## State Water Resources Control Board

# Notice of Receipt for Cannabis Small Irrigation Use Registration

Registration ID: H504073

### THIS NOTICE OF RECEIPT IS NOT A WATER RIGHT

Based on the response provided for your cannabis cultivation water source, you do not need to file for a Small Irrigation Use Registration. You may use your existing water source for cannabis cultivation. Be aware - you may still need coverage under the Cannabis General Order. Even if you do not need a water right for your project, you are still required to comply with the Cannabis Cultivation Policy and all other state and local requirements that pertain to your water source. The Cannabis Cultivation Policy has additional requirements for your diversions including groundwater wells, and discharges.
