

# Reallocation of Proposition 172 Revenues

Santa Barbara County Board of Supervisors  
May 22, 2012

# Introduction

- Voted into existence in 1993 as the Local Public Safety Protection Act of 1993
- Provides for a half-cent of sales tax to be earmarked for public safety agencies
- County Supervisors have responsibility for allocation of Prop 172 revenues
  - Most recent allocation in Santa Barbara County was in 2004

# Issue

- The proposed Fire District/Property Transfer Tax may have an adverse impact on future appropriations received by other Public Safety & Law agencies

3.13.01<sup>1</sup> ○

- Simultaneously reallocate Prop 172 revenue from the Fire Department to the other Public Safety & Law agencies in alignment with the selected Property Tax Transfer method

# Example

- If the 17% tax target at 25% of growth option is selected for the Property Tax Transfer.....
- Adopt the Schedule in Attachment #3 for Reallocation of Prop 172 revenue over 10 year timeframe

æ ø ° " –

- Fire Department sources grow \$9,917,145 due to tax transfer (net the shift of Prop 172 revenue) by FY2022-23
