Sec. 52-9. Local Rental or Purchase Reporting

Following initial rental or sale of 90 percent of the units in an applicable development, developers shall submit to the Director a summary of the number of renters and/or buyers of units that live and/or work within the relevant HMA. The reporting shall include the following:

- (a) Whether the units are rentals or for-sale;
- (b) The total number of units; and
- (c) The number of units rented or sold to persons who live and/or work in the relevant HMA where the development is located.
