Subject: PW 7: CSA 12 Mission Canyon Sewer Extension \$2,000,000

Caution: This email originated from a source outside of the County of Santa Barbara. Do not click links or open attachments unless you verify the sender and know the content is safe.

To whom it may concern:

I live at 2639 Memory Lane, formerly 1239 Tunnel Rd before the Jesusita Fire. We were forced to change our address after the fire, though we have not moved since 1965 when we first arrived in Mission Canyon.

I am totally supportive of the sewer expansion on Tunnel Road. With our neighbors on Memory Lane, we investigated expanding the sewer many years ago to no avail. I support it 100% and will be glad to do whatever possible to make this happen.
