SUBJECT: Santa Maria Juvenile Hall Expansion Construction Contract Extension.

Recommendation(s): That the Board of Supervisors approve and that the Chair sign the four attached copies of the Board of Corrections' Standard Agreement Amendment #2 for the Santa Maria Juvenile Hall Expansion Construction Contract (013-99) extending the occupancy date from December 31, 2004 to no later than March 30, 2005.

Alignment with Board Strategic Plan: Community Health and Safety: A safe and healthy community in which to work and visit.

Executive Summary and Discussion: The Board of Supervisors signed a resolution on March 9, 1999 in support of Santa Barbara County's participation in the California Board of Corrections' (BOC) Juvenile and Adult Local Detention Facility Construction grants. This was part of the process by which the Probation Department applied for \$18,000,000 to build a new Santa Maria Juvenile Hall, but Santa Barbara County's request for funding was not granted. However, shortly thereafter Federal Violent Offender and Truth in Sentencing revenue was offered to fund projects on a per bed added basis (\$100,500 per bed cap). On September 16, 1999 the BOC awarded Santa Barbara County a construction grant in the amount of \$8,040,000 for the addition of 90 beds to the existing Santa Maria Juvenile Hall. On April 24, 2003, your Board approved a construction contract with the BOC that included a projected substantial completion date of June 30, 2004, and an occupancy date of September 30, 2004. As the project approached 80% completion, the construction timetable was reviewed and it was concluded that due to a number of essential change orders, a 90-day extension request was in order. The BOC granted the extension and on June 1, 2004, Standard Agreement Amendment #1 which extended the construction completion date to September 30, 2004, and the occupancy date to no later than December 31, 2004, was presented to and approved by your Board.

Subsequent delays resulting from change orders for additional cabinetry, casework and fixtures as well as delays in the installation and functioning of the master control room and the extensive security system

prohibited even limited occupancy of the Santa Maria Juvenile Hall expansion. Consequently, it has been impossible for the Probation Department to train and orient personnel in the operation and use of the new facility. These delays have necessitated a second request to the BOC for an extension of the occupancy date. The BOC concurred with and authorized the extension request and provided the Standard Agreement Amendment #2 for your Board's signature. This amendment extends the occupancy date from December 31, 2004, to no later than March 30, 2005. It does not change any other terms of the contract. Claims for the full grant award of \$8,040,000 have been submitted to the BOC and a BOC required audit of the grant contract is currently being conducted.

Performances Measures for the Santa Maria Juvenile Hall include:

To protect the public and to ensure the safe and secure detention of minors: Provide no more than 100% of 18,250 annual bed days at the Santa Maria Juvenile Hall.
(This RPM does not reflect bed day usage for the 90 bed expansion)

To promote responsible juvenile offender behavior: Maintain a compliance rate of 85% on an average of 120 minors on Home Supervision in lieu of detention in the Santa Maria Juvenile Hall.

Mandates and Service Levels: The project will be constructed and the program operated in compliance with Board of Corrections Standards as enumerated in Titles 15 and 24 of the California Code of Regulations.

Statutory mandates governing Probation Department services are attached for your review.

Fiscal and Facilities Impacts:

This construction grant contract extension changes the occupancy date from December 31, 2004 to no later than March 31, 2005. It is only an extension of the occupancy date and does not change the construction grant contract amount or the general fund contribution as match to the construction grant project.

This project will add an additional 70,000 sq. ft. of occupied space to the current facility.

Special Instructions:

Please have the four original copies signed. Call Damon Fletcher, x3641, who will pick up the originals and arrange to obtain the Board of Corrections signatures.
