Hello Gina,

Thanks for reaching out and asking about my interest in continuing on the CAC.

There were frequent meetings just to extend the Zoom access, and I know I missed some of those. And then, to compound matters, I've had conflicts with mediations and settlement conferences for the local Superior Court (as a volunteer Settlement Master). I think it is probably best for me to rotate off in light of the recurring conflicts. I appreciated the opportunity to sit on the CAC and learn a little more about the air board's involvement in permitting sources of air emissions in the county. Thank you and please personally thank Joan for me.

Regards, John
