Proposal Submittal Form

Name: Andy Caldwell

Organization (if none, designate "Self"): COLAB

Name of Proposal being submitted: COLAB #2

Briefly describe your plan:

Both plans being submitted keep all the cities whole except Santa Barbara and Santa Maria, which must be split. (The one exception is the prison in Lompoc)

Our second plan comports with the law. We submit this one to demonstrate that it is possible to create equally sized districts that are nearly equal with respect to compactness, except for the 2nd and 5th Districts which must me more compact than the other districts due to the population of SB and SM

Briefly describe the goals of your plan: (example: keep rural areas together, keep a city in a specific district, etc.)

Equal population, preserve communities of interest, compactness, voting rights act, etc.

What is the population of each district in your plan?

1st: 84,764	2nd: 84,742	3rd: 84,682
4th: 84,853	5th: 84,854	

I hereby acknowledge that by submitting this plan and any related information for consideration, the plan and any related information will be considered a public record subject to disclosure to any member of the public.
