Summary Text:

The Department of Behavioral Wellness (BeWell) provides specialty mental health services to adults with mental illness and children with serious emotional disturbances, in part, through contracted providers, including Contractors on Payroll (COP). The above-referenced contract complies with the Santa Barbara County Contractor on Payroll Policy, approved by the Board of Supervisors on October 20, 2015. Approval of the above-referenced contract will ensure the continued provision of critical mental health and related services during FY 20-21.

Background:

BeWell has experienced continuing difficulty recruiting and retaining psychiatrists, qualified Registered Nurses, and other individuals who are certified and licensed to provide specialty and ancillary mental health services to the area. Although the County maintains an ongoing recruitment for psychiatrists,

psychiatric nurses, and individuals certified and licensed to provide ancillary mental health services, it rarely produces enough qualified candidates to meet departmental needs. COPs have helped to bridge the gap to provide needed mental health treatment capacity.

Fred Berge, M.D. provides psychiatric services to South County Crisis Services, Santa Barbara AB109 Clinic, pursuant to an MOU between the Departments of Behavioral Wellness and Probation, and the De La Vina Clinic. Psychiatric services include: development, review, revision, and approval of client assessments, evaluations, and treatment plans; prescription and administration of psychiatric medications, as needed; assistance to clients with symptom management and development of personal coping skills; medication education for clients and families; and training, education and support to BeWell staff and multi-disciplinary team members.

The attached COP agreement meet the requirements of Government Code section 7522.56, limiting the maximum number of hours and the maximum allowable hourly rate payable for COPs who are retirees of the County and who perform work as a contractor for the County, and Government Code sections 53260 and 53243.2, limiting the amount of cash settlement in the event of termination of the agreements, and requiring reimbursement of any cash settlement related to the termination from the COP if the COP is convicted of a crime involving an abuse of the COP’s position with the County.

Performance Measure:

1. Clients maintaining safe and stable living environments;
2. Decrease hospitalizations;
3. Increase access to care; and
4. Decrease number of incarcerations.
