- b. Authorize the Probation Department to sign and submit the Juvenile Accountability Block Grant (JABG) application in the total amount of \$102,590 for the period July 1, 2004 to June 30, 2004 from the California Board of Corrections (BOC).

Alignment with Board Strategic Plan:

The recommendation(s) are primarily aligned with Goal No. 2. A Safe and Healthy Community in Which to Live, Work, and Visit and with Goal No. 7. A Community that Fosters the Safety and Well-Being of Families and Children.

Executive Summary and Discussion:

The Probation Department has been receiving Juvenile Accountability and Incentive Block Grant (JAIBG) funds from the Office of Criminal Justice Planning (OCJP) since FY 1999-00. Due to the creation of the Department of Homeland Security and the restructuring of the Federal Government that resulted, the OCJP

ceased to exist as of September 30, 2003. In December 2003, the Probation Department was notified that the new administrator of the grant would be the Board of Corrections (BOC). BOC administered the FY 2003-04 JAIBG grant for the last 9 months of the fiscal year. The BOC renamed the grant program the Juvenile Accountability Block Grant (JABG) for the FY 2004-05 application. Hereafter the program will be referred to as JABG regardless of the fiscal year. The eligible program areas remained the same.

In the past, JABG has been used to fund activities designed to improve and expand the Probation Community Service Work Programs, help fund the development of the Juvenile Client Management system, to provide services to minors participating in the Juvenile Drug Court program, and to fund Teen Court services for minors in the three geographic regions of the County. The Juvenile Justice Coordinating Council has agreed that the current year's grant will be used to fund services to minors participating in the Juvenile Drug Court and to provide Teen Court services.

The Performance Measure for the Juvenile Drug Court Program is:

- RPM # 89: To ensure public safety and reduce substance abuse: Ensure that 80% of participants in Juvenile Drug Court will not have positive drug screens during Aftercare.

Mandates and Service Levels:

Statutory mandates governing Probation Department services are attached for your review.

Fiscal and Facilities Impacts:

The JABG grant funds ongoing Probation Department programs. Probation has received JAIBG funds for the last five fiscal years. Based on estimated eligibility, \$90,000 of the \$102,590 award is included in the Probation Department's FY 2004-05 proposed budget. The remaining \$12,590 will be budgeted once Probation receives official notification of approval of grant award. The grant requires \$11,399 of match which is included in the FY 2004-05 proposed budget. There are no facility impacts.
