be invoiced separately or deducted from future payments due to Contractor under this Agreement or a subsequent agreement.
2. In the event that Contractor does not submit accurate and complete Annual Cost Report(s) by the one-hundred and fifth (105th) day after the due date set in Section VII.A (Submission of Cost Report) or the expiration or termination date of this Agreement, then all amounts paid by County to Contractor in the Fiscal Year for which the Annual Cost Report(s) are outstanding shall be repaid by Contractor to County within 90 days. Further, County may terminate any current contracts entered into with Contractor for programs covered by the outstanding Annual Cost Reports.
3. In addition, County may withhold payments of additional funds owed to Contractor until the cost report that is due has been submitted if Contractor does not submit the cost report by the reporting deadline.

D. Audited Financial Reports. Contractor is required to obtain an annual financial statement audit and submit to County a copy of their audited annual financial statement, including management comments. This report shall be submitted within thirty (30) days after the report is received by Contractor.

E. Single Audit Report. If Contractor is required to perform a single audit and/or program specific audit, per the requirements of OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards, Contractor shall submit a copy of such single audit to County within thirty (30) days of receipt.

VIII. PRE-AUDIT COST REPORT SETTLEMENTS

A. Pre-audit Cost Report Settlements. Based on the original and final/reconciled Annual Cost Report(s) submitted pursuant to this Exhibit B MHS Section VII (Cost Report) and State approved UOS, at the end of each Fiscal Year or portion thereof that this Agreement is in effect, the County will perform pre-audit cost report settlement(s). Such settlements will be subject to the terms and conditions of this Agreement and any other applicable State and/or Federal statutes, regulations, policies and procedures, or requirements pertaining to cost reporting and settlements for applicable Federal and/or State programs. In no event shall the settlement exceed the maximum amount of this Agreement. Settlement for services shall be adjusted to the lower of:

1. Contractor's published charge(s) to the general public, as approved by the Contractor's governing board; unless the Contractor is a Nominal Fee Provider. This federal published charges rule is applicable only for the outpatient, rehabilitative, case management and 24-hour services.
2. The Contractor's actual costs.

3. The County Maximum Allowable rate, unless Director or designee approves in writing in the year end cost settlement, that use of the County Maximum Allowable rate was waived for settlement purposes.

B. Issuance of Findings. County's issuance of its pre-audit cost report settlement findings shall take place no later than one-hundred-twenty (120) calendar days after Contractor's submission of the original and final/reconciled cost reports.

C. Payment. In the event that Contractor adjustments based on any of the above methods indicate an amount due the County, Contractor shall pay County by direct payment within thirty (30) days or from deductions or withholding of future payments due to Contractor under this Agreement or a subsequent agreement, if any, at the sole discretion of the Behavioral Wellness Director or designee.

IX. AUDITS, AUDIT APPEALS AND POST-AUDIT MEDI-CAL FINAL SETTLEMENT.

A. Audit by Responsible Auditing Party. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and Federal law including but not limited to WIC Section 14170 et seq., authorized representatives from the County, State or Federal governments (Responsible Auditing Party) may conduct an audit or site review of Contractor regarding the mental health services/activities provided under this Agreement.

B. Settlement. Settlement of the audit findings will be conducted according to the Responsible Auditing Party's procedures in place. In the case of a State Medi-Cal audit, the State and County will perform a post-audit Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with County. If an audit adjustment is appealed then the County may, at its own discretion, notify Contractor but stay collection of amounts due until resolution of the State administrative appeals process.

C. Invoice for Amounts Due. County shall issue an invoice to Contractor for any amount due to the County after the Responsible Auditing Party issues an audit report. The amount on the County invoice is due by Contractor to County thirty (30) calendar days from the date of the invoice.

D. Appeal. Contractor may appeal any such audit findings in accordance with the audit appeal process established by the Responsible Auditing Party performing the audit.

AND
INSURANCE PROVISIONS

EXHIBIT C
INDEMNIFICATION AND INSURANCE REQUIREMENTS

(For Professional Contracts version 2014 04 04)

INDEMNIFICATION

Contractor agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless County and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by County on account of any claim except where such indemnification is prohibited by law. Contractor's indemnification obligation applies to County's active as well as passive negligence but does not apply to County's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

Contractor shall notify County immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

Contractor shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the Contractor, its agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

4. **Professional Liability** (Errors and Omissions) Insurance appropriate to the Contractor's profession, with limit of no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the Contractor maintains higher limits than the minimums shown above, the County requires and shall be entitled to coverage for the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – County, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the County.
4. **Waiver of Subrogation Rights** – Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the County. The County may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – Contractor shall furnish the County with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the County before work commences. However, failure to obtain the required documents

prior to the work beginning shall not waive the Contractor's obligation to provide them. The Contractor shall furnish evidence of renewal of coverage throughout the term of the Agreement. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, County has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by County as a material breach of contract.
9. **Subcontractors** – Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least three (3) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of three (3) years after completion of contract work.
11. **Special Risks or Circumstances** – County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of County.
