CONFIRMATION: PLEASE CALL DAVID VILLALOBOS AT 568-2058 AS SOON AS THIS AD IS RECEIVED. THANK YOU.

Please publish the attached camera ready public hearing notice as a 2 column 4 1/4" x 12 3/4" ad on **SATURDAY, FEBRUARY 19, 2022** in the main or local section of the newspaper.

One copy of an affidavit of publication should be forwarded to Planning and Development, Attention: David Villalobos, in sufficient time to reach us before the date of **MARCH 8, 2022**.

To expedite payment for this office, please mail a copy of the invoice along with one copy of proof of publication (tearsheet) directly to Planning and Development, 123 East Anapamu Street, Santa Barbara, CA 93101, [Attention: Accounting]. The invoice should include the case name, case number and Department Number 4390. Thank you!

**SANTA BARBARA COUNTY
BOARD OF SUPERVISORS
NOTICE OF PUBLIC HEARING**

On March 8, 2022, the Board of Supervisors will consider the recommendations of the County Planning Commission regarding the Exxon Mobil Interim Trucking for Santa Ynez Unit Phased Restart Project (Case No. 17RVP-00000-00081).

The proposed Interim Trucking project consists of the installation and operation of a new oil tanker truck loading rack and appurtenant equipment at ExxonMobil's onshore Las Flores Canyon (LFC) processing facility in order to transport produced crude oil via diesel-driven tanker trucks from the LFC to two receiving terminals: Phillips 66 Santa Maria Pump Station (SMPS) at 1580 E. Battles Road in Santa Barbara County, and the Plains Pentland Terminal at 2311 Basic School Road in Kern County

The proposed project involves Assessor Parcel Nos. 081-220-014, 081-230-019, and 081-230-025 which contain the LFC facilities, located at 12000 Calle Real on the Gavioeta coast, approximately 12 miles west of the City of Goleta and one mile north of Highway 101, in the Third Supervisorial District.

The Board of Supervisors will consider the recommendations of the County Planning Commission as follows:

- a) Make the findings for denial of the Modified Project, Case No. 17RVP-00000-00081;
- b) Determine that denial of the Modified Project is exempt from CEQA pursuant to CEQA Guidelines Section 15270(a); and
- c) Deny the modified project, Case No. 17RVP-00000-000081.

On June 11, 2021 and effective immediately, Governor Newsom issued Executive Orders N-07-21 and N-08-21, which rescinded some prior Executive Orders related to COVID-19, but Executive Order N-08-21 additionally states some prior Executive Orders related to COVID-19 still remain necessary to help California respond to, recover from, and mitigate the impacts of the COVID-19 pandemic. For current and alternative methods of public participation for the meeting of March 8, 2022, please see page two (2) of the posted Agenda.

For additional information, please contact Erin Briggs at eribriggs@countyofsb.org or 805-568-2047.

If you challenge this project (Case No. 17RVP-00000-00081) in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Board of Supervisors prior to the public hearing.

Attendance and participation by the public is invited and encouraged. In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this hearing, please contact the Clerk of the Board of Supervisors by 4:00 p.m. on Friday before the Board meeting at (805) 568-2240.

PUBLIC NOTICES

continued on Page A4

COUNTY OF SANTA BARBARA
BOARD OF SUPERVISORS
NOTICE OF PUBLIC HEARING
TO BE HELD AT 10:00 A.M.
IN SALES, REVENUE
The meeting starts at 10:00 a.m.

NOTICE IS HEREBY GIVEN that on March 1, 2022, the Board of Supervisors will consider the recommendations of the County Planning Commission to approve the Gallop Pines, LLC Apartments Project (Case Nos. 17RVP-00000-0002, 19R2N-00000-0002, and 19DVV-00000-0002).

The proposed Gallop Pines, LLC Apartments development project consists of the construction of a new, 27-unit apartment building with three detached covered carports, two trash enclosures, 40 vehicle parking spaces, and 24 bicycle parking spaces where a remnant acreage parcel currently zoned R1 is to be subdivided into 27 lots. The apartment building will total 27,222 gross square feet with a maximum height of 24 feet. The units will be available as market rate rental apartments. The project is exempt from providing affordable units pursuant to the Inclusionary Housing program since it is a 100% rental project. The project's unit density (184.1 units/acre) is consistent with the DR-20 Zone District, which allows for a maximum of 21 units on the 1.2-acre parcel site (16 to 20 units per acre). The project site's larger parcel, APN 04-035-027 (1.13 acres), is already zoned DR-20, a change first occurred with adoption of the Eastern Goleta Valley Community Plan. The proposed Rules and Comprehensive Plan Map Amendment will convert a small adjacent parcel, APN 04-160-031 (0.11 acres), from a Commercial zoning and land use designation to Design Residential with a corresponding density of 30 units per acre. The two parcels comprising the project site will be voluntarily merged prior to zoning clearance issuance.

The project site consists of two parcels totaling 1.42 acres, situated on the southwest corner of Calle Real and Peterson Avenue, located at 2517 Calle Real, Assessor's Parcel Number 04-035-027 (1.13 acres) and 1.29-acre parcel zoned DR-20 that contains a remnant acreage parcel, Assessor's Parcel Number 04-160-031 (0.11 acres), zoned C-2, undeveloped, and sits approximately 10 feet above the grade of APN 04-035-027. A former Mobil Oil service station was located on APN 04-160-031 and other adjacent parcels from approximately 1947 through 2002. The service station became non-operative in the 1990s. The subject parcel was developed as the Palatton Pines Self-Storage facility (APN 04-160-031) until Assessor's Parcel Number 04-160-031 has been previously remediated through the Los Angeles International Storage Tank (LUST) program and is considered suitable for use due to its small size and lack of access.

For additional information, please contact Sean Stewart at sestewart@countyofsb.org or 805-568-2517.

On June 11, 2021, and effective immediately, Governor Newsom issued Executive Order N-07-21 and N-08-21, which rescinded some prior Executive Orders related to COVID-19, but Executive Order N-08-21 additionally states some prior Executive Orders related to COVID-19 still remain necessary to sustain California's economy and public health. For information about these services please contact the Clerk of the Board of Supervisors at 805-568-2240.

Please see the posted agenda and staff reports available on the Thursday prior to the meeting at <http://www.santabarbara.ca.gov/Calendar.aspx> under the hearing date, or by contacting the Clerk of the Board at (805) 568-2240 for alternative options.

Please see the posted agenda, available on Thursday prior to the above referenced meeting for a more specific time for this item. However, the order of the agenda may be rearranged or the item may be continued.

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the Clerk of the Board of Supervisors at 4:00 PM on Friday before the Board meeting. For information about these services please contact the Clerk of the Board at (805) 568-2240.

If you challenge this project (Case Nos. 17RVP-00000-0002, 19R2N-00000-0002, 19DVV-00000-0002) in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Board of Supervisors prior to the public hearing. G.C. Code Sections 65000, 65006, and 65007.

Witness my hand and seal this 15th day of February 2022.

Mona Mivovitz
CLERK OF THE BOARD OF SUPERVISORS
Shelia de la Guerra, Deputy Clerk

FEB 19 / 2022 - 57988

Santa Barbara County reported 397 new COVID-19 cases and five deaths Friday. Four individuals were in the 70-plus age group, and one was in the 30-49 age group. Two individuals had underlying health conditions. One death was associated with a congestive care facility.

Of the 397 cases, the highest number, 210, was in Santa Maria, according to the county Public Health Department. Neighboring Orcutt had 28 cases.

Elsewhere, 49 cases were reported in Lompoc and nearby Mission Hills and Vandenberg Village.

Twenty-one cases were in Santa Barbara and unincorporated Mission Canyon.

Twenty-three cases were in the North County areas that include Sisquoc, Casmalia, Garey, Cuyama, New Cuyama and Gualalupe. Twelve cases were in Isla Vista.

Santa Ynez Valley reported four cases. Seven cases were in unincorporated Goleta Valley and Gaviota.

Two cases were in the South County corridor, which includes Montecito, Summerland and Carpinteria.

The locations of 31 cases are pending.

Seventy patients are recovering in county hospitals. Another 13 are recovering in intensive care units.

Santa Barbara County now has a total of 83,760 cases, of which 1,977 are still infectious. The total number of deaths is 644.

The Santa Barbara County Public Health Department reported that 71.6% of the eligible 5-and-older population is fully vaccinated.

Of the entire county population (all ages), 67.3% is fully vaccinated.

All numbers are provided by the health department.

TRAFFIC, CRIME AND FIRE BLOTTER

Pile burning next week

A prescribed pile burning will take place Tuesday through Thursday in Los Padres National Forest of 1 to 10 acres of treated slash from felled trees and brush.

An additional series of burns will occur throughout the spring, according to a news release.

Burns will take place from 7:30 a.m. to 5 p.m. on the prescribed day. Burning will occur near Figueroa Mountain and various other forest locations.

The goal of the series of prescribed burns is to reduce the risk of wildfire.

The burn will be conducted

when meteorological conditions are favorable to direct smoke away from population centers.

This prescribed burn is planned and coordinated by Los Padres National Forest with air pollution control districts in Santa Barbara, San Luis Obispo and Ventura counties and the California Air Resources Board to minimize impacts on air quality for surrounding communities.

The burn is dependent on favorable conditions of weather and air quality for smoke dispersal, according to the news release. The burn will be rescheduled if conditions are not favorable.

Measure may be on 2022 ballot

WEALTH

Continued from Page A1

services funded for the very people they profit from."

The California Taxpayers Association said Thursday that a similar wealth tax proposal brought forth last year "led many Californians to rethink living in California, just by virtue of being introduced."

Leg introduced near-identical legislation last year, but it never received a committee hearing and died due to legislative deadlines.

The association noted that the "top 5% of earners in California account for about two-thirds of the total personal income tax revenue" collected by the state, adding that the tax would cause high-earners to consider leaving the state.

"The new-and-not-improved proposal will prompt more wealthy Californians to pack their bags and move — a bad idea considering they represent a major portion of our tax base," CalTax President Robert Gutierrez said in a statement.

"If high earners leave — and they will, to avoid the tax hike as well as the headache of having to annually appraise everything they

own, anywhere in the world — the taxpayers left in California will be asked to pay more," he added.

The California Federation of Teachers (CFT), which is sponsoring the bill, said this week that the tax would give the state the ability to fix several looming problems the state faces, including issues with wildfires, housing, education and water.

"California billionaires have increased their wealth astronomically since the beginning of the pandemic, while regular working families have struggled to pay their bills," said CFT President Jeffrey Freitas said in a statement. He later added, "It's time we took care of each other, and not just wealthy billionaires fly into space."

Assemblymember Lee's bill is similar to a proposal unveiled by Sen. Elizabeth Warren in March 2021 — the "Ultra-Millionaire Tax Act" — that sought to impose a 2% annual tax on households and trusts worth \$50 million to \$1 billion, and a 1% surtax on households and trusts worth more than \$1 billion.

Assemblymember Lee's proposal is approved by the State Legislature, voters will decide on the measure on the 2022 ballot.

Administrator's office oversees 10 departments, 1,000 employees

ADMIN

Continued from Page A1

She served as the water resources manager for about seven years, overseeing water and wastewater utilities at the Coter Water Treatment Plant and El Estero Wastewater Treatment Plant in Santa Barbara.

From there, Ms. Bjork worked her way up — a "whirlwind" of public service in Santa Barbara, she said.

Ms. Bjork spent five years as the director of Public Works, Santa Barbara's largest city department with seven divisions, nearly 300 employees and a \$138 million budget.

She has also served as the interim community development director. It was in that position that the city has credited Ms. Bjork for her work to help the homeless population and address encampments during the pandemic. She also implemented some reforms to the department on the business side and managed the Sustainability & Resiliency Department.

Ms. Bjork is a "systems manager," meaning she enjoys finding new processes that work efficiently in public service and then implementing those practices.

"We have wonderful staff across the board. One of the things I really recognized last year when I was doing so many different positions at once is we have really

good people here," Ms. Bjork told the News-Press. "I am looking forward to working with my executive team, which is relatively new, to put in place a strong culture and (a focus on) service."

Protecting the environment while advocating for infrastructure has been a major focus for Ms. Bjork throughout her career. She said she's glad to work for Santa Barbara, a city that is environmentally conscious and "willing to do the right thing."

"I really appreciate being able to work for a place that balances the values of managing rates with managing outcomes," Ms. Bjork said.

The City Administrator's Office oversees the operations of 10 departments and more than 1,000 full-time and part-time employees. The office is in charge of labor negotiations, strategic planning, policy development, legislative advocacy, intergovernmental relations and city television, just to name a few areas.

Ms. Bjork is an alumna of Grinnell College and Cal State Northridge.

Earlier this week, Santa Barbara Mayor Randy Rowse said, "Her performance in the interim capacity has been accomplished and progressive, and we have every confidence that her experience, management skills and dedication will continue to be an asset to the city of Santa Barbara."

15 new COVID-19 Cases at jail

SANTA BARBARA — Fifteen new inmates have tested positive for COVID-19 at the Main Jail.

But 12 inmates who previously tested positive have been cleared, according to the Santa Barbara County Sheriff's Office. This brings the number of active cases at the Santa Barbara jail to 13.

During this outbreak, there has

been a total of 277 cases, including 13 active cases, 249 recovered cases and five related inmates. All COVID-19-positive inmates are monitored by custody staff and the sheriff's office's Wellpath partners. No inmates have been hospitalized due to this outbreak, while 58 inmates have reported being symptomatic and 218 reported being asymptomatic. One declined to answer when asked about symptoms.

—Katherine Zehnder

No change to trash collection

SANTA MARIA — Presidents Day isn't affecting trash or green waste/organics collection in Santa Maria.

Residents can expect the same

schedule on Monday and the rest of the week. Customers should place their containers by 6 a.m. as usual on regular service days.

For more information, call the city Utilities Department at 805-925-0951, ext. 7270.
