For Agenda Of: 09/18/07
Placement: Administrative
Estimated Tme: N/A
Continued Item: No
If Yes, date from:
Vote Required: Majority

TO: Board of Directors, Flood Control and Water Conservation District

FROM: Department Scott McGolpin, Interim Public Works Director, 568-3010
Director(s)
Contact Info: Thomas D. Fayram, Deputy Public Works Director, 568-3436

SUBJECT: **Via Rueda Interceptor Storm Drain Project Award, Second District**

County Counsel Concurrence

As to form: Yes

Other Concurrence: Risk Management

As to form: Yes

Auditor-Controller Concurrence

As to form: Yes

Recommended Actions:

- a) Award the construction contract for the Via Rueda Interceptor Storm Drain Project in the amount of \$257,095.00 to the lowest responsible bidder Tierra Contracting (a local vendor), subject to the provisions of documents and certifications, as set forth in the plans and specification applicable to the project and as required by law;
- b) Authorize the Chair to execute the construction contract upon return of the contractor's executed contract documents, and the review and approval of the County Counsel, Auditor-Controller, and Risk Manager or their authorized representatives;
- c) Approve a contingency in the amount of \$25,354.75 for the above subject project; and
- d) Approve plans and specifications for the project.

Summary Text:

The Via Rueda Interceptor Storm Drain Project is located on Vieja Drive off of Puente Drive in the unincorporated area in Goleta. The project consists of constructing a 36" diameter storm drain above Via Rueda that will intercept storm flows from an unimproved portion of Vieja Drive right-of-way and convey the storm flows to Atascadero Creek.

On August 23, 2007, the Flood Control District received ten bids for the Via Rueda Interceptor Storm Drain Project. Tierra Contracting submitted the apparent lowest bid in the amount of \$257,095.00.

Background:

The existing drainage facilities above the Via Rueda neighborhood are inadequate for the neighborhood. This project will improve drainage and decrease flooding potential to the area.

Fiscal and Facilities Impacts:

Budgeted:

Fiscal Analysis:

<u>Funding Sources</u>	<u>Current FY Cost:</u>	<u>Annualized On-going Cost:</u>	<u>Total One-Time Project Cost</u>
General Fund			
State			
Federal			
South Coast FZ	\$ 257,095.00		
Other:			
Total	\$ 257,095.00	\$ -	\$ -

Narrative:

This project was included in the Adopted 2007/08 Budget under the Design Cost Center of the Water Resources Division of the Public Works Department as shown on page D-318 in the budget book. The project was also included in the Capital Improvement Program on page B-193.

Staffing Impacts:

Legal Positions:

FTEs:

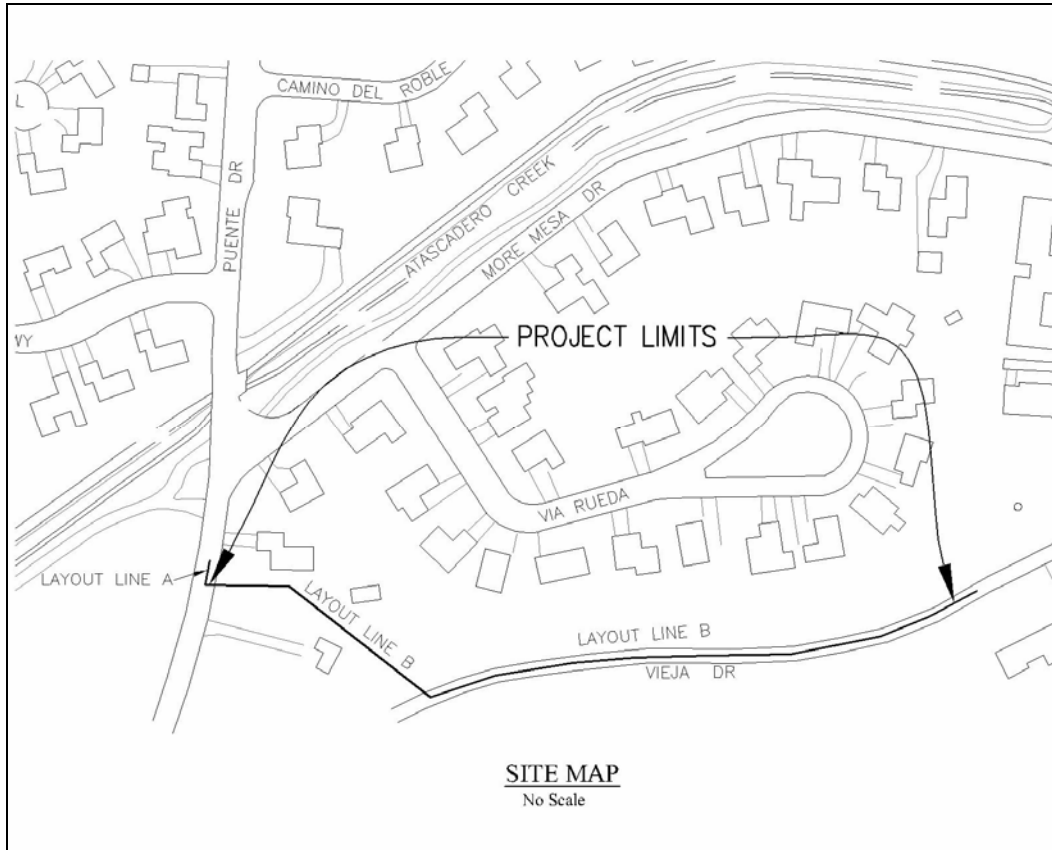

Special Instructions:

Direct the Clerk of the Board to send a copy of the minute order of this action to the Flood Control District office, Attn: Christina Lopez.
