

# JAIL HEALTHCARE COMMUNITY MEETING

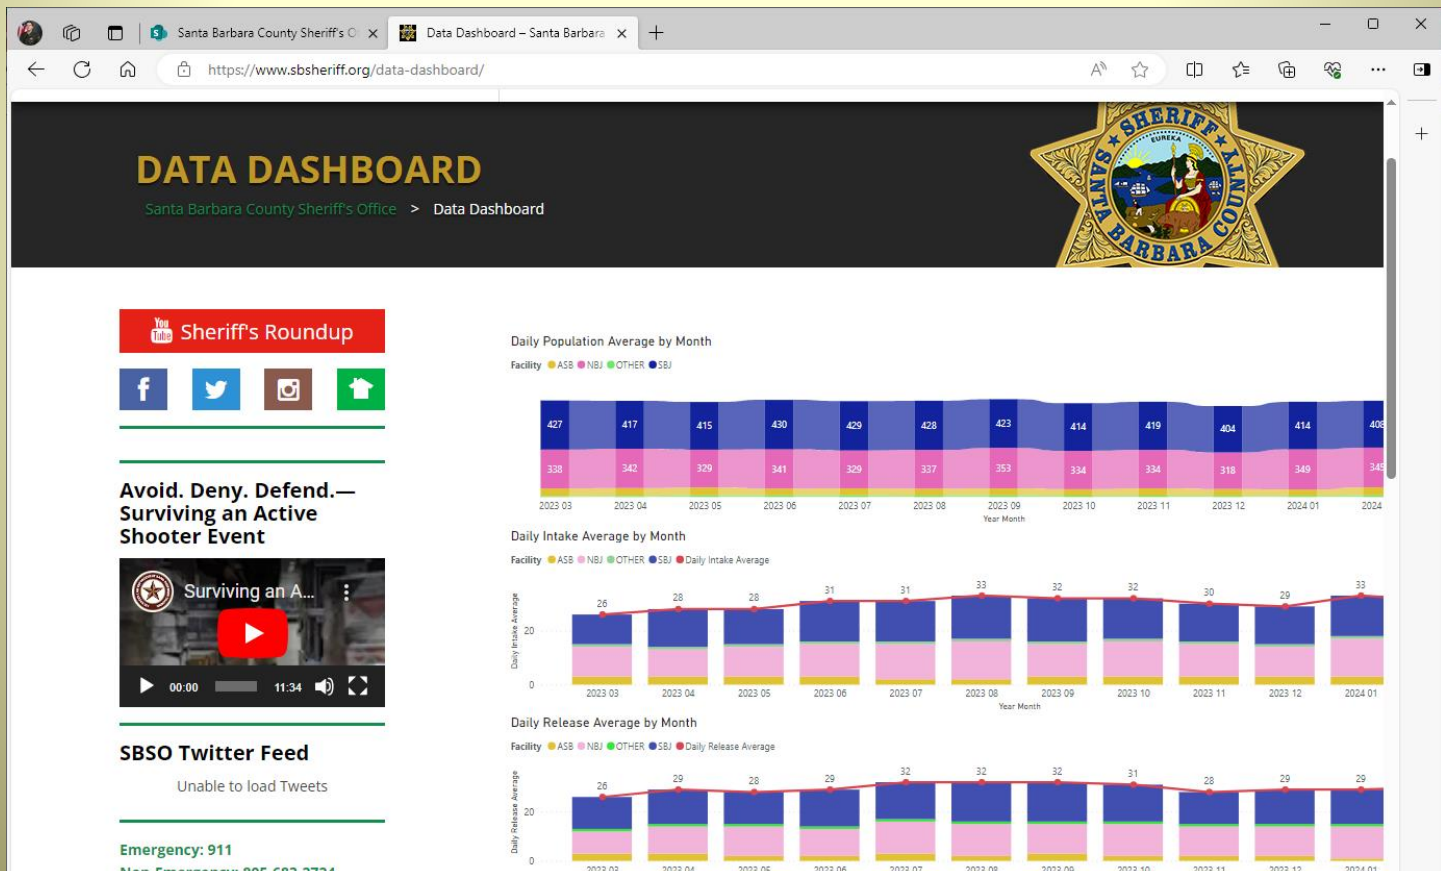

April 3, 2024

Data Sharing & Transparency

**SHERIFF BILL BROWN**

# Current State

- Tour of current data dashboard by Commander Ryan Sullivan

# Future Additions

- More nuanced breakdown of inmate population
  - Demographics
  - Number requiring medical or behavioral health services
- Health Services Statistics
- Grievance Reports

# Challenges

- Data Sharing Between all involved entities
  - Protection of confidentiality
  - Bidirectional / continuity of care
    - Single client connectivity
  - Data Integrity
  - Legal Constraints
- Resource Availability & Bandwidth
