Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I am an outdoors enthusiast and believe the community needs safe, entertaining, clean, open spaces to gather, exercise, or unwind. Studies have proven that time outside lowers blood pressure and improves mental well being. Parks and open spaces offer places for folks to come together for multitudes of reasons. We live in a wonderful climate that just begs us to be outdoors. With the trend toward "zero lot line" housing, local parks are more important than ever for kids, dogs, and adults to have a place to "play"!

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I've lived in SB County since 1988. I've spent a great deal of time in our city, county, and state parks. As a mom, I searched for "adventurous" locations to spend summer days. As a runner and hiker, I've sought out safe, convenient, boredom buster places to get in a workout. With all of my years as Promotions Director of a local radio station, I helped to organize group functions in multiple locations around the county. I'm familiar with what makes a park location appealing for events, exercise, play time, or even some simple peace and quiet.
