Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I strongly believe in a fiscally sound County retirement system that takes into consideration and protects the interests of the primary County stakeholders: the County taxpayer, the County's active employees and the County's retired employees and their beneficiaries. My commitment to SBCERS is very personal since my father, my wife and my son have a combined 90 years with LACERA in LA County also an important pension plan.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

My education, work experience and community involvement reinforce my interest in serving a second term as an SBCERS Trustee. That service includes Assistant to the LA County District Attorney, Chairman of the Arcadia Civil Service Commission and the appointed Chairman of both the District Attorney and Attorney General's Advisory Committee. In addition, I was a budget analyst for the LA County CAO and a very successful 32 year career in the management of AT&T. More recently I have served 5 terms as Foreperson of the Santa Barbara County Grand Jury resulting in the publishing and implementation of multiple GJ recommendations. In conclusion, I believe in assuring a fiscally sound retirement system for our active and retired employees and beneficiaries.
