Summary Text:

The County's Inclusionary Housing Ordinance, Ordinance No. 4855 (IHO) directs that a report on the County's inclusionary housing requirements with any necessary revisions and the annual in-lieu inclusionary housing fees with any needed adjustments be received and filed by the Board no later than August 31st of each fiscal year. (The IHO does not require the Board to approve the adjustments to the 2015 inclusionary housing requirements or the 2015 in-lieu fees). The IHO was codified under County Code Chapter 46A. The IHO allows developers to satisfy the County's inclusionary housing requirements by paying in-lieu fees instead of providing affordable housing units on-site. Projects located within the Cuyama Housing Market Area are exempt from inclusionary housing requirements as provided in Section 46A-3 of the Inclusionary Housing Ordinance. County Housing and Community Development staff will apply the adjusted in-lieu fees and inclusionary housing requirements after the Board receives and files the updates.

Background:

The IHO requires discretionary residential projects of five or more units to provide a portion of the development as price-restricted affordable housing units to ensure the supply of affordable housing in the unincorporated Santa Barbara County. Under specific housing market conditions, section 46A-4(a)1.i and ii the IHO allows an annual adjustment of the inclusionary housing requirements for moderate and workforce housing units for developments of 20 or more lots/units. The IHO affords developers the option of satisfying the inclusionary housing requirements by paying fees in lieu of providing affordable units on-site. In-lieu fees are deposited in the County's Housing Trust Fund and used to fund the development or rehabilitation of very low- and low-income housing, special needs housing, senior housing, and to assist non-profit organizations and other governmental agencies to provide or preserve affordable housing in the County. The adjustments to the 2015 in-lieu fees are based on data from the most recent condominium sales activity in 2014, which the Community Services Department (CSD) obtained from the County Assessor's Office. In-lieu fees shall be reviewed and updated periodically by the County's Housing and Community Development Division (HCD) as necessary.

Section 46A-6(a) of the IHO provides for CSD to annually review inclusionary housing requirements (Attachment B) for development of 20 or more lots/units. For any given year, inclusionary housing requirements for moderate and/or workforce household income categories may be waived entirely by the County when the median sales price of all housing units in each non-exempt Housing Market Area (HMA) over a twelve-month period is affordable to either moderate and/or workforce income categories.

The following factors must be incorporated into any such determination of residential market affordability into the Monthly Mortgage Payment for Purchase Median Home Sales Price calculation:

1. Loan term, at thirty-year fixed rate with five percent down payment;
2. Average annual percentage rate (APR), as reported by the Federal Home Loan Mortgage Corporation (Freddie Mac) over twenty-four weeks of Weekly Primary Mortgage Market Survey® (PMMS®) results for a thirty-year fixed rate mortgage term in the western region of the United States;

3. Average points and/or fees, as reported by the Federal Home Loan Mortgage Corporation (Freddie Mac) over twenty-four weeks of Weekly Primary Mortgage Market Survey® (PMMS®) results for a thirty-year fixed rate mortgage term in the western region of the United States;
4. Annual property tax, at one and two-tenths percent of median home sales price; and
5. Insurance, at seven-tenths percent of median home sales price.

In summary, the following adjustments were made by CSD after an annual review of inclusionary housing requirements, which was completed in the third quarter of 2015:

- Inclusionary housing requirements for the moderate and workforce income household categories for developments of 20 or more lots/units are waived for FY 2015/16 for the Santa Maria and Lompoc HMAs; and
- Inclusionary housing requirements for the workforce income household category for developments of 20 or more lots/units are waived for FY 2015/16 for the Santa Ynez HMA.

The adjustments to the Inclusionary Housing Requirements were based on home sales price records for each HMA over a twelve-month period as recorded by the County Assessor. The results of the 2015 Annual Adjustment of the Inclusionary Housing Requirements for developments of 20 or more lots/units are shown in the following table:

Housing Market Area (HMA)	Very Low	Low	Moderate	Workforce	Total Inclusionary Housing %
South Coast	2.5%	2.5%	5%	5%	15%
Santa Ynez	2.5%	2.5%	5%	0%	10%
Santa Maria	2.5%	2.5%	0%	0%	5%
Lompoc	2.5%	2.5%	0%	0%	5%

The grey-highlighted portions of this table reflect the adjustments to the County’s Inclusionary Housing Requirements. The percentages represent the percent of housing units that will be price-restricted to the applicable affordable level.

Section 46A-6(b) of the IHO provides for CSD to annually report to the Board on the status of in-lieu inclusionary housing fees paid pursuant to section 46A-4(b) and affordable housing and special needs housing activities undertaken with the In-Lieu Inclusionary Housing Fees. That report will be provided to the Board at a future meeting.

Section 46A-6(b) of the IHO specifies that the in-lieu fees for the very low and low income categories be updated based on the percent change in the median sales price of condominiums in each HMA over a 12 month period. In addition, Section 46A-6(b) specifies the in-lieu fee for the moderate and workforce income categories are updated based on the estimated cost to build a housing unit, calculated as the median sale price of condominiums in an HMA over a 12 month period less 15%, which represents developer profit. HCD continues to work closely with the County Planning and Development Department to evaluate the effectiveness of the IHO policies and the Inclusionary Housing Ordinance, adopted in 2013.
