During the thirty (30) day period, Contractor shall, as directed by County, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on County from such winding down and cessation of services.
  2. **For Nonappropriation of Funds.** The parties acknowledge and agree that this Agreement is dependent upon the availability of County, State, and/or federal funding. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the County, State and/or federal governments for the Agreement, or is not allocated or allotted to County by the County, State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments after the effective date of such non-allocation or non-funding, as provided in the notice, will cease and terminate.

Upon receipt of notice, Contractor shall immediately discontinue all services affected (unless the notice directs otherwise) and notify County as to the status of its performance. The date of termination shall be the date the notice is received by Contractor, unless the notice directs otherwise.

## **AGREEMENT**

- B. **By Contractor.** Should County fail to pay Contractor all or any part of the payment set forth in EXHIBIT B, Contractor may, at Contractor's option terminate this Agreement if such failure is not remedied by County within thirty (30) days of written notice to County of such late payment.
- C. **Upon termination,** Contractor shall deliver to County all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by Contractor in performing this Agreement, whether completed or in process, except such items as County may, by written permission, permit Contractor to retain. Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such financial information as in the judgment of County is necessary to determine the reasonable value of the services rendered by Contractor. In the event of a dispute as to the reasonable value of the services rendered by Contractor, the decision of County shall be final. The foregoing is cumulative and shall not affect any right or remedy which County may have in law or equity.
