Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

As an outdoor enthusiast, I utilize our area trails on a regular basis for cycling, hiking, and backpacking. I've also volunteered with several trail maintenance organizations to help upkeep our local trails. I view the recreational opportunities provided by public land as a key quality of life component to living in Santa Barbara County. This month will mark 10 years that I have lived in the Santa Ynez Valley, and I would like to contribute to expanding the number of trails and access to for all trail users.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I have been a avid trail user my whole life and have thorough user experienced with trail systems in every community where I have lived - Colorado, Minnesota and now the Santa Ynez Valley for the last decade. I have volunteered locally with the Los Padres Forest Association and SAGE Trail Alliance. I also currently serve as the president of the Santa Ynez Valley Cycling Club and will represent the voice of SYV cyclists on CRAHTAC. In my previous job as General Manager of a cycling coaching company, I directed the CTS Figueroa Mountain Gran Fondo, a local cycling event that attracted hundreds of yearly participants. Organization for this event involved working closely across regional agencies and with volunteer groups including the County of Santa Barbara, the City of Solvang, the US Forest Service, Cal Trans, CHP, Los Padres Forest Association, Los Padres Forest Watch and many others.
