

**Board of Supervisors Special Meeting
Community Forum on Cannabis Odor in Carpinteria**

**March 14, 2025
12:00 PM – 2:00 PM**

**Carpinteria City Council Chambers
5775 Carpinteria Avenue, Carpinteria, CA 93013**

12:00... Convene to the Special Meeting

Roll Call

Pledge of Allegiance

I. Goals of the Community Forum

- a)** On January 14, 2025, the Board unanimously directed the Planning Commission to amend the Ordinance to require multiple-technology carbon filtration. This forum will provide an opportunity to hear from the community most affected by odor impacts before the Board considers this issue at the March 18, 2025, meeting.;
- b)** Requesting feedback from community members specifically regarding the following:
 - i)** The proposed cannabis odor thresholds recommended by the Planning Commission: "...the operation cannot exceed 7 D/T (Dilution to Threshold) for a consecutive 3-minute period time.";
 - ii)** The use of nasal-ranger technology to verify odor thresholds as well as other technologies to verify odor thresholds; and
 - iii)** Extension proposals from the Planning and Development Department.
- c)** Holding this forum reflects the Board of Supervisors' commitment to responding to community needs and maintaining flexibility in county governance; and
- d)** The Board will not be voting on policy or giving additional guidance to Staff.

II. Opening Comments from Board Members

III. Questions/Comments from the Community with an opportunity for Board Members to respond and ask questions

Please Note: All participants will have an opportunity to speak, with priority given to those providing feedback on the specific points outlined under Goal (b) listed above.

IV. County staff will be on hand to answer any questions from the public or Board Members.

V. Closing Comments from Board Members

VI. General Public Comment Period

VII. Adjourn
