Architectural & Engineering Services Statement of Facts

California Government Code Section 4529.12 states:

All architectural and engineering services shall be procured pursuant to a fair, competitive selection process which prohibits governmental agency employees from participating in the selection process when they have a financial or business relationship with any private entity seeking the contract, and the procedure shall require compliance with all laws regarding political contributions, conflict of interest or unlawful activities.

4529.10 architectural & engineering services definition: the term architectural and engineering services shall include all architectural, landscape architectural, environmental, engineering, land surveying, and construction project management services.
