SECTION 1. PURPOSE

This Memorandum of Understanding is hereby entered into by and between the County of Santa Barbara, hereinafter referred to as the County, and the Santa Barbara Chapter of the Social Services Union Local 721, SEIU, , hereinafter referred to as the Union. It is the general purpose of this Memorandum of Understanding to promote the mutual interest of the County and its employees and to establish rates of pay, hours of work and certain other terms and conditions of employment.

SECTION 2. TERM

This Memorandum of Understanding shall continue in effect for the period up to and including ~~July 3, 2016~~ June 30, 2019. It is the intent of the parties that this Memorandum of Understanding be administered in its entirety in good faith during its full term.

SECTION 3. RENEGOTIATION

Either the County or Union may serve notice to meet and confer concerning possible changes in the provisions of this agreement. Such notice shall be submitted in writing at least sixty days prior to the termination date of this agreement. It is the intent of the parties to conduct negotiations in such a manner as to reach a new agreement on or before the termination date of this agreement. If either party timely serves notice to meet and confer, the first negotiating session shall commence not earlier than ninety days nor less than thirty days prior to the termination date of this agreement, unless the parties mutually agree otherwise.

SECTION 4. RECOGNITION

The County hereby recognizes the Union as the majority bargaining representative for the employees in the following representation units:

- A. Human Services Non-Supervisory
- B. Human Services Supervisory

SECTION 5. MAINTENANCE OF BENEFITS

- A. Except as set forth in this Memorandum of Understanding, and unless the Union agrees to reopen negotiations on a particular bargaining subject, the County and the Union agree that there shall be no changes during the life of this Memorandum of Understanding in the wage rates, benefits, or other terms and conditions of employment subject to the meet and confer process established by this Memorandum of Understanding or by any County Regulation,

Ordinance or Resolution, except by mutual agreement of the parties, or as required by Federal or State law or regulations. In addition, the parties specifically agree that benefits beyond County control shall be exempt from this provision. Furthermore, either party may initiate negotiations on proposed Civil Service Rules (new or modified) which directly affect wages, hours and other terms and conditions of employment, to the extent such terms and conditions of employment are within the scope of representation, three times during each year (February, June and October). The County agrees to consult with the Union on matters where Federal or State changes would significantly affect employees covered by this Memorandum of Understanding.

- B. The County or the Department shall notify the Union of any proposed change in County Rules, Regulations, Ordinances or Resolutions on subjects which are beyond the scope of the meet and confer process, but the practical application of which directly affects employees represented by the Union. The County agrees to meet and consult with the Union on any such proposals, upon request of the Union.

SECTION 6. CONCLUSIVENESS OF AGREEMENT

- A. The provisions contained in this Agreement shall prevail over County practices and procedures and over State laws to the extent permitted by State law.
- B. This Agreement sets forth the full understanding of the parties regarding the matters set forth herein. - C. This Section does not apply to the County's Civil Service System or to the rules adopted to administer the Civil Service System.

SECTION 7. SEPARABILITY

In the event that any provision of this Memorandum of Understanding shall at any time be declared invalid by the legislature or any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum of Understanding, it being the express understanding of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.

SECTION 8. WAIVER

Except as otherwise expressly provided in this Memorandum of Understanding or where the parties mutually agree to meet and confer on a matter, the County and the Union expressly waive and relinquish the right and each agrees that the other shall not be obligated during the term of this Memorandum to meet and confer with respect to any subject or matter including mandatory subjects of negotiation, whether referred to or covered in this Memorandum of Understanding or not specifically referred to and covered in this Memorandum of Understanding, and even though such subjects or matter are proposed and later withdrawn.

SECTION 9. NON-DISCRIMINATION

This program allows a regular County employee to donate the monetary value of accrued vacation, holiday or overtime hours to a specific, eligible employee who has exhausted his/her own available leave balances. Serious or catastrophic illness or injury is defined as the employee's own adverse medical condition which requires the employee to be absent from work for more than twenty (20) consecutive work days, or a similarly debilitating illness or injury of the employee's immediate family member (as defined in Section 25, Paragraph G) requiring the employee's attendance.

- must have exhausted all earned leave balances (including sick leave [if related to the employee's own illness], vacation, overtime and holiday credits); except however, the appointing authority may approve the solicitation/acceptance of leave donations prior to all balances being exhausted, when the physician's statement and leave balances indicate the probable exhaustion of balances within two pay periods.

- F. Upon approval of a request for donations, the appointing authority (or his/her designee) shall, at the employee's request, notify other employees of the eligible employee's need for donations; confidential medical information shall not be included in the notice. If the eligible employee is in his/her original probationary period, the notice will include a statement of that fact.
- G. Donations shall be administered according to procedures established by the Auditor-Controller, and requested on a form prescribed by the Auditor-Controller. Signed approvals of the receiving and donating employees must be properly provided before a donation is processed.
- Donors and hours donated shall be maintained as confidential payroll information.

 - C. Overtime work is compensable at the rate of time and one-half the regular rate as computed in accordance with FLSA. Overtime shall accrue in increments of tenths (1/10) of an hour (6 minutes), subject to a minimum of two-tenths (2/10) of an hour (12 minutes).

 - E. Requests by employees to take compensatory time off shall not be denied unless the time off would unduly disrupt the operations of the department. Compensatory Overtime shall be used before any leave-without-pay is granted pursuant to Rule XIV of the Santa Barbara County Civil Service Rules.
 - F. Except upon termination of employment, hours in the Compensatory Overtime account as of the last pay period ending prior to June 30 and December 31 shall be paid off in cash based on the employee's regular hourly rate of pay in effect at the time of payment. SECTION 29. ADMINISTRATIVE LEAVE

Employees in classifications exempt from overtime compensation are eligible for administrative leave in accordance with the following provisions:

- A. Purpose. Salaried employees are compensated for meeting the requirements and performing the duties of their job regardless of the number or scheduling of hours worked. Such employees may be required periodically or routinely to work long or irregular hours, and to attend various meetings and functions outside of normal "business hours" to fulfill their responsibilities.

Due to standards of public accountability and the resulting need for all employees to account for all time for which they are compensated, the County has created a vehicle to record paid time off not charged to accrued leave balances when a salaried employee occasionally works less than his/her regular schedule. This paid time off is called administrative leave. The purpose of

administrative leave is to provide a process for authorized leave time to record amounts to be paid to salaried employees when their pay period total regular hours plus any use of vacation, holiday or sick leave is less than their normal schedule (e.g., 80 hours for full-time employees).

- B. Approval Required. Salaried employees do not have a right to administrative leave. This leave is not an entitlement, is not related to hours worked nor is it subject to accrual or payment for unused leave. Use is completely discretionary, upon approval of the department head. Department heads may approve administrative leave in recognition of extraordinary work assignments, excessive work time beyond normal work schedules or to reward outstanding individual performance.
- C. Procedure. Salaried employees, after having recorded any regular, sick leave, holiday and/or vacation taken as appropriate in a pay period, may use administrative leave with the approval of their department head. The department head may grant a salaried employee up to 80 hours of administrative leave per payroll year. The County Administrator may approve additional administrative leave upon the written request of the department head.

The County may adjust the employee contribution rates to the Retirement System when such adjustments are based on an Actuary Report, recommended by the Retirement Board and approved by the Board of Supervisors. Prior to implementing employee contribution rate adjustments, the County shall give notice and upon request provide an opportunity to meet. The purpose of the meeting will be to discuss the implementation of the contribution rate changes. The effective date of rate adjustments shall be in accordance with the applicable provisions of the County Employees Retirement Law of 1937.

C. Employees will pay one-half of the annual increase in Retirement COLA Normal costs, not to exceed a cap in their increased costs of 2% in any given year.

D. On or after September 1, 2017, the parties will reopen negotiation on the issue of employee retirement contribution rates and potential related salary adjustments. The union shall have full impasse rights related to such negotiations at that time.

SECTION 31. DEFERRED COMPENSATION

The County shall contribute 0.36% of the employee's base salary each pay period into a 401(a) deferred compensation plan for the benefit of the employee. All employer contributions shall be immediately vested to the employee. Employees are responsible for the investment of assets in their individual account among the investment choices available and offered by the Plan Administrator. If an employee fails to direct any specific investment choice, the assets in his/her individual account will automatically be invested in the Plan Administrator's "general account." Specifics of the 401(a) Plan are contained in the Plan Document.

SECTION 32. STANDBY

A. For employees represented by the Union, payment for standby duty will be made for all hours an employee is assigned to standby duty. The County shall determine the employees assigned to standby duty and the period of time assigned.

B. Stand-by duty requires that employees so assigned:

1. be ready and take steps immediately to respond within a reasonable time to calls for their service;
2. be readily reachable by telephone or paging device;
3. remain within a specified distance or time from their work stations;
4. refrain from activities which might impair their ability to perform their assigned duties.

D. No employee shall be paid for stand-by duty time and other compensable duty time simultaneously.

SECTION 33. CALLBACK

A. Employees shall be compensated for a minimum of two (2) hours when the employee is required to attend a staff meeting during the employee's regular day off.

- B. Employees who are called back to work shall be compensated at the appropriate rate. Work time shall begin at the time of notification to promptly report to work or, if not promptly, at the time the employee is required to depart to report to work, and continue until the employee completes work and returns to home (or the location called out from), the nearest regular work site or the county line, whichever is the shortest distance. A minimum of two (2) hours at the appropriate rate shall be paid in those cases when an employee is required to report to a job site or emergency response location, but the minimum shall not apply if the employee is not required to report to another location.

This provision shall not apply to schedule changes, including but not limited to, "double backs."

- C. Exempt employees who are assigned to standby duty in Protective Services and who are then called back to work shall receive straight-time compensation for hours worked. Work time shall begin at the time of notification to report to a job site and continue until the employee stops work.
- D. During the term of this Agreement, either party may reopen negotiations on the issues of Callback or Standby and related changes in terms and conditions of employment. If either party reopens negotiations on either of these subjects, the proposed changes will not be implemented unless the parties mutually agree.
- E. Effective January 31, 2005, non-protective service social workers who are assigned to Protective Services standby duty shall receive the PS/L rate of pay, at the same pay step as the employee's regular pay step in range, for all call back time they work on such assignments.

SECTION 34. BILINGUAL ALLOWANCE

An employee, whose duty assignments require regular and frequent use of bilingual language skills in English and either Spanish or Hmong, or any other language including but not limited to American Sign Language, shall be designated by the department head to receive a bilingual allowance. The department head shall designate the employee in writing to the Human Resources Director prior to the allowance being effective. The employee shall retain such bilingual designation only until a change in assignments is reported in writing by the department head to the Human Resources Director. Additional compensation for bilingual duties is payable as an allowance and not as part of basic salary, but shall be payable at the same time as a regular compensation. When a full-time employee is assigned by a department head to duties requiring regular and frequent use of bilingual language skills he/she shall receive an allowance of \$57.69 per pay period. When a part-time employee is assigned regular and frequent bilingual duties, the bilingual allowance shall be prorated and paid on the same basis that the part-time position is filled and compensated.

As used in this section, the phrase "regular and frequent" means on an annual average of at least once each working day or five times each work week. Payment for the bilingual language skill is restricted to the actual needs of the position. An employee's ability to read, write or speak any language in addition to English, occasional or incidental use of bilingual language skills or the use of bilingual language skills other than for the purpose of meeting the requirements of the job shall not warrant a bilingual allowance.

SECTION 35. SHIFT DIFFERENTIAL PAY

SECTION 36. MILEAGE REIMBURSEMENT AND TRAVEL TIME

- A. Employees who, when authorized by their department, use their personal vehicle for County business shall be reimbursed for each mile driven on County business. Said reimbursement shall be at the amount per mile exempted by the Internal Revenue Service for reporting of income. If there are any changes in I.R.S exemptions, the County shall notify the Union.
- B. If a non-exempt employee is required to travel to a work location other than the regularly assigned work location, the employee shall be compensated for the normal travel time required from the regularly assigned location to the alternate work location, or the travel time from the employee's home to the alternate work location, whichever is less.

Accordingly, employees may request to work an alternative work schedule. Such requests shall be subject to approval by County management. County management reserves the right to remove employees from alternative work schedules. To the extent possible, two weeks advance written notice will be provided to the employee. Employees shall not be removed from alternative work schedules for arbitrary or capricious reasons.

Local 721 may submit alternate workweek proposals for individual departments. County Employee Relations will arrange meetings with Departments regarding union proposals. If no agreement is obtained, Local 721 may appeal to the County Executive Officer or designee.

In addition, telecommuting requests by employees that are consistent with the County's Teleworking policy but are rejected by individual departments are also subject to appeal to the County Executive Officer or designee.

- B. Individuals interested in job sharing may submit a proposal to their department head for consideration. The department head may approve a job sharing arrangement under such terms and conditions as he/she deems appropriate consistent with this Memorandum of Understanding and applicable Civil Service Rules. - 1. An employee who wishes to be considered for reassignment shall make a written request for such reassignment to the designated department administrator for consideration. An

employee may submit an unlimited number of such requests. The department administrator shall acknowledge in writing within two weeks receipt of the employee's reassignment request. Department management will maintain a record for at least one year of such requests for consideration.

2. Except as provided below, departments shall post notices of vacancies in order to afford employees interested in reassignment an opportunity to request reassignment to a vacant position. Said notices shall be posted when it is known that a vacancy is available to be filled. The notice shall include the classification of the position to be filled, location, work schedule and shift, unit and program. In instances in which other vacancies may result from filling the initial position, the notice for the initial position shall contain a statement which notifies employees of this possibility and encourages interested employees to submit request(s) for reassignment to the appropriate department manager. Said notices shall be sent via e-mail to all bargaining unit employees in the department.
3. Requests for voluntary reassignment will be given first consideration for a position and shall be granted an interview before an open or free name eligibility list is considered. An employee who requests a voluntary reassignment to the same unit within a year's time shall be offered the opportunity to be re-interviewed by the hiring supervisor.
4. An employee may withdraw his or her request for reassignment at any time.
5. Employees whose requests for reassignment into a position are not granted shall be notified in writing as soon as practicable.

C. Involuntary Reassignment

When making a permanent reassignment not requested by the employee, management shall provide at least two (2) weeks notice in writing to the affected employee, except in cases of exceptional operational necessity.

In addition, employees who are permanently reassigned from one work location to another and who believe the reassignment has been made for punitive, arbitrary, retaliatory (unless covered by EEOC), or capricious reasons may appeal to HR-Employee Relations, which will facilitate a meeting with the employees' department. The County and the union agree there should be a business reason for involuntarily reassigning employees permanently from one work location to another.

SECTION 41. EMPLOYMENT OPPORTUNITIES

- A. The County shall publish and post biweekly a listing of available employment opportunities at specific locations within the County. A copy of such listings will be sent to the Union for its information. A list of the posting locations will also be furnished the Union and kept current.
- B. With respect to promotional opportunities, an employee certified as eligible for a classification shall be formally interviewed by the department. The interview will not be repeated for 180 days provided that the assignment considered and interviewed for is similar in work area

(location), assignment and job duties assignment. For Social Services Department, all eligibility function assignments are considered to be "similar job duties," and all social service function assignments are to be considered "similar job duties." In any event, employees who are certified as eligible for a classification shall be formally notified prior to consideration by the department. A telephone call informing the employee that they are being considered shall constitute formal notification.

SECTION 42. EMPLOYEE PERFORMANCE REPORTS

- A. Employee Performance Reports (EPRs) shall be prepared for each employee at least on an annual basis.
- B. All employees responsible for preparing EPRs will receive a copy of the "Guidelines for Performance Management" published by the Personnel-Human Resources Department prior to preparing an EPR for the first time.
- C. Employees receiving an EPR which results in the denial of a merit increase shall be reevaluated at least every three (3) months until such time as their performance is deemed satisfactory.
- D. All unit employees shall have the right to use the County mediation program to appeal less than satisfactory performance evaluations.

SECTION 43. EMPLOYEE PERSONNEL FILES

- A. All personnel files on an employee maintained by the County and the department will be open for inspection by that individual or his/her authorized representative at his/her request during business hours by appointment. He/she will be shown all contents of the file except those materials designated confidential by law. Copies will be provided to the individual upon his/her request.
- B. No material relating to performance appraisal or disciplinary action shall be placed in the personnel file of an employee represented by the Union without the employee first being given an opportunity to read such material and attach a reply if the employee desires, which shall remain with said material.

SECTION 44. REDUCTION IN WORK FORCE

- A. In the event of anticipated layoff or reduction of the employees represented by the Union, the County agrees to give written notice to the Union and shall promptly meet and confer with the Union to discuss the situation and review all applicable Civil Service procedures prior to taking any action. The County shall provide the Union with a layoff abstract of the employees in the classes affected by the layoff at least thirty (30) calendar days prior to the effective date thereof.
- B. It is recognized that any reduction in force shall be accomplished in accordance with the County's layoff procedures which are set forth in the rules of the Civil Service Commission.

- C. In the event of proposed rule changes in the area of layoff, the County agrees to notify the Union in writing prior to the time any action to change said rules is taken. The County shall meet with the Union regarding the proposed changes upon request of the Union.
- D. For the sole purpose of avoiding layoffs in the Social Worker and Eligibility Worker classifications, should a reduction in force be deemed necessary, the Social Services Department will offer part-time employment to all staff in the affected classes on a voluntary basis. The department shall be under no obligation to create more than sixteen (16) part-time positions pursuant to this section.

SECTION 45. BULLETIN BOARDS

- A. The County shall provide designated bulletin board space on existing bulletin boards for the Union, the size and location to be determined jointly by departmental management and the Union. All materials to be posted shall be nondefamatory in nature, must be approved and signed by a Union official and shall be used for the following subjects:
 - 1. Union recreational, social and related news bulletins;
 - 2. Scheduled Union meetings;
 - 3. Information concerning Union elections or the results thereof;
 - 4. Reports of official business of the Union, including reports of committee or the Board of Directors.
- B. Material listed in A above shall be posted only on those areas designated as official bulletin boards.

In cases where the Union, in whole or in part, represents more than one bargaining unit at a work location, the space described above will become the bulletin board space for all employees represented by the Union at the work location.

SECTION 46. USE OF COUNTY COMPUTER RESOURCES

Employees' rights and obligations regarding use of the County's computers and computing resources (including e-mail) are governed by the County's Acceptable Use Policy. The parties agree that occasional and incidental use of County computing resources for Union business is allowable within the parameters of the Acceptable Use Policy, so long as such use does not interfere with the performance of work duties, the effective delivery of services, result in any cost to the County, or unduly compromise the security of County systems.

SECTION 47. SOCIAL SERVICES CASELOADS

A. Definitions

1. Caseload:

- a. Intake assignment - the number of applications/referrals processed/disposed by an individual during a calendar month.
- b. Ongoing assignment - the number of cases for which an individual has overall responsibility during the calendar month.

2. Case Count Date - the first working day of the calendar month will be used for purposes of calculating both individual and department caseloads.

B. Workload

The County and the Union accept the principle that caseloads should be equitably distributed within each type of category so that each eligibility and social worker should have a caseload generally comparable to that of other workers in the same type of work assignment and of comparable experience.

C. Meet and Confer regarding Workload

The County and the Union agree to meet and confer in good faith for a maximum of 30 days regarding workload guidelines on an annual basis following receipt and analysis of funding allocations for departmental programs (typically November). The subjects of this meet and confer may include workload equalization, including the development of tools to equitably distribute workload, and the continued development of streamlining procedures. The County and the Union agree to meet and confer in good faith regarding workload guidelines and other impacted terms and conditions of employment prior to implementing significant program changes mandated by the State or federal government. The County will provide official fiscal information related to setting the guidelines. In the event of a change in the amount of funding from the Federal, State and/or County level that would significantly affect guidelines, a special meeting may be called for the purpose of adjusting the guidelines.

D. Trainees

The County agrees to maintain ten unassigned EW I positions for the purpose of establishing a trainee pool to be available to fill vacancies in a timely fashion. Trainees will remain in the training pool until fully trained. These positions will be established based upon continued availability of Federal, State and/or County staff development block grant funding.

E. Bilingual Caseload

The County agrees that if in the future the State weighs bilingual cases more than English-only cases and provides funding accordingly, the County will make corresponding changes in the guidelines for bilingual caseloads.

The County shall implement Spanish-language versions of all Notices of Action within one year of the ratification of this agreement. Spanish-language versions of Notices of Action received by the department after that date shall be made available within one month of receipt by the department.

SECTION 48. ELIGIBILITY WORKER III POSITIONS

The County shall continue to fund Eligibility Worker III lead worker positions in all Social Services work units containing over six (6) eligibility workers.

The County agrees to reopen regarding Eligibility Worker III lead worker ratios on or after January 2, 2014.

SECTION 49. CIVIL SERVICE RULES

The parties agree to continue discussion regarding modernization of Civil Service Rules, including possible revision of Civil Service Rule 912: appeals of discipline (Reduction, Suspension, Termination) to Binding Arbitration for final resolution, and appeals of discipline (Reduction, Suspension, Termination) to mediation prior to the final step of appeal. Changes shall be contingent upon mutual agreement and, if necessary, Civil Service Rules changes.

Prior to proposing amendments of the Civil Service Rules to the Civil Service Commission, the County shall notify the Union of any such proposed changes.

SECTION 50. LEGAL REPRESENTATION OF EMPLOYEES

The County shall inform, at time of hire and subsequently whenever there is a change in that policy, each employee within the scope of this agreement of the County policy and procedures regarding defending and indemnifying employees in accord with California Government Code Sections 825 et seq. and 995 et seq. In addition, all such current employees shall also be informed of the policy within 60 days of the effective date of this agreement.

SECTION 51. SAFETY

- A. The County recognizes its obligation to provide and maintain a safe and healthy working environment for its employees.
- B. The Union and County agree that it is in the best interest of all to provide a safe and healthy working environment and that this requires a cooperative effort by all concerned.

- C. An employee who observes an unsafe condition shall report the matter to his/her supervisor or other designee.
- D. The Probation and Social Services Departments shall each develop a safety committee composed of management and employee representatives. Employee representatives shall be representative of the geographic locations and functional duties of each department and be selected by the employees themselves from a list of volunteers/nominees. The purpose of the committee is to evaluate safety concerns and to make recommendations to the department head. Committee meetings would be held quarterly or as otherwise agreed by the committee members.
- E. Allegations regarding violations of this Section shall be processed in accordance with the County's Safety Policy.
- F. A County Labor/Management Safety Advisory Committee shall be established. The Director of General Services will work with the Union and other interested labor organizations/employee groups to determine a mission statement, operating procedures and membership of the committee on a cooperative basis. Union representatives who are employees will receive paid release time for committee activities occurring during the employee's work hours.

SECTION 52. WORKPLACE AND FIELD SAFETY

- A. The County will develop and mandate attendance at a Workplace and Field Safety class for workers required to perform job duties in the field, such as making home visits, field investigations, and transporting clients.
- B. The County shall meet and consult with the Union in order to update the Child Welfare Services Safety Guide. Included in this process, the parties will review the issue of appropriate identification.

SECTION 53. BACK TO WORK PROGRAM

- A. Employees who are unable to perform their regular duties due to injury or illness may be provided a temporary duty assignment in accordance with the Back to Work policy.
- B. An employee who has returned to work from a work-related injury or illness (either in the Back to Work program or to his/her regular work assignment) will be granted paid leave not chargeable to the employee's accrued leave balances to attend medical appointments specifically related to the work-related injury or illness.

SECTION 54. GRIEVANCE PROCEDURE

A. Purpose

1. To promote improved employer-employee relations by establishing a grievance procedure to afford employee, individually or through qualified representation, a systematic means of obtaining consideration of complaints, questions, and disputes which constitute grievances as hereinafter defined.
2. To enable grievances to be settled as promptly and as closely as possible to the point of origin.

B. Definition

A grievance shall be defined as a claim by an employee or group of employees of an alleged violation, misinterpretation or misapplication of Memoranda of Understanding, department-wide policy or practice or County rules, regulations, resolutions, or ordinances, except those issues that provide their own means of administrative appeal:

1. Appeals of disciplinary actions and appeals relating to Civil Service examinations shall be filed and processed pursuant to Santa Barbara County Civil Service Rules.
2. Complaints relating to discrimination, occupational health and safety, Worker's Compensation and matters under the jurisdiction of the Santa Barbara County Employees Retirement System Board shall be processed pursuant to established County complaint procedures in these areas.

C. Basic Rules

1. Nondiscrimination - Any employee (meaning a grievant), as that term is defined above, may file grievance or may authorize by signature the filing of a grievance on his/her behalf without fear of restraint, interference, coercion, discrimination or reprisal.
2. Grievance forms
 - a. Grievance forms shall be made available to the employee through the Personnel Department, other County departments and Recognized Employee Organizations, and all formal grievances shall be submitted on these forms. Any change in the form shall be by mutual agreement.
 - b. Grievance forms must explicitly specify the agreement, rule, resolution or ordinance, the violation of which is being alleged as the basis for the grievance. The remedy requested must also be specified.

3. No modifications in the basic violation being alleged pursuant to section (2) (b) shall be made subsequent to filing unless mutually agreed to by both the County and the grievant or his/her representative. However, corrections in citations or other clarifying amendments can be made at any time by the grievant or his/her representative.
4. Notice of Meetings - Both the County and the grievant or his/her representative shall be responsible for giving notice of meetings and conferences to their representative parties at least twenty-four (24) hours prior to any meeting regarding a grievance whenever possible.
5. Right of Representation
 - a. The employee has the right to the assistance of one employee representative in addition to a staff representative of the Union in the preparation and/or presentation of his/her grievance, provided, however, that supervisory employees shall not represent non-supervisory employees where such activity would result in a conflict of interest.
 - b. An employee is also entitled to represent him/herself individually at any step of the Grievance Procedure.
 - c. A grievant may not change his/her designation of representative organization, other than designating him/herself, during the processing of a grievance except by mutual agreement of the parties.
 - d. If the employee is represented in a formal grievance meeting, the department may also designate a management representative to be present in such a meeting.
6. Grievance Withdrawal - The grievant may withdraw the grievance at any stage of the Grievance Procedure by giving written notice to the County representative who last took action on the grievance, with a copy to the Personnel-Human Resources Department.
7. Grievance Resolution - If a grievance is resolved at Step 2, 3 or 4 in the Procedure as provided in Section E herein, the grievant concerned shall indicate acceptance of the resolution by affixing his/her signature in the appropriate space indicated.
8. By mutual agreement, the parties may revert the grievance to a prior level for reconsideration. If the grievance is not then settled at the prior level, the grievant shall continue to have the rights set forth in this Procedure.
9. Consolidation of Grievances - Employees with essentially identical grievances, including remedy, may initiate a single grievance. Employees with essentially

identical grievances may be required, at the County's discretion, to consolidate to a single proceeding at Steps 4 and 5 of this Grievance Procedure.

10. Accelerated Advancement of Grievances - In order to provide an effective mechanism whereby grievances may be resolved, the grievant may choose to proceed directly to Step 3 of the Grievance Procedure when he/she believes the authority for effective resolution of the matter lies with the department head or higher, and when the grievance affects more than one employee and more than one division or department. In such instances, a written grievance shall be submitted to the department head within twenty-one (21) calendar days of the action causing the grievance, or date of discovery of such action, except that in no event shall any grievance be accepted for consideration more than one (1) year from the action claimed as its basis regardless of the date of discovery.
11. In those cases in which the employee elects to represent him/herself, or arranges for independent representation, and where the grievance relates to an alleged violation of the MOU, the County shall provide to the Union a copy of the grievance form and the resolution agreed to by the employee and the County.

D. Process

1. The Grievant and/or the Grievant's representative shall be granted reasonable time off with pay from regularly scheduled duty hours to process a grievance, provided that the time off will be devoted to the prompt and efficient investigation and handling of grievances, subject to the following:

a. Representatives

Insofar as possible, when a grievant's representative at Steps 1 and 2 is a County employee, the representative shall be employed in the same work locations as the grievants. When the foregoing condition cannot be met, a grievant's representative who is a County employee may be employed outside the same work location, provided said representative is from the same general location (i.e. North County and South County).

b. Grievance Preparation

1. A grievant or a grievant's representative who is a County employee shall not leave his/her job to perform any grievance preparation work unless he/she receives permission from his/her supervisor. Such time off shall be granted within three (3) working days.
2. When a grievant or any representative must go into a section, department or work unit to investigate a grievance, she/he shall be permitted to do so, provided she/he explains the purpose of the visit and who she/he is visiting to the supervisor of said action, department or work unit. If

immediate access cannot be granted upon request, it shall be granted within three (3) working days.

c. Grievance Meetings

1. A grievant or a grievant's representative who is a County employee shall, upon notification to his/her supervisor, be granted time off to attend grievance meetings scheduled pursuant to Section E of this Procedure.

2. A grievant or a grievant's representative who is a County employee shall notify his/her supervisor as soon as possible in advance of the dates and times and/or any change in the dates and times of scheduled grievance meetings in which she/he must participate.

d. A grievant or his/her representative, when said representative is a County employee, shall not log compensatory time earned or premium pay time for any time spent in the processing of a grievance.

2. Time Limitations

a. The time limitations are designed to quickly settle a grievance. Time limitations may be extended by agreement of the parties.

b. If at any stage of the Grievance Procedure the employee is dissatisfied with the decision rendered it shall be the grievant's responsibility to submit the grievance to the next designated level of review within the time limits specified.

c. Failure to submit the grievance within the time limit imposed shall terminate the grievance process and the grievance shall be considered resolved.

d. The grievant shall promptly proceed to the next step within the prescribed time limits if the appropriate management representative fails to respond within the time limits specified.

E. Grievance Procedure Steps

1. Step 1 - Informal Discussion With Supervisor

a. The grievance shall first be discussed on an informal basis by the aggrieved with his/her immediate supervisor within twenty-one (21) calendar days from the date of the action causing the grievance, or date of discovery of such action, except that in no event shall any grievance be accepted for consideration more than one (1) year from the action claimed as its basis regardless of the date of discovery.

b. Every effort shall be made to resolve the grievance at this level, and may include conferences among supervisory and administrative personnel. The immediate

supervisor shall verbally respond to the grievant with five (5) working days of the informal discussion between grievant and supervisor.

2. Step 2 - Written Grievance

- a. In the event the employee believes the grievance has not been satisfactorily resolved, the employee shall submit the grievance in writing to the supervisor (except as indicated in Paragraph D, below) within seven (7) working days after the receipt of the immediate supervisor's verbal response. The grievant shall file one (1) copy with the Human Resources Department.
- b. In larger departments, it may be necessary to involve the division or section head in the processing of the grievance at this level. In such departments, it shall be the responsibility of the employee to file one copy of his/her grievance with said division or section head at the initiation of Step 2. It shall be the responsibility of the supervisor to consult and involve the division head in any or all grievance meetings and in arriving at a written response to the aggrieved employee.
- c. Within five (5) working days of receipt of the grievance, the immediate supervisor shall schedule a meeting with the grievant to discuss the grievance. Within (5) working days of the grievance meeting, the immediate supervisor shall deliver his/her written decision to the grievant and his/her representative. Should the written decision of the supervisor propose a solution to the grievance, it shall be initiated by the department head prior to the delivery to the grievant.
- d. In the Department of Social Services, the written grievance shall be submitted to the employee's division chief rather than the employee's supervisor, under the same conditions listed in paragraph A above. It shall be the employee's responsibility to provide a copy of the grievance filed with the division chief to the employee's supervisor. The division chief shall respond in the same manner as described in paragraph C, above.

3. Step 3 - Review by Department Head

- a. In the event the employee believes the grievance has not been satisfactorily resolved, the employee shall submit the grievance in writing to the department head within seven (7) working days after receipt of the immediate supervisor's written response.
- b. Within five (5) working days after receiving the completed grievance form the department head or his/her representative shall meet with the employee to discuss the grievance. The department head shall deliver his/her written decision to the grievant and his/her representative within ten (10) working days after the discussion.

4. Step 4 – County Administrator

- a. In the event the employee believes his/her grievance has not been satisfactorily resolved, she/he shall submit the grievance in writing to the County Administrator within seven (7) days from receipt of the department head's written response. A meeting of the parties may be held by mutual agreement of the parties.
- b. Within ten (10) working days from receipt of the grievance, the County Administrator shall deliver his/her written decision to the grievant and his/her representative.

5. Step 5 – Mediation

If the grievance is not settled or an answer not forthcoming, the grievant and/or the Union Representative may require that the County enter into non-binding mediation regarding the grievance utilizing the California State Mediation and Conciliation Service. The mediation will be scheduled as soon as possible on a date mutually agreeable to the parties.

6. Step 6 - Arbitration

- a. If the grievance is not settled or disposed of at Step 4, within ten (10) working days the Union may submit the grievance to the Director of Human Resources for arbitration. The Arbitrator shall be selected from a panel provided by the State Mediation and Conciliations Service. The hearing shall be conducted in accordance with the rules and regulations of the American Arbitration Association unless the parties mutually agree to other rules or procedures for the conduct of such arbitration. The Arbitrator's decision and award shall be final and binding on the parties unless the grievance is based solely on a department-wide policy or practice, in which case the matter may go to Step 6 as provided for below.
- b. The fees and expenses of the Arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expense including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during arbitration, will be the responsibility of the individual party involved.
- c. Not more than one grievance shall be submitted to arbitration in the same proceeding without the consent of the parties, except that grievances that are based on the same set of facts which must necessarily be decided in the same way can be submitted in a single arbitration subject to the consent of the parties.
- d. The County and the Union shall endeavor to make a submission agreement, setting forth the issue of issues to be submitted to arbitration and any agreed

stipulated relevant facts and principles. In the event of disagreement between the County and the Union, the issue or issues of the grievance shall be determined by the Arbitrator.

- e. The Arbitrator shall have jurisdiction and authority to interpret the specific terms and provisions of this Memorandum of Understanding. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - 1. The interpretation, application, or legality of any federal, State or local law, ordinances or resolutions adopted by the County's Board of Supervisors; however, if the Arbitrator, in his discretion, finds it necessary to interpret or apply such federal, State or local law or ordinance or resolutions in order to resolve the grievance which has been submitted to arbitration, he may do so.
 - 2. The interpretation, application, or legality of any or all of the County of Santa Barbara Civil Service Commission Rules, nor matters under the jurisdiction of said Civil Service Commission for which the Commission has established procedures or processes by which employees may appeal to, or request review by, said Civil Service Commission; however, if the Arbitrator, in his discretion, finds it necessary to interpret or apply such Civil Service Rules or matters under the jurisdiction of said Civil Service Commission in order to resolve the grievance which has been submitted to the Arbitrator, he may do so.
 - 3. The interpretation, application, or the legality of the rules or regulations of the department head, or the County Administrator, or any other County agency, or Commission; however, if the Arbitrator, in his discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the Arbitrator, he may do so.

7. Step 7 - Board of Supervisor's Final Decision

The Arbitrator's decision and award provided for in Step 5 shall be final and binding on the parties UNLESS the Board of Supervisors, when the grievance is based solely on a department-wide policy or practice, by majority vote, votes to set aside the decision and award of the Arbitrator within forty (40) days from the date of the issuance of the award and decision of the Arbitrator. In such event, the Board of Supervisors shall deliberate the grievance and, within a reasonable period of time (not to exceed forty (40) days), shall arrive at a decision which shall be final and binding. During such deliberations the County Administrator, or his/her designated representative, and the Union Representative shall make their presentations to the Board of Supervisors. Where possible, such presentations shall be made within thirty (30) calendar days from the date of the issuance of the Arbitrator's award. In the event the

Board sets aside the decision and award of the Arbitrator, the County shall pay the Arbitrator's fee. Each party to the arbitration will still be responsible for their own expenses and costs of arbitration.

SECTION 55. AUTOMATIC PAYROLL DEPOSIT

All employees covered by this agreement shall participate in the County's automatic payroll deposit program. Participation shall mean the employee's execution of a payroll authorization form and submission of a voided check or savings deposit slip to the Auditor's office. It shall be the employee's choice as to which bank he/she designates as the institution receiving the payroll funds.

When the authorization form is properly executed and filed with the Auditor, the County shall automatically deposit in the employee's designated bank account the net amount of pay each designated biweekly payday.

SECTION 56. PAYROLL SIMPLIFICATION

During the term of this agreement the County may reopen negotiations on the issue of payroll simplification and/or modifications in compensation structure precipitated by the implementation of a new human resources and payroll system. If the County reopens negotiations on this subject the proposed changes will not be implemented unless the parties mutually agree.

SECTION 57. LEAVE OF ABSENCE POLICY

During the term of this agreement, the County may reopen negotiations on the issue of a comprehensive leave of absence policy and related changes in terms and conditions of employment. If the County reopens negotiations on this subject, the proposed changes will not be implemented unless the parties mutually agree.
