**SUBJECT: Josephine Junak Agricultural Preserve Replacement Contract, Lompoc area**

---

**County Counsel Concurrence**

As to form: No

**Other Concurrence:** N/A

As to form: No

**Auditor-Controller Concurrence**

As to form: No

**Recommended Actions:**

That the Board of Supervisors:

Consider Case No. 06AGP-00000-00033 for approval of an agricultural preserve replacement contract for Mrs. Josephine Junak.

The Board of Supervisors action should include the following:

- A. Approve and direct execution and recordation by the Clerk of the Board of new contract 06AGP-00000-00033, replacing a portion of the original Agricultural Preserve 69-AP-041. The replacement contract involves Assessor's Parcel number 099-060-013, located west of Cebada Canyon Road, in the Lompoc area, Fourth Supervisorial District.

**Summary Text:**

The subject property has been in an agricultural preserve (69AP-041) since January 1, 1970. The original preserve was approximately 540 acres and was comprised of four parcels. This agricultural preserve contract was non-renewed by the County on July 12, 2005. At that time property ownership was inconsistent with the Uniform Rules which prohibits multiple ownerships under a single agricultural

preserve contract. The current contract is for 146.40 acres that is used for dry farming and cattle grazing.

**Background:**

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Agricultural Preserve Program Uniform Rules. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

**Fiscal and Facilities Impacts:**

Budgeted: Yes

**Fiscal Analysis:**

The costs associated with processing this replacement contract are offset by the \$1,326.00 processing fee required to be paid by the applicant per the Planning & Development adopted fee schedule.

Fees were collected on this agricultural preserve in accordance with the Board Resolution in effect at the time of application submittal (2006). On November 14, 2006, the Board of Supervisors approved a revised fee schedule which eliminated specific categories of agricultural preserve application fees. This fee schedule went into effect on January 13, 2007 (60 days after approval).

Permit revenues are budgeted in the Permitting & Compliance Program of the Development Review, North Division on Page D-296 of the adopted 2006 – 2007 fiscal year budget.
