- Statutory Exemption (§15260)
- Categorical Exemption (§15354 [15302-33])
 - CatEx - Existing Facilities (§15300)
- Emergency Project Exemption (§15359)

Scope of Exemption:

Statutory Exemption are projects specifically excluded from CEQA consideration as defined by the State Legislature. These exemptions are delineated in PRC § 21080 et seq. A statutory exemption applies to any given project that falls under its definition, regardless of the project's potential impacts to the environment. However, it is important to note that any CEQA exemption applies only to CEQA and not, of course, to any other state, local or federal laws that may be applicable to a proposed project.

Cal. Code Regs. tit. 14 §15260 PRC §21083

PRIMARY reason for the Determination: **§15262-Feasibility and Planning Studies**

There is only one Statutory Exemption available to General Services projects, §15262 Feasibility and Planning Studies. The South County, Main Jail, Concept & Programing involves only feasibility or planning for possible future actions which the General Services, County Executive Office or Board of Supervisors has not approved, adopted, or funded ; and the project does not require the preparation of an environmental document, but does require consideration of environmental factors. Statutory Exemptions do not apply to the adoption of a plan that will have a legally binding effect on later activities.
