**Summary Text:**

The Life and Annuity Consumer Protection Program (LACPP) is a State Department of Insurance program that provides funds to District Attorneys for the identification, outreach, victim advocacy, enhanced

investigation and prosecution of life insurance and annuity financial abuse by insurance licensees or persons holding themselves out to be insurance licensees, or any person purporting to be engaged in the business of insurance.

Board approval is required to receive grant revenue and continue this program in Fiscal Year 2020-21. In order to meet state deadlines and properly receive the grant funding, the District Attorney preliminarily executed the grant agreement pending formal authority from the Board of Supervisors.

**Background:**

In 2004, the State of California enacted the Life and Annuity Consumer Protection Program, to curb life insurance and annuity financial abuse, particularly against senior citizens. This program is funded by an assessment on all newly issued life insurance and individual annuity policies sold to California residents. A portion of these funds are distributed to District Attorneys throughout California for the prosecution of life insurance and annuity fraud cases.

This grant will provide partial funds for one Deputy District Attorney (DDA) who will assist in the identification, investigation and prosecution of life and annuity financial abuse. The DDA will act as a liaison to local law enforcement and the DOI when cases of potential abuse are discovered. Victim Witness Assistance Program Advocates are available to provide identified victims with services to help them recover from emotional and financial injuries, including but not limited to case status updates and referrals to counseling and other resources.

**Fiscal and Facilities Impacts:**
