**Summary Text:**

Each year, the County of Santa Barbara has the opportunity to exchange Federal Highway dollars for Non-Federal State Highway Account dollars through this agreement between the State and the County. This exchange is desirable as it gives the County the flexibility to use these funds for a wide range of transportation projects, from local road improvements to matching funds for other State or Federally funded projects. The Federal mandates associated with Federal funds are not applicable to funds converted to State Highway Account dollars; therefore, the only applicable federal restrictions are those specifically incorporated into the Agreement.

Your Board has approved similar exchange agreements each year since 1991. With the execution of this agreement, the County will receive the FY 2015/2016 apportionments in the amount of \$558,115.

**Background:**

Since the approval of the Intermodal Surface Transportation Efficiency Act (ISTEA) in 1991, Santa Barbara County has been appropriated a sum of Federal funds annually, in an amount determined by the Federal Government. These federal funds were appropriated under the Moving Ahead for Progress in the 21st Century Act (MAP-21). These funds are shared between the County and Cities of the County, as determined by guidelines adopted by the Santa Barbara County Association of Governments (SBCAG). Furthermore, Streets and Highway Code, Sections 182.6 and 182.9, allows the exchange of these funds for Non-Federal State Highway Account funds.

By agreement, the County is responsible for collecting these funds on behalf of the City of Buellton, the City of Guadalupe, and the City of Solvang. Once the County receives the exchanged funds from the State, each of these Cities can request their portion directly from the County.

**Fiscal and Facilities Impacts:**

Budgeted: Yes

**Narrative:**

With the execution of this agreement, the County will receive \$558,115.00 to be deposited in Department 054, Fund 0015, Account 4320. Of this amount, the County will disperse \$72,840 to the City of Buellton, \$81,086 to the City of Solvang, and \$106,283 to the City of Guadalupe as identified for FY 2015/16. After disbursements, the County's share will be \$297,906.

**Special Instructions:**

Please return all original executed agreements with a certified stamped minute order to Public Works, Transportation Division, Attn: Blair Gilbertson. Once the agreement has been fully executed, an original copy will be returned to the Clerk's Office for your records.
