**IRREVOCABLE OFFER OF DEDICATION
OF
REAL PROPERTY: LOTS # 42 AND 43 OF TRACT MAP 14,812 AND GR-1 TRAIL
SEGMENT THEREIN**

Whereas, on January 11, 2017, the County Planning Commission approved the Vintage Ranch Project Development Plan (Case No. 15DVP-00000-00002), Vesting Tentative Tract Map (Case No. 15TRM-00000-00002/TM 14,812), Road Naming (Case No. 15RDN-00000-00002), and Conditional Use Permit (Case No. 15CUP-00000-00006) (“Project Approval”).

Whereas, on March 25, 2020, the County Planning Commission approved a three-year time extension for Case No. 15TRM-00000-00002 until January 24, 2023 and a one-year time extension for Case Nos. 15DVP-00000-00002 and 15CUP-00000-00006 until January 24, 2023.

Whereas, the approved Project Description for the Vintage Ranch Final Development Plan requires that 55.8% (18.46 acres) of the site remain in open space that would be dedicated to the County and that a multi-use trail, consistent with the location of trail GR-1 identified in the Orcutt Community Plan, would be developed within the open space area and would be dedicated to the County concurrent with the designated open space.

In consideration of the Project Approval and based on the terms of the Grantor’s offer as detailed in the approved Project Description, Vintage Ranch Orcutt, LLC, a California Limited Liability Company (herein referred to as “Grantor”), hereby irrevocably offers to dedicate (herein the “Irrevocable Offer of Dedication”) to the County of Santa Barbara in perpetuity, a political subdivision of the State of California (herein referred to as “County”), for the public in general, real property, lot numbers 42 and 43 of Tract Map 14,812 which is currently owned by Grantor in the County of Santa Barbara, State of California, more particularly described in Exhibit A and depicted in Exhibit B, both of which are attached hereto and incorporated herein by reference (herein the “Property”).

SEE ATTACHED EXHIBITS A & B

Prior to acceptance of this offer or within two years from recordation of the offer, whichever occurs first, Grantor shall construct the proposed trail. Grantor shall maintain the open space area for two years from the date of construction of the trail, excepting areas within the open space that are subject to restoration or mitigation requirements. Consistent with the approved Open Space Management Plan dated June 2016, restored areas will be the responsibility of Vintage Ranch Orcutt, LLC, followed by the HOA, for five years or until all restoration and mitigation requirements are met. When all restoration efforts are complete and plantings are self-sufficient, management of restoration areas within the open space will pass to the County. The party responsible for the long-term management of the open space and its restored areas will be the County; the County will not accept responsibility for maintenance or monitoring activities associated with mitigation requirements, and only completed restoration areas will be accepted under County management. Fuel management in the designated zones described in the Open Space Management Plan will remain the responsibility of the HOA in perpetuity.

Grantor shall manage and maintain in perpetuity any fencing, drainage improvements, landscaping, retaining walls, vegetative buffers, fuel modification (e.g., brush clearing) and any other improvements within the dedicated County open space that will serve the development.

With the exception of the CON/SPAN (precast) bridge system, Black Oak Drive improvements, culvert, headwalls, limited storm drain facilities with associated infiltration areas, and underground utilities, Lot #42 and #43 shall remain in natural, undeveloped open space per the project plans. No development except that approved on January 11, 2017 by the County Planning Commission shall be permitted within this area. Public Trails, signage, extensive landscaping and irrigation shall be provided as specified in the project conditions of approval.

Grantor shall develop the trail system including fencing and signage to standards and specifications of the Orcutt Community Plan (Orcutt Multiple Use Trails Plan and Trail Siting and Design Guidelines) and County of Santa Barbara Community Services Department Parks Division. Grantor shall be responsible for the construction and maintenance of the trail system for two years.

After the Grantor's aforementioned two-year maintenance period expires, the Orcutt Community Facilities District will be the funding source for all trails within the dedicated real property open space areas.

This Irrevocable Offer of Dedication is made pursuant to Section 7050 of the Government Code of the State of California and may be accepted at any time by the Board of Supervisors of the County of Santa Barbara. The Board of Supervisors acknowledge this Irrevocable Offer of Dedication on April 6, 2021.

Upon recordation, this Irrevocable Offer of Dedication shall have the effect of a granting dedicated open space access in gross and perpetuity that shall run with the land in favor of the County and be binding on the Grantor and their heirs, personal representative, assigns, or successors in interest.

This Irrevocable Offer of Dedication shall convey to the County of Santa Barbara upon its acceptance, open space over Lots #42 and #43 and the trails, both in fee. The above-referenced real property dedication shall be kept open, clear, and free from buildings or structures of any kind not shown on the Project Approval.

The term, GRANTOR, as used herein shall include the plural as well as the singular number and the word "he" shall include the feminine and neuter gender as the case may be.

Remedies. Grantor and County may pursue any and all available legal and/or equitable remedies to enforce the terms and conditions of this Offer. A failure by Grantor or the County in one or more instances to enforce the terms of this Offer shall not be deemed a waiver of any future right to pursue such remedies with respect to a subsequent breach of the same or any other provision of this Offer.

Taxes and Assessments. Grantor agrees to pay or cause to be paid all real property taxes and assessments levied or assessed against the Parcels. This Offer and its use restrictions shall constitute enforceable restrictions within the meaning of (i) Article XIII, Section 8, of the California Constitution and (ii) Section 402.1 of the California Revenue and Taxation Code or successor statute. Furthermore, this Offer shall constitute a servitude upon and burden to the Parcels within the meaning of Section 3712(d) of the California Revenue and Taxation Code, or successor statute, which survives a sale of tax-deeded property.

Condition of Title. This offer shall be recorded free of prior liens and encumbrances (other than existing and approved easements for roads, trails, and utilities) which the County determines may affect the interest being conveyed.

Severability. If any provision of this Offer is held to be invalid, or for any reason becomes unenforceable, the remaining provisions of the Offer shall remain valid and enforceable.
