ATTACHMENT 6:

NONCONFORMING STATUS DETERMINATION PROCEDURE FLOWCHART

Board adopts ordinance amendments to Article X to establish (1) procedure for legal, nonconforming determinations and (2) establish a termination date for such status (TBD).

↓

Cultivator submits an application for a Planning Commission determination of legal nonconforming status.

↓

Planning Commission holds a hearing and makes determination.

Determination that the existing operation is currently **legal, nonconforming**.

Determination that the existing operation is **illegal** and must cease operating.

After the appeal period expires:
- County replies to State regarding legal nonconforming status (if requested to do so)
- After specified date (TBD), must be in full compliance with local permitting and licensing laws to continue operating.

Appeal to
Board of Supervisors

Legal = cultivator obtains state license.
- County replies to State regarding legal nonconforming status (if requested to do so)
- After specified date (TBD), must be in full compliance with local permitting and licensing laws to continue operating.

Illegal = must cease existing operations.
- County replies to State regarding illegal status (if requested to do so)
