What can be done about the high rent raises at Knollwood Village/Star Management?

Subject: Public Comment for Tuesday, October 8th SB County Board of Supervisors Meeting

To The Santa Barbara County Board of Supervisors:

I want the Santa Barbara County Board of Supervisors to pass a moratorium now which would prevent any senior park in Santa Barbara County from being converted to an all-age park. Passing this moratorium would give the Supervisors time to draft and enact a Senior MHP Overlay that would prevent any such conversions.

Residents of senior parks bought their homes with the understanding that the park was designed for seniors and would remain a senior park. That understanding should continue to be the case.

Sincerely,

William Hurst
